**COSMETOLOGY CLASS**—At Romulus High is one of the many courses in the school's Vocational Education Program. Above are some of the class members busy at their assignments. Left to right are Miss Peggy Harold, Junior; Miss Brenda Clark, Senior; and Alethea Eddleman, Instructor. Other students served as models.

## To Speed Construction

## Supervisor's Ok Metro Loan

**ROMULUS**—Plans to lend \$3-million to get stalled construction moving at Detroit Metropolitan Wayne County Airport have been endorsed in principle by the County Board of Supervisors.

The board, meeting Jan. 15, approved the concept and empowered its chairman, Albert J. Zak, to appoint a special committee to work out the mechanics of the transaction. The County Road Commission operates the airport.

Supervisor Edmund Bizek, of Romulus, D-District 24, transportation committee chairman, stressed that the loan would be made only if the other financing possibilities — sale of bonds or fee advances from the airlines — fall through.

Construction of baggage and passenger facilities needed to accommodate the new

365-passenger Boeing 747-type "jumbo" jets has been stalled because airport bonds have gone unsold in the current poor market.

**BAGGAGE FACILITIES** are considered the most serious bottleneck likely to develop if the jumbo jets attempt to use present facilities. The planes are expected to start using the airport late this year or very early next year.

In addition to himself, Zak named Bizek and Frederick Yates, of Detroit, D-District 9, chairman of the ways and means committee, to serve on the special group to develop the loan procedure.

He asked the Road Commission, the County Board of Auditors and the Prosecuting Attorney to each recommend a representative.

**ZAK SAID** the most likely source of the money is tax revenues which normally are

invested in short-term notes in the interim between receipt and disbursement.

## Police Studying Courses

**ROMULUS**—Personnel at the Romulus Police Department, including police officers and members of the office staff have returned to the classroom to further their education, it was disclosed Monday.

They all have become students taking courses to improve their present employment at Wayne Community College Centers, located in Inkster and Taylor, Mich. (Continued on Page 3-A)

## Security Robbed

**ROMULUS**—The Wayne Road 1-94 Expressway Branch of the Security Bank & Trust Company was held up and robbed of approximately \$2,044 by two men, one armed with a .38 caliber revolver. The bank robbery occurred at 12:15 Monday.

The bank branch is housed in a temporary trailer office during construction of permanent banking facilities nearby. No customers were reported to be in the bank when the robbery occurred. The bank holdup is under investigation of FBI agent, State Police and Detectives of the Wayne County Sheriff's Road Patrol and Romulus Police Department.

Police reported that a male negro approached the Bank Manager, Richard Lilly and Bank Teller, Mrs. Barbara Zambrowski at the teller cage.

Saying "this is a holdup",

the man drew a revolver and directed them to give him the money.

During the holdup, he was joined by another male Negro. Both men directed Mrs. Zambrowski into a wash room and Lilley into a nearby cloak room telling to remain there for five minutes.

The men escaped in a beige 1968 or 1969 model car. Direction unknown.

They were described as: No. one man: 25 years old, five feet seven inches tall,

weighing about 120 pounds. He was reported wearing a Black tam, granny type glasses, he has small mustache and goatee.

No. two man was described as 25 years old, six feet in height and 165 pounds in weight. He had long greasy hair combed right, a stubby beard and had a speech impediment. He was armed.

Bank officials re-opened the bank at 2 p.m. The bank's loss is insured, officials assured depositors.

**ANNUAL REPORT**—Members of the Romulus Building Department busy making their annual report on the 1969 operations of the Building Department. Left to right are Department Manager Joseph B. Gallagher, Mrs. Marianne Pokorvinski (sitting) and Mrs. Rita McLenon. The Department collected a record \$109,423 in permit fees as against \$72,117 in 1968. Estimated building permit fees for 1970, based on reported plans on drafting boards, is in excess of \$135,000, Gallagher stated.

## For Romulus Schools

## Bond Issue OK'd

BY HENRY CANTIN

**ROMULUS**—The State Department of Education, Lansing, has approved an application filed by the Romulus Community Schools seeking authority to issue a proposed school building bond issue in the amount of \$11,000,000.

Robert L. McConeghy, school superintendent, Monday reported the bond issue's approval following a telephonic check with the state agency.

The Board of Education is now expected to set an election date at its Jan. 26 meeting.

Voters of the school district will be asked to approve the proposed bond issue, the "largest ever proposed in the history of the school district".

McConeghy reported that voters will also be asked to approve a nine mill renewal that is expiring with the 1969 tax collection.

An election is planned for early March or April.

The proposed 1970 school building program for the School District has a total approximate cost of \$10,617,500 under the requests and recommendations submitted to the School Board by McConeghy.

He reported that the proposed bond issue to finance the construction of the "necessary" building program, although the "biggest" in the history of the School District, is due to the tremendous rise in building costs.

The projects proposed by the school administration

have various completion dates and all of the bond issue, if approved by the voters, would not have to be sold during the 1970-71 school year but carried out over a two to three year period.

By so doing, the mill levy

would be only determined by the amount of the bond issue required during any one year.

Projects proposed include two new elementary schools, additional classrooms to existing facilities, new junior high school, and other

required building facilities. The current school tax levy is 31.6 mills per \$1,000 of assessed property valuation, state equalized.

This levy includes 26.6

(Continued on Page 3-A)

**JAYCEE WEEK PROCLAIMED**—Romulus Township Supervisor Roderick E. Smith (second from left) has proclaimed the week of Jan. 18-24 as Jaycee Week in Romulus. Holding the formal proclamation is Ron Collins (second from right) Jaycee director and chairman of Jaycee Week. Left is Anthony Capas, proprietor of the Romulus Hardware and Charles Hazen, Jaycee director and Industrial Coordinator for Romulus Township.

## Jaycee Week Declared In Romulus Township

**ROMULUS**—Residents of Romulus Township were urged Monday to unite in a community-wide observance of Jaycee Week.

Township Supervisor Roderick E. Smith issued a formal proclamation designating the week of Jan. 18-24 as Jaycee Week in Romulus.

The proclamation was issued on request of officials and members of the Romulus Jaycee Club.

The Romulus Chapter of the Jaycees has at present a

membership of 35. It is celebrating its 25th anniversary this year.

The Jaycees, sponsors of many civic programs and charitable projects in the township, are re-emphasizing during Jaycee Week its aims and purposes and determination to continue programs for community growth and betterment.

A display signifying some of the club's accomplishments will be in the window of the Romulus Hardware.

These include Junior Miss Pageant, providing litter containers for the business district, hosting a Christmas Party for underprivileged children, and a March of Dimes Dance.

Supervisor Smith's proclamation reads as follows:

WHEREAS: The Jaycee Organization has long been recognized for its outstanding community work; and

WHEREAS: Community

interest and participation in community affairs and projects are a continuous process as relates to the Jaycee Organization; and

WHEREAS: It is fitting and proper that the Administration in local government recognize the values which the Jaycee Organization has contributed to Romulus.

THEREFORE, BE IT RESOLVED: That I, RODERICK E. SMITH, SUPERVISOR OF THE TOWNSHIP OF ROMULUS, in recognition of the meritorious services rendered by the Romulus Jaycee Organization to its Community, do hereby PROCLAIM THE WEEK OF JAN 18-24, AS JAYCEE WEEK in ROMULUS, to coincide with National Jaycee Week, and do hereby direct the citizens of Romulus to likewise recognize the Jaycee Organization, its efforts, and its accomplishments which have benefited our Community in so many ways throughout the years.

By Supervisors

## Bizek Is Named To 6 Committees

**ROMULUS**—Assignments and appointments to various committees of the Wayne County Board of Supervisors has been announced by Board Chairman Albert J. Zak, who was re-elected. They contained few changes.

Edmund Bizek, (D) Romulus representing the 24th District on the Board of Supervisors was elected to six committees.

The 24th District embraces Belleville, Romulus, Sumpter, Huron and Van Buren Townships.

BIZEK WAS elected to the Ways and Means Committee, Legislative Committee, Public Works Committee, Rule Committee, Planning and Capital Improvement Committee.

He was re-elected chairman of the Transportation, Industrial and Commercial Development Committee.

The assignments and appointments were made on Jan. 15.

The only major changes involved the chairmanships of two committees.

## Homeowners Group To Revise By-Laws

**ROMULUS**—The first meeting for the revision and up-dating of the Romulus Homeowners Association Constitution and By-Laws will be held at the Romulus Elementary Multipurpose Room tomorrow, Jan. 22.

The committee that has been selected is a mixture of old members and new members, but most importantly members who are sincerely interested in the functions the Association must perform.

Some of the members invited to serve on this committee have been openly critical of the Association, this will give them and others the chance to correct those areas in which they feel the Association has been lax.

The Officers and Executive Board will take no active part in this revision.

The Committee will select their own officers and report on their progress to the present officers, other than progress reports, they will work alone.

Hopefully, the revision and up-dating of the constitution will bring about more active participation by the membership and a more meaningful contribution to Romulus.

## Charter Group's Work Nears End

**ROMULUS**—Last Wednesday evening saw the Romulus Charter Commission complete its areas of writing for the proposed charter for Romulus.

All that is left now for the commission to do is to draw together all the loose ends. A first draft charter will then be printed and finally approved.

The areas finished last Wednesday were the chapters on Contracts; Streets, Sewers and Drains, Municipal Utilities and Privately Owned Utilities.

Local citizens are invited to attend the next commission meeting which will be held tonight (Wednesday) at 7:30 p.m. in the Water and Sanitation

Building, Bibbins and Shook Streets, Romulus (across from the postoffice).

## Area PTA Council To Meet

**ROMULUS**—The Romulus Area Council of PTA's will meet on Tuesday, Jan. 27 at 7:30 pm at Gordonier Elementary School, located at 20814 Smith Road.

Local PTA presidents are urged to remind their delegates of the meeting.

Each unit is entitled to five voting members on the council, but all interested persons are invited to attend.

## IT'S PAYDAY

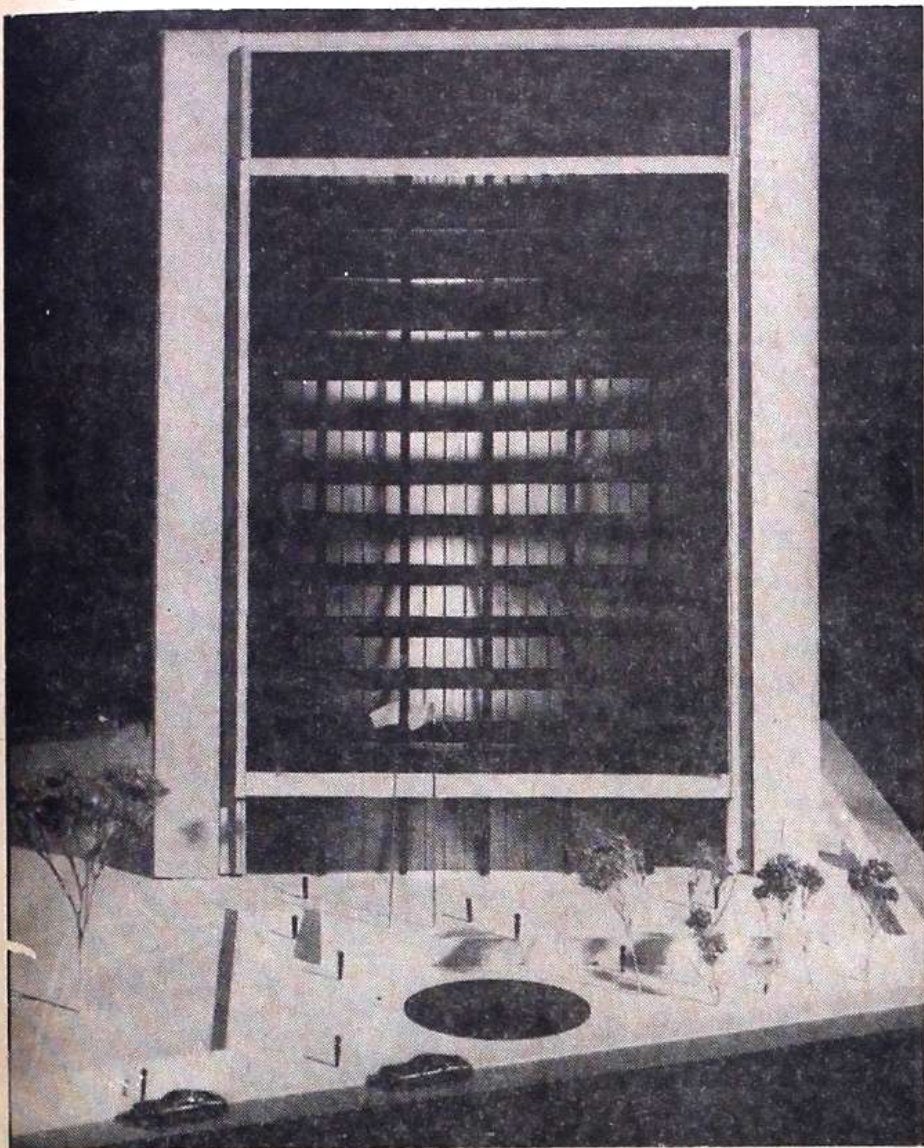

Your Romulus Roman carrier will be making his monthly rounds this week to collect 40 cents for the four deliveries in January. Prompt payment of your bill will enable your carrier to meet his deadline.

Pay only your regular carrier. If you have any questions contact the Associated Newspapers Circulation Department at 729-4000.

# 14-Story Bank Facility's Groundbreaking Is Set

Groundbreaking for a 14-story multimillion dollar central office building of the Security Bank & Trust Company is tentatively scheduled for August, 1970, with occupancy expected by early 1973.

BANK'S NEW HEADQUARTERS—An architect's sketch of the new 14-story multimillion dollar central office building of the Security Bank & Trust company is shown above. Groundbreaking is tentatively scheduled for August with occupancy expected by early 1973. (Lens-Art Photo)

The project, recommended by the bank's board of directors, and approved by the stockholders, also has received

approval by Robert P. Briggs, financial institutions commissioner; the Southgate planning commission and board of zoning appeals.

The structure, which will be located on a 13.1 acre site near the triangle formed by Trenton Road, Pennsylvania and Fort, will contain approximately 215,000 square feet of floor space.

Clarence R. Mead, chairman of the Security Bank board of directors, said the central headquarters building is urgently needed because main office functions now are scattered over a number of locations, resulting in difficult operating conditions.

THE BANK originally had planned a main office building of seven stories with approximately 70,000 square feet, on a site in Lincoln Park, adjacent to city owned property.

In a statement last September to stockholders, Mead said, "because of our constant growth, our needs have increased to the extent that current recommendations are for a larger building."

The Lincoln Park location

was re-examined in view of the large structure and greater requirements, and found to be unsatisfactory, he said.

The Southgate site, where a golf-driving range was located, was then considered and subsequently recommended as fulfilling requirements for office space now, as well as in the future, plus ample parking area.

THE STRUCTURE will be of modern design, with glass used extensively on its outer walls, particularly on the first floor.

A large part of the first floor will be occupied by tellers' windows and offices for the transaction of customer's business.

In addition to executive offices, a number of other departments now located elsewhere in the area eventually will be moved to the upper stories of the new building. Included, will be mortgage, commercial loan, trust, consumer credit, personnel, legal, auditing and marketing operations.

OTHER DEPARTMENTS will include business development, general accounting, commercial bookkeeping, branch headquarters, and administrative services.

"It is the bank's plan," Mead said, "to maintain the present main office at 1605 Fort, Lincoln Park, as a branch office."

The executive offices have been moved to temporary quarters, located at 12301 Reek Road, Southgate, until the new main office building is completed.

At the South Pole ice is believed to be 9,200 feet thick.

## Symphony Sets Fourth Concert

PLYMOUTH - The Plymouth Symphony's Fourth Concert of the 24th Season will be held Sunday, 25-4 p.m. There will be no admission charge.

The concert will be at the Plymouth High School, located at the corner of Church Street and Main.

## McConeghy Reports

### 1969 Was Record Making Year For Schools

ROMULUS—The year of 1969 was a year of record making for the Romulus Community School District.

A survey of school operations during the 1969 year disclosed a series of new records, highest in the history of the school district, were established.

Robert L. McConeghy, reported that the largest operating budget in the history of the school system, \$4,300,000, was adopted by the School Board. This was in September, 1969.

Money borrowed from the state to operate the school

system amounted to \$1,300,000, another record.

The present millage levied (1969) for operations and debt retirement totaling 31.6 mills per \$1,000 of assessed property valuation, state equalized, is a new high for the school district.

Both employment (550)

and student enrollment, (5,455) are at the highest levels. These records have been established since July, 1969.

The millage and new bond issue approved by the voters in June, 1969 were recommended by a Citizens Advisory Committee.

A levy of four additional

mills was approved at the June 9 election.

McConeghy reported also that the Building Program financed by a 1968 bond issue is nearing completion.

New school facilities were opened at the Romulus Elementary, Hayti, Beverly, Cory and Mt. Pleasant Elementary Schools in 1969.

These facilities included additional class rooms and library. Auto Shop facilities at the Romulus Senior High School were extended and improved.

### 1969 Total Is Over \$21 Million

## Romulus Building Soars

ROMULUS—Building operations in Romulus Township made tremendous gains during 1969, an annual tabulation released Monday by the Romulus Building Department disclosed.

Joseph B. Gallagher, manager of the Building

Department, reported that the 679 building permits issued last year had a total valuation of \$21,364,367. This compares with \$11,461,282 in a corresponding period of 1968 when 802 building permits were issued.

Increases in all places of building were reflected in the 1969 report.

Expansions in present manufacturing facilities of the township as well as commercial and residential gains were reported.

The amount of fees collected in 1969 totaled \$109,423, as against \$72,117, Gallagher reported.

The 1969 fee collections on building permits set a new record.

He reported also that January building plans on the drafting boards of various plant owners and businessmen who plan Romulus operations show more than \$3,250,000 in additional facilities for the Romulus area.

The top months of 1969 were September when \$5,774,914 in building was approved by the Department and in March and April when more than \$2,400,000 was approved for each month.

The fees collected in 1969

were as follows: Building, \$72,529; Electrical Permits, \$14,529; Electrical License and Registration, \$730; Plumbing Permits, \$10,080; and Plumbing License and Registration, \$63.50.

The December, 1969 report showed that 22 building permits were issued calling the estimated construction of \$686,270, Gallagher reported. Total permits issued were 112 and fees collected amounted to \$5,093.

ROBERT L. MCCONEGHY  
Superintendent

Scheduled for occupancy in the 1970 year is the Merriman Elementary School, High School Auditorium, Maintenance Building and a new Board of Education Office.

McConeghy stated that the key to immediate and pressing items for the 1970 year is a millage renewal of nine mills for school operations that expires with the 1969 tax collection and approval of an \$11,000,000 bond issue to provide additional sites, facilities and equipment to meet immediate needs in the early 1970's.

"Voter reaction to the above will determine the course of Romulus Schools in 1970," McConeghy said.

### Nine New Teachers Added By Romulus School Board

ROMULUS—Nine new teachers have been hired for assignments commencing this month (January) by the Romulus Community School District, William Jakad, assistant school superintendent, announced.

The new teachers will fill vacancies caused by resignations, leaves and for assignment under Title I Program financed under a federal grant.

The new staff members with their school and teaching subject are:

Miss Barbara Brown, High School, English.

Mrs. Susan Cady, Mt. Pleasant Elementary, Second Grade.

Mrs. Julie Catallo, Romulus Elementary, Second Grade.

Fred Coleman, High School, Health Education.

Ralph Connon, Gordonier Elementary, Fifth and Sixth Grades.

Mrs. Shirley Germaine, Hayti-Gordonier Elementary, Music.

Miss Grace Kuhns, Romulus, Beverly, and Mt. Pleasant Elementary, Music.

Miss Nancy Seastrom, Harrison School, First Grade.

Thomas Tiplady, Title I, Language Development.

### Library Offers A New Service

ROMULUS—A new service, PRE-PACKAGED REFERENCE, is now available for the library patrons of the Romulus Library, Mrs. Emery Seestadt, librarian, has announced.

Magazine articles, leaflets, bibliographies and other materials on subjects of widespread interest are assembled and included in special reference packet envelopes.

Packets on DRUG ABUSE and GUN CONTROL are now available in quantity upon request; and several others, including POLLUTION, OUR GENERATION GAP, and CAPITAL PUNISHMENT, are being prepared.

\*\*\*

LIBRARY PRE-PACKAGING of materials is a new innovation. It attempts to meet the continuing problem facing public libraries of filling individual requests by students, teachers and the general public for current materials on a single subject.

The Romulus Library is able to provide the unique service through its membership in the Wayne County Federated Library System, a voluntary federation of 52 libraries in Wayne and Oakland counties.

The three front toes of the albatross are webbed.

### Police

(Continued from Page 1-A)

Taking various courses in police administration procedures, criminal law and administration of justice are Police Sgt. Robert Taylor, Patrolmen Robert Pidgeon, Richard Yenamian, Kenneth Macrae, Robert Kanl and Joel Wood.

Miss Arlice Coats and Mrs. Geraldine Sanders, office secretaries are studying sociology, Miss Coats is also studying secretarial fundamentals.

They attend classes two nights a week.

## VAN BUREN TOWNSHIP SCHOOL MINUTES

REGULAR MEETING  
December 8, 1969

supported by Schweigert, to  
adjourn. Motion carried.  
Thomas Hopka  
Secretary

SPECIAL MEETING  
January 5, 1970

A special meeting of the  
Van Buren Board of  
Education was held in the  
Board Room of the  
Administration Building on  
Monday, January 5, 1970 at  
8:00 p.m.

The meeting was called to  
order by President Bole at  
8:05 p.m.

Members present were: Dr.  
Richard Muse, Mr. Charles  
Bole, Miss Barbara Rogalle,  
Mrs. Doris Roe, Mr. Charles  
Chauncey Schweigert, and  
Mr. Thomas Hopka.  
Superintendent Kaulitz was  
also present.

Mr. James Egan had  
requested permission to leave  
his position as Business  
Manager of the Van Buren  
Public Schools' District  
effective January 23, 1970 to  
pursue his doctorate degree.  
Motion by Schweigert, and  
supported by Muse, to grant  
this request and pay Mr. Egan  
for accrued vacation days  
through January 23, 1970.  
Motion carried.

Motion by Roe, and  
supported by Rogalle, to  
allocate \$300,000. from the  
building and site fund to  
construct a vocational auto  
shop facility. Motion carried.

Motion by Roe, and  
supported by Muse, to accept  
the recommendations of the  
1969-70 committee on  
student dress and personal  
appearance code. Motion  
carried.

Motion by Schweigert, and  
supported by Hopka, to  
accept the recommendations  
of the administration building  
drapery committee. Motion  
carried.

Motion by Muse, and  
supported by Rogalle, to  
adjourn. Motion carried.

Thomas Hopka  
Secretary

## Rhonda Miller Is In Youth Concert

ROMULUS—The Michigan  
Youth Symphony, an  
orchestra of 130 teenage  
musicians, will present a  
concert in the Grosse Ile High  
School Auditorium at 3 p.m.,  
Sunday, Jan. 25.

Among the members of  
the Michigan Youth  
Symphony will be Miss  
Rhonda Miller, daughter of  
Mr. and Mrs. Raymond N.  
Miller, of 28933 West Huron  
River Drive, Flat Rock.

The Youth Symphony is  
considered one of the finest  
young orchestras in America.  
During the past 20 years its  
members have consistently  
held high positions in the  
World Youth Symphony at  
Interlochen.

The concert is sponsored  
by the Parents of the Youth  
Symphony, Mrs. Elizabeth  
Mosher, local chairman, and  
the Grosse Ile Band Boosters

MISS MILLER

Club.  
Ticket donation is \$2 for  
adults and \$1 for students.

## Junior High Students Hold Model Car Show

BY JEFF DAHLSTROM

This past week has been  
quite exciting for the  
students of the Romulus  
Junior High School.

Both boys and girls had a  
chance to enter competition  
in a model car show.

The show was held in the  
library of the school, with  
some real sharp trophies for  
the winners.

The person to be given  
credit for this fine display of  
talent is Mrs. Susan Honeck.  
Her seventh grade class came  
up with the idea, and decided  
to go through with it.

THE SHOW was really  
professional. They had  
classes, real great trophies,  
and the judges were of the  
Romulus Senior High

Citizens

Advisory Unit  
Calls Meet

Huron Valley

Gun Show

Set Jan. 24

YPSILANTI—The Huron  
Valley Gun Collectors, Inc.,  
are holding their quarterly  
gun show Jan. 24 and 25 at  
the Ypsilanti Armory, located  
at Whittaker Road & I-94  
expressway. Doors open at 8  
a.m.

Secretary Ernest  
Munkachy reports there will  
be approximately 80 display  
tables.

Rotary  
Entertains

BELLEVILLE—Members  
of the Belleville High School  
National Honor Society were  
special guests of the Belleville  
Rotary Club at the club's Jan.  
13 meeting.

National Honor Society  
members are chosen for their  
outstanding achievements in  
scholastic work.

Guest speaker was Donald  
Kleinsmith. His address was  
entitled "What College Is  
Really Like."

Mrs. Mark and her family  
who have been volunteers  
with the March of Dimes  
since 1949, said that anyone  
interested in volunteering for  
the fund-raising campaign  
should call 535-5770.

The Trojan War was  
probably fought over control  
of the Dardanelles.

## Vocational Education At Romulus High Described

ROMULUS—The  
Vocational Education  
Program at Romulus Senior  
High School, considered by  
school authorities to be one  
of the best available among  
Western Wayne County high  
schools, now embraces the  
bulk of the student body,  
Gerald Nault, principal,  
disclosed.

The various programs and  
courses offered in the  
Vocational Education is being  
taught to more than half of  
the current student  
enrollment of some 1,200  
students, Nault reported.

Courses include classes in  
the "best equipped" auto  
shop of area high schools,  
vocational food programs  
involving the studies of  
various foods and their  
preparation and cooking,  
complete business course that  
includes a cooperative  
program with area businesses.

Secretarial bookkeeping,  
typing and other related  
subjects are the course.

Students receive

on-the-job-training through

the school's cooperative

program and others get

steady employment, Nault  
stated.

The Vocational Education  
Program has been part of the  
high school curriculum since  
1966.

The Cosmetology Class is  
attracting an unusual number  
of students. This class is  
believed to be the only one  
among high schools in the  
area.

A current Home Making  
Department is soon to be  
revised in line with the new  
directives from the State  
Vocational Home Making  
Department, Lansing, Nault  
reported.

The present format in this  
department will be changed  
to a more embracing Home  
Making and Consumer  
Education including child  
development.

A complete Clothing  
Services Course is also  
available.

Students are taught the  
making and cleaning of  
wearing apparel.

In addition a Health  
Occupation Program that  
trains students for hospital  
work, Nault stated.

## Mothers To March For 'Dimes Jan. 28

While the world continues  
to marvel at our walks on the  
moon, a dedicated group of  
women in Wayne County will  
have their feet on the ground  
Jan. 28 - Feb. 2, for the  
annual March of Dimes  
Mothers' March against birth  
defects.

Now an American  
tradition, it will take place  
this year under the able  
direction of Mrs. Florine  
Mark, of Farmington, and the  
mother of five children. She  
is also the executive director  
of Weight Watchers, Inc.,  
which she started in Michigan  
along with her sister Sandra  
Berlin, who was a polio  
victim and helped by the  
March of Dimes.

Mrs. Mark's appointment  
was announced by Mickey  
Lolich, 1970 March of

Dimes campaign chairman of  
Wayne County.

SINCE 1958 the voluntary  
health organization has  
established a nationwide  
network of 115 Birth Defects  
Centers, four of which are in  
Michigan, and which have  
initiated year-round prenatal  
care and public health  
education projects as well as  
professional education  
programs.

## Area Obituaries

POWELL, Michael, infant,  
of 205 Parrin Street,  
Ypsilanti, passed away at the  
Garden City Osteopathic  
Hospital, on Jan. 12. His  
parents are Raymond and  
Delores Powell.

Also surviving are his  
grandparents, Mr. and Mrs.  
Bud Marcum of Ypsilanti;  
Raymond Powell of Ohio,  
and Mrs. Evelyn Wright of  
California; and a brother,  
Mickey, at home.

Funeral services were held  
at the Baum Funeral Home in  
Romulus Thursday, Jan. 15.  
The infant was laid to rest in  
Highland Cemetery in  
Ypsilanti.

BITNAR SR., Otto, of  
47670 West Huron River  
Drive, died in the Belvil  
Community Hospital, Jan.  
16. He was born in  
Czechoslovakia on May 22,  
1887.

Mr. Bitnar was the owner  
of his own lumber yard  
business.

Funeral services were held  
on Monday, Jan. 19 at 2 p.m.  
from Roberts Bros., Funeral  
Home with Rev. Robert  
MacDonald, pastor of the  
Trinity Episcopal Church,  
officiating. Burial was in  
Hillside Cemetery.

and four children, Michael of  
Westland; Thomas, Margaret  
Ann and Rick, at home. Two  
sisters also survive, Mrs. June  
Zajackowski of Dearborn  
Heights and Mrs. Alfreda  
Vade of Southgate.

Funeral services were held  
Jan. 15 at the Baum Funeral  
Home in Romulus with Rev.  
William Frayer officiating.  
Interment was in Michigan  
Memorial Park near Flat  
Rock.

and sisters: August Kadau of  
Inkster; Mrs. Mabel Steller of  
Garden City; Mrs. Helena  
Demets of Romulus; Mrs.  
Vera Fons of Detroit and Earl  
of Romulus.

Funeral services were  
conducted 1 p.m. Monday at  
the Uht Memorial Funeral  
Home in Wayne. Interment  
was in Michigan Memorial  
Park near Flat Rock.

KADAU, Charles, 49, of  
912 Fairwood Inkster  
(formerly of Romulus) passed  
away Jan. 15 at Oakwood  
Hospital, Dearborn as the  
result of leukemia. Kadau had  
been hospitalized for the past  
six weeks.

Kadau resided in Romulus  
until about 15 years ago  
when he moved to Inkster.

He is survived by his wife,  
Irene, a son, Rodric H.  
Campbell of Dearborn  
Heights and a grandson, Scott  
Campbell. Also left to mourn  
his passing are five brothers

Mr. Bitnar is survived by  
his wife, Anna, children:  
Oldrich Bitnar, Mrs. Anna  
Blazak, both of Belleville; and  
Otto Bitnar, Jr., of Ypsilanti.  
Thirteen grandchildren, 22  
great grandchildren, also  
survived. Two sons and two  
daughters preceded him in  
death.

SARGENT, Gordon  
Taylor, of 44610  
Expressway, died in Beyer  
Memorial Hospital, Ypsilanti,  
Jan. 18. He was born in  
Holyoke, Mass., on May 5,  
1894. He was a retired  
Inspector at Kaiser-Frazer  
and member of the Huron  
Valley Post of VFW No.  
4434.

Funeral services for Mr.  
Sargent were held today, Jan.  
21 at 11 a.m., from Roberts  
Bros. Funeral Home with  
Rev. Charles Dibley, pastor of  
the United Methodist Church  
of Belleville, officiating.  
Burial was in Leonardson  
Memorial Cemetery,  
Pittsford, Mich.

He is survived by his sister,  
Mrs. Jessie Vickers of  
Belleville; nephews, Robert  
D. Vickers of Walled Lake,  
Mich., and Ellsworth Vickers  
of Fort Lauderdale, Fla.

GIBBS, Thomas Michael,  
32, of 37502 Walnut Drive  
passed away at home on  
Monday, Jan. 12. He had  
resided in Romulus for the  
past seven years, moving here  
from Detroit.

The deceased was a  
foreman in the steel mill at  
Ford Motor Company. He  
was a member of the  
Fraternal Order of Eagles,  
No. 2566, Lincoln Park, and  
was affiliated with the Dix  
Methodist Church in Lincoln  
Park.

He is survived by his  
mother, Mrs. Mary Williams  
of Detroit, his wife, Diana  
Rousos Gibbs of Romulus,

reasons to bank at...

## Wyandotte (Romulus, Dearborn Heights, Taylor) Savings Bank

THE CROSS BEARERS QUARTET will be featured at the Church of God of Prophecy, 7201 Kempa Street, Romulus during a revival which begins this evening at 7:15 p.m. and will run through January 31.

## Revival Starts At Romulus Church of God of Prophecy

ROMULUS — The Church of God of Prophecy, 7201 Kempa Street, Romulus, will begin a revival this evening at 7:15 with Rev. and Mrs. Homer Rye from Illinois.

The Ryes have served the Church of God of Prophecy in many different capacities. Rev. Rye was State Overseer of Illinois, pastor, evangelist and missionary. They were the first missionaries to take the message of the last days Church to Australia and England. Mrs. Rye is also a evangelist, and in past years has served as General Sunday School Superintendent for the Church of God of Prophecy with Headquarters in Cleveland, Tennessee. She was associate editor of the Happy Harvester Magazine which for years has made its way to penitentiaries and prisons all over the United States.

The Ryes' ministry was effective in many states and they have been a blessing to thousands. Mrs. Edna Rye had the opportunity to go into "Father Divine's Heaven" some years ago. Taken from WITNESS... Message "You've heard of New York City who is claimed to have twenty million followers calling him God ... well, so had we, and we meant to see first-hand what took place in his largest "heaven" if there was a chance. It was a spooky Saturday night when we found the place in the very heart of Harlem and officials of the kingdom ushered us to

seats against the wall. (Visitors are allowed, provided they keep their thoughts to themselves ... but Edna Rye didn't).

"As Edna took her place between the two tables, the worshippers gave her a loud cheer and died suddenly as she opened fire with the Word of God. As she read from Amos 4:12 about preparing to meet God and announced that it was the true and living God we were to meet and motioning to the picture of "father" made it clear that he was just a man and that some day he would stand before the Judgment bar for himself, a round of hisses and boos rose like smoke from both tables. One "disciple" let out a blood-curdling scream; another fell backwards. From there Edna went to Matthew 24: "Then if any man shall say unto you, Lo, here is Christ, or there; believe it not. For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you

before." This was the spark that touched off the fuse. The secretary who was recording the message jumped and looked over Edna's shoulder to see what she was reading.

"A strange hush fell over the place, but Edna didn't stop except to say to the Secretary, "Yes, that's in the Bible, don't have time to find it now, but will show you later. This is your BIBLE. I borrowed it from the woman over there by the wall."

The Rev. Benny Hart, pastor of the Church of God of Prophecy in Romulus extends a welcome to the public to come and attend this revival which will begin nightly at 7:15 p.m. and will run through January 31. The church of God of Prophecy also extends a welcome to you to come and worship with them each Sunday morning for Sunday School, 9:45; morning worship 11:00 a.m. and Evangelistic service at 7:30 p.m. The Church of God of Prophecy in Romulus is the home of the Cross Bearers Quartet, who will also be featured during this great revival.

## Building Permit Fee Hike Proposed

ROMULUS—The Romulus Building Department is recommending that fees for building permits and for electrical inspection activities in Romulus Township be increased to meet the prevailing rates of surrounding communities.

Joseph B. Gallagher, manager of the Romulus Building Department reported that proposed increases ranged from two and one-half to three percent in building permits and from three and one-half to four

percent in electrical inspection.

A proposed schedule of fees will be submitted to the Township Board for their consideration and approval Jan. 20.

The fee increase if approved would become effective 30 days after publication, Gallagher announced.

A Comprehensive Building and Plumbing Code provides for the setting up of fee schedules and enforcement, Gallagher reported.

## Van Buren Buys Washer

BELLEVILLE—The Van Buren Township Board has approved the purchase of two machines to improve township services.

A car and truck washer

and duplicating machine will now be used by township employees.

The 207-pound washer was purchased for \$1,098.

State Representative Vincent J. Petitpren (D-Westland) has introduced House Bill 3926 a "bill of rights" for persons who live in mobile homes in trailer coach parks.

The bill was one of five which Petitpren introduced as the Legislature started its 1970 session. "I consider this bill particularly significant," he said, "because it gives the many thousands of Michigan

residents who live in trailer parks rights which they do not have now. These people should have the same rights as those who live in other homes."

The Petitpren bill would amend the state's Trailer Coach Park Act of 1959. It extends to the owners or renters of mobile homes in trailer coach parks the long-existing rights involved in other landlord-tenant agreements.

This legislation is long overdue, Petitpren stated. "It provides for judicial protection for tenants of trailer coach parks. They deserve these protections just as much as any other tenants."

Petitpren said he has considerable support for his proposal, including that of the UAW.

"As it is now," Petitpren noted, "trailer coach park residents have very few actual

rights. I have witnessed the families being unfairly evicted at the whim of the park owner. In many instances, they have no right to hire anyone to do plumbing, electrical and other repair and maintenance work on their own trailer home. There are even reports of kickbacks to the park owner when this work is done."

He added, "This bill is not unduly harsh on any honest trailer park owner. Although the proposal grants the tenant rights and protections they do not have, it also imposes certain obligations on them. It clearly spells out the contractual arrangements in trailer parks." Petitpren expects public hearing to begin in February.

## Students Teachers Assigned To Romulus Schools' Staff

ROMULUS—Student teacher assignments in the Romulus Community Schools for the spring semester were announced Monday by Assistant School Superintendent of Schools William Jakad.

The teachers are Eastern Michigan University students.

Gordon Belt, supervisor of student teaching, School of Education at EMU, and Jakad listed the assigned student teachers with their grades or subjects as follows: Charlene Wilson, Second Grade, Romulus Elementary.

Linda Kaiser, First Grade, Cory Elementary.

Kathleen Allen, Third Grade, Mt. Pleasant Elementary.

Carol Yarrows, Fifth Grade, Mt. Pleasant Elementary.

Sharon Hoover, Art, School District.

Kathleen Kelly, First Grade, Gordonier Elementary.

Linda Malone, Second Grade, Harrison Elementary.

Donna Schimming,

English; Dominac Guzzardo, English; and Robert Lee, Physical Education. All Junior High.

Tyman St. Clair, Physical Education; Tom Gillespie, Physical Education; Susan Turney, Business Education; Dorita West, Physical Education; Phillip Schwartz, Psychology; Cheryl Love, Physical Education; Carol Smith, Math; and Tom Ketten, Industrial Education. All Senior High.

Patricia Miller, English; Leslie Keyfarian, History; Daniel Edmonds, Drafting; Marilyn Bell, Speech; Clara Smith, History; and Susan Kirchner, Home Economics. All Senior High.

## Apple Crisp, A Favorite Across-The-Country

When winter sets in, out goes the call for church suppers and PTA meetings over a potluck. Known as "covered dish" suppers in some parts of the country, they're fine when it comes to raising money, planning programs, or deciding who's to chauffeur and chaperone the children on field trips. Good food, especially when it's a co-op venture, seems to help accomplish things.

If you're on the menu committee, make dessert Apple Crisp with Birds Eye Cool Whip Non-Dairy Topping. It's simple, and carries well to the dining hall, if made at home. It's good warm or cold, and takes advantage of the abundance of apples, so is economical. Best of all, everybody likes it, especially when it's dressed up with the frozen whipped topping which is so easy to take along for the last-minute pretty dollops.

This recipe for Apple Crisp makes eight servings. It goes well with any menu. Coloradoans like it with venison supper; Iowans choose it for duck; New Yorkers with baked ham; Virginians and Washingtonians like it simply because it makes such fine use of their delicious apple crops.

Cherries, in their canned form as pie filling, are

another good winter fruit their flavor and texture choice. Use them to add contrast so nicely with the sparkle to a cheese pie, where rich velvety bottom layer.

### Apple Crisp

- 1-1/2 cups graham cracker crumbs
- 1 cup firmly packed light brown sugar
- 1/2 teaspoon salt
- 1/2 teaspoon grated lemon rind
- 1/2 teaspoon cinnamon
- 1/4 teaspoon nutmeg
- 1/2 cup butter, melted
- 2 tablespoons lemon juice
- 6 cups (about 2 lb.) sliced apples
- Thawed frozen whipped topping

Combine crumbs, brown sugar, salt, lemon rind, and spices. Add butter and lemon juice; mix well. Sprinkle half of the crumb mixture into a greased 8-inch square pan. Arrange apple slices over crumb mixture. Top with remaining crumb mixture. Bake at 400 degrees for 30 minutes or until crumb mixture is lightly browned and apples are tender. Serve warm or cool, garnished with whipped topping. Makes 8 servings.

### Cherry Topped Cheese Pie

- 1 package (8 oz.) cream cheese, softened
- 1/2 cup sugar
- 2 cups (or one 4-1/2-oz. container) thawed frozen whipped topping
- 1 unbaked 9-inch graham cracker Crumb Crust
- 1 cup canned cherry pie filling

Beat cream cheese with sugar until creamy. Blend in thawed frozen whipped topping. Pour into unbaked Crumb Crust. Top with cherry pie filling. Chill at least 3 hours before serving. Makes 6 to 8 servings.

NOTE: For ease in serving, dip pie pan in warm water for a few seconds; then cut and serve.

### Crumb Crust

Combine 1-1/4 cups graham cracker crumbs and 1/4 cup sugar. Mix in 1/4 cup softened butter or margarine. Press firmly on bottom and sides of a 9-inch pie pan. Chill 1 hour before filling.

## Freeze-drying Is Getting More Popular

Freeze-drying is one of the gentlest techniques known for drying food stuffs. In freeze-drying a food is first frozen and then placed in vacuum chambers where radiant heat is supplied to complete the sublimation process. This process is continued until only 2-3 percent of the moisture is left in the product. This sublimation process varies from 5 to 20 hours. This is a slow process because the dried outer surfaces act as a barrier to the vapor-diffusing process. Therefore, all foods should be approximately the same size and shape to assure a uniform product. For good preservation, the package must be absolutely airtight and vapor-proof, must be tough and resilient, and must keep the freeze-dried pieces from being reduced to a powder by rattling around or being crushed. One of the main advantages of freeze-dried food is that they do not have to be kept in the refrigerator but can be stored on the pantry shelf; therefore, the growth of the process is closely watched by refrigerator manufacturers.

In 1963 the cost of freeze-dried shrimp was from 1-1/2 to 2 times the cost of regular frozen shrimp prepared in a comparable manner; by 1969 this price differential was approximately the same.

Freeze-dried products make a desirable choice for outdoorsmen who must carry their food on foot. And some of the dishes might be worth the consideration of other outdoorsmen for the variety they might contribute to the menu. But for most outdoor uses, especially where weight is no serious problem, other processed foods, particularly canned foods would be a wiser and considerably less expensive choice.

The following are examples of some of the foods currently prepared by this process:

Freeze-Dried Chives—this delicate, mild, onion-like flavored herb has been available for several years.

Three Freeze-Dried Casseroles — Ham and Green Beans au gratin, Beef Almondine and Chunk Chicken with rice and carrots. One merely adds four ounces of boiling water, stir and wait for five minutes to reconstitute the product.

Freeze-Dried Shallots — is a new product packaged in fancy glasses. Shallots are a favorite of gourmet cooks combining the flavor characteristics of onions, garlic, and green onions.

Freeze-Dried Cottage Cheese — with cultured sour cream dressing — currently is in principal use with military and quantity food users, such as institutions, and not on the retail shelf. It can be kept on the shelf for over a year.

Freeze-Dried Coffee — has been available for more than a year now. It constitutes about 8 percent of the total instant soluble market.

## Edgemont P.T.O. Sets Meeting

BELLEVILLE—The January meeting of the Edgemont School's P.T.O. will be held on Wednesday Jan. 28, at 7:30 in the multipurpose room of the school.

Mrs. Susan C. Boulter will be presenting an explanation of the Title III Elementary and Secondary Education Program.

A question and answer period will follow her presentation. All parents are cordially invited to attend.

San Salvador, in the West Indies, is believed to have been the first land sighted by Columbus in the New World.

MISS GRAJEK

## St. Mary's Reserved For Vows

Mr. and Mrs. Edwin Grajek, of 8310 Hannan Road, Wayne, are announcing the engagement of their daughter, Janice Frances, to Bruce Edward Hampton, son of Mr. and Mrs. Robert Hampton, of 164 Third Street, Belleville.

Both Miss Grajek and her fiancé are graduates of Belleville High School. She is currently attending Practical Nursing School while employed at Stein's Flower Shop, Wayne.

The prospective bridegroom is currently enrolled in the Weaver Airline Personnel School and is employed at R.F.P. Industries, Wayne.

St. Mary's Catholic Church, Wayne, has been reserved for their March 21 wedding.

AFTON, WYO., INDEPENDENT: "We've read some comments decrying the fact that no significant laws have yet been passed during the Nixon Administration. There are some who feel this might be quite an accomplishment in itself. Governments have been trying to legislate away their problems for years without success."

NATION-WIDE FAVORITE—A real homespun dessert to top off a winter supper is this easy-to-make Apple Crisp with pixie caps of thawed frozen whipped topping. Spicy with nutmeg and cinnamon, Apple Crisp is a number one favorite for those pot-luck affairs where you're asked to contribute a dish. This one, not only simple to concoct, is convenient to tote from the kitchen to the car and back into the kitchen again. It can be served warm or cold so is ideal under any circumstances.

## Son's Release From Army Warrants Belated Christmas

By Mrs. Joseph Spring  
OX 9-4021

Sp/5 James R. Wilson, son of the Russell Wilsons of Elwell Rd., arrived home on Saturday, January 10, from Ft. Hood, Texas, having been discharged from the U.S. Army after two years in the service. Also home for the week-end was his sister, Janice, who is a student at the University of Michigan. The next day, Sunday, the Wilson family enjoyed a belated Christmas party and dinner complete with all the trimmings. Several relatives and friends stopped by to welcome Jim home.

Clarence Carnahan of Huron River Drive has been a patient at Veterans' Hospital in Ann Arbor the past two weeks for observation and treatment.

## Ordering Wine In Restaurants

California produces such an abundance of outstanding wines that ordering in a formal restaurant is made easier and more pleasant by the presence of a knowledgeable waiter.

When shown a wine list, don't hesitate to seek his suggestions. Don't hesitate either, however, to make your own decision.

When the waiter shows the label, he expects a nod if it's the bottle ordered.

If the bottle has a cork closure, the waiter will pull it and usually hand it to you. You sniff it. If the odor is good, nod approval.

After a little wine is poured into your glass, inspect for cork particles, hold it to the light to judge color and clarity, swirl it, and sniff. If satisfied, you order the wine poured.

This simple ritual — more important when wine quality was less consistent than in today's California wines — is not always practiced.

Informal, family-style eating places, particularly, are likely to simply put an opened bottle on the table for guests to serve themselves.

Whichever way, wine itself is the thing.

On Tuesday of last week Mr. and Mrs. Clyde Woods of Belleville Road and Mrs. Leon Boldt of Roland Street drove to Milford to call on Mrs. Seth Arnold who is spending some time with her son-in-law and daughter, Mr. and Mrs. Robert Born, 734 Panamora Drive, Milford.

After spending four days at St. Joseph Hospital, Ann Arbor, following a slight set back, Mrs. Darryl H. Raymond, Sr., was able to return to their home on Wabash Street last week Wednesday.

Mr. and Mrs. Kenneth Mericle of Denton Road were last Sunday dinner guests of their daughter and husband, Mr. and Mrs. Gerald Statham, of Keego Harbor.

S. Carey Pierman of 117 Huron River Drive underwent major surgery at the University of Michigan Medical Center on Wednesday, Jan. 14. His wife, Helen, has been confined to the home for the past week quite ill with a bad case of the "flu."

Mrs. Ralph Ertell of

Dearborn Heights, Mrs. Kenneth Post and daughter Laurie of Dearborn spent Tuesday evening with Mrs. Orrin R. Post of Liberty Street.

Mrs. Carl (Mary) Mumford of Fret Road underwent surgery at Ridgewood Hospital, on Monday, Jan. 12. At present time she is doing well and is

## 3 Students Honored By College

BELLEVILLE—Among the students honored at Ferris State College for scholastic excellence in the Fall Quarter were three Belleville residents. They are:

Robert E. Baldwin, 12044 Ryznar, General Education Ronald R. Meyer, 46748 McBride, Technical and Applied Arts; and Paul K. Smith, 240 West Columbia Avenue, General Education.

They are among 1,391 students honored by being noted to the Academic Honors List.

## Good Cleansing Routine Important To Teens

If you hope to impress that classmate sitting next to you in algebra this semester, try putting your best face forward.

For boys as well as for girls, faces are generally the first thing that people notice — and are also the most sensitive skin area. Although fellows don't have make-up problems to tangle with, they still should wash their faces thoroughly at least twice a day, more often if possible.

For a healthy complexion that inspires confidence in your appearance, wash your face before bed and after physical exercise.

To make a clean start every morning too, always scrub well with a deodorant soap, like Dial, before shaving. You'll wash perspiration and oil off your skin and make it easier to remove the whiskers as well.

You can use your hands, a washcloth, a complexion brush, or sponge to suds your face. Just be sure that whatever you use is clean.

Begin by massaging warm soapsuds gently into your skin with your fingertips in upward circular motions.

Start at the collarbone and work to the front and back of the neck. Next massage the cheekbones and jaw line, and then around lips, cheeks, and sides of face.

Take extra care on your chin and nose, which collect more surface oils from the pores. Next, work around the eyes and onto the forehead. Massage thoroughly around your hairline where oils also collect.

Using a deodorant soap, like Dial, for this sudsing is important for teens who are generally inclined to have skin problems. Dial soap not only prevents oil and dirt from accumulating in your pores, but also inhibits germs from building up on your face.

Lather your face once and rinse with warm water. Then steam your face over a basin of hot water for a few minutes to bring oils in your pores to the surface of your skin. Lather and rinse again.

Finally splash cool water on your face. Then pat dry with a towel. You can take the first step towards a clean start in school this fall by beginning a daily course of thorough face washing.

## Slimnastics On Agenda For Home Arts Club

What an ideal time for exercising! Right after the holidays when most of us have stuffed ourselves with all the "wrong" foods for keeping a slender shape. And so — exercise it was Monday, January 12, as the Home Arts Club met for its first meeting of the year.

Some 35 members and two guests, Gwen Liebler and Florence Brown, were on hand for the activities at Belleville Junior High School. Mrs. Brown, a former physical education teacher, led the more stout-hearted in slimnastics and relay races in the gymnasium while several stayed back in the library for cards.

A brief business meeting was held under the direction of president Marguerite Greathouse after which

refreshments were served. Rhea Feathergill, chairman, was assisted at the buffet table by Carol Fitch, Betty Gott, Eula Haft, Joy Hill, Flo Hudge, and Mary Anne Hudge who served assorted nut breads and cream cheeses along with coffee.

The February 9 meeting will be held at Edgemont School.

MISS SAWTELL

## Summer Wedding Planned

Mrs. Florence Sawtell, of Gaylord, is announcing the engagement of her daughter, Nancy Marie, to William Gene Murray, son of Mr. and Mrs. Herbert Murray, of Romulus. Miss Sawtell is an employee of the Gaylord State Bank and her fiancé is with Garwood.

A summer wedding is being planned.

The Michigan State Safety Commission presents this tip for safer winter driving from the National Safety Council: "Tests show that reinforced tire chains provide four to seven times as much pulling ability on snow and ice as regular tires without chains." Always carry chains in the trunk of your car to assure your ability to get through regardless of the weather.

## Bassinet Bulletins

Mr. and Mrs. Clarence Hawkins, of 21501 Elwell Road, Belleville, have a new addition to their family. A baby daughter, weighing 7 lbs. — 1 oz., arrived Jan. 5 at Beyer Hospital.

A new addition to the home of Ronald and Debra Garland at 39045 Superior, Romulus, is the baby boy born January 9 at Belvil Community Hospital. His weight was recorded at 5 lbs.-7 ozs.

Another recent Belvil Hospital arrival was the baby boy born January 6 to Edgar and Lucy Miller, of 815 George Place, Ypsilanti. He weighed in at 7 lbs. - 8 ozs.

# Here Are Some Of Our Future Brides

## Conklin-Dick

The United Presbyterian Church of Belleville has been reserved for the February 28 wedding of Pamela Sue Conklin and Ronald Anthony Dick, both of Belleville.

A senior at Belleville High School, Miss Conklin's engagement is announced by her parents, Mr. and Mrs. Francis Conklin, of 18527 Savage Road, Belleville.

The son of Mr. and Mrs. John Dick of Latrobe, Pennsylvania, the prospective bridegroom resides at 18491 Savage Road, Belleville. He served for four years with the U.S. Navy and is now employed at Fisher Body, Willow Run.

## Streights Welcome No. 2 Son

It was a boy December 20 for Mr. and Mrs. Marcy Bruce Streight of 11629 Shorecrest Drive, South Lyon, formerly of Belleville. The newcomer, who weighed in at 8 lbs. - 15 ozs., arrived at Garden City Osteopathic Hospital and was named Gary Glen.

Gary's mother is the former Peggy Doane and he has a big brother, Robert Russell.

The baby's grandparents are Mr. and Mrs. Roy Doane of Belleville and Mr. and Mrs. Ralph Black of Portland, Oregon.

## Cheri Lynn Is Her Name

Cheri Lynn is the name chosen by Charles and Donna Montie, of 46763 Ayres Road, Belleville, for their new daughter who made her debut at Outer Drive Hospital, Lincoln Park.

A New Year's Eve arrival, she is the little sister of Dennis who's almost two years old.

Her grandparents are Mr. and Mrs. Leonard Montie of Belleville and Mrs. Lillian Bloom of Wayne.

MISS CONKLIN

MISS TIPPER

MISS MALLORY

MISS HUBERT

## Mallory-Notar

Debrah Mallory of Belleville and Donald Notar of Milan are engaged and making plans for a June wedding. Announcement of their betrothal comes from the bride-elect's parents, Mr. and Mrs. John Mallory, of 9325 Rawsonville Road, Belleville.

Currently attending Eastern Michigan University, Miss Mallory graduated from Lincoln High School in 1968.

Her fiancé also graduated from Lincoln in 1968 and is working as a plumber apprentice at Towler and Notar, Inc. His parents are Mr. and Mrs. Gerald Notar, of 6287 Milan-Oakville Road, Milan.

## Tipper-Seguin

Mr. and Mrs. W. D. Tipper, of 29644 Huron River Drive, Flat Rock, are announcing the engagement of their daughter, Kathy, to Al Seguin, of 6928 McGuire Street, Taylor.

Miss Tipper, who is in her senior year at Huron High School, is making plans for a June 26 wedding.

Her fiancé, son of Mr. and Mrs. J.G. Seguin, of 17070 Hannan Road, New Boston, graduated from Huron High in 1968 and is now attending Washtenaw Community College. He is an employee of Belleville Die Shop, Inc., Romulus.

## Past Matrons Have Lunch In Wayne

The Past Matrons' Association of Belleville Chapter No. 73, O.E.S., met at the home of Past Matron Florence Sugars of Wayne on Thursday, January 8.

Due to the severe cold weather and much sickness only ten members and two guests, Worthy Matron Fannie Cox and a friend, Ina Harrison, were present for the 12:30 luncheon. The latter assisted the hostess in serving.

The chaplain, Katherine Spring, gave the devotions and the president, Beatrice Boldt, conducted a short business meeting.

The hostess presented a couple of paper and pencil games with awards going to Frances McAtee, Bedia Woods, Beatrice Boldt and Katherine Spring.

The February 5 meeting will be with Katherine Spring.

## ALL AROUND

THE TOWN . . . with Lee

### Away From It All

THE BRINKERHOFFS-Keith and Connie-enjoyed a brief respite from Michigan's frigid elements recently when they spent a week in Arizona. Having reservations at Ramada Inn, Phoenix, they were delighted when the weatherman reported that Tucson, at 70 degrees, was the warm spot in the nation on January 9.

All factors seemed to be in Connie's favor since the trip, which was supposed to be a business trek for her husband, turned out to be a combination-pleasure jaunt for both of them. "The honeymoon we never had," she added.

Never thinking it possible with four youngsters and school to figure in, Connie was rather overwhelmed when her mother decided to take a week off work and care for her four sons.

So with the arrival of her parents, the Ray Scoles of Saginaw, the Brinkerhoffs were off via jet for warmer climes. While away they drove to Flagstaff and the ski resort areas which were doing very poorly because of no snow and also visited Connie's cousin and wife, the Richard Kruegers, in Phoenix.

Making up the welcome-home-committee when they landed back at Metro on the 10th were sons, Brian, Greg, and David, and daughter, Beth.

### Birthday Girl

SUZANNE STABNAU had a birthday recently—her eighth. And in celebration of the January event, her mom, Elaine Stabnau, served a special birthday luncheon to a group of seven and then whisked them over to Wayne to see Walt Disney's "101 Dalmatians" plus "The Family Band."

In on the fun-filled afternoon were former neighbors, Judy and Cindy Hudge (who also stayed for the night); friends from across the street, Trudy and Paula Bowers; a schoolfriend, Susan Carlson; and Suzanne's sister, Sheila.

### Home From Spain and Virginia

ALYCE CURRY, daughter of the Donald Currys of Robbe Road, winged her way homeward from Spain for the recent holiday season. She is employed by the government at the Navy Base in Rota, Spain. Larry Curry, their son and brother, was also home for the festive season from Fort Lee, Virginia where he is attending quartermaster clerk school.

## Miss Wesley Gets Degree

MISS WESLEY

BELLEVILLE—Miss Dona Ann Wesley, daughter of Mr. and Mrs. Charles F. Wesley of 34419 Marquette, Westland and formerly of Belleville was one of the 1,600 degree candidates graduating from Eastern Michigan University on Sunday, Jan. 18.

Miss Wesley received a Bachelor of Science degree in English language and literature. She also received a Secondary Teaching Certificate. She was affiliated with the Sigma Nu Phi sorority.

Miss Wesley will begin teaching at Seitz Junior High in the Riverview School District on Jan. 26.

She was a 1965 graduate of Belleville High School.

## Area Youth Invited To Rally

BELLEVILLE—The youth of the United Methodist Church of Belleville are invited to the First United Methodist Church of Wayne for an area-wide Youth Rally to be held there on Feb. 8, at 7 p.m.

"Dust And Ashes", a team of two ordained clergy from the Youth Ministries of the Board of Evangelism, who conduct concerts in folk music as well as lead a worship service in folk music will be featured speakers.

Youth and interested people are welcome to attend. Plans for transportation will be made by each youth group in Belleville.

Over 200 varieties of ready-to-serve meats are made by approximately 3,000 meat processors in the United States. Many of these are inspired by old world varieties and bear the names of towns or localities where they originated.

Anyone can recognize such places as Bologna, Frankfurt, Genoa, Salamis, Thuringia and Vienna and know what kind of sausage originated there.

## Wedding PHOTOS in EXCITING COLOR

As seen through the enchanted eyes of the bride, captured forever by the camera of...

Lou Pilchak

Romulus, Mich.  
941-4597

Did you know that new parents are usually disappointed in their baby's looks and in their own maternal and paternal feelings? That the "soft spot" on a baby's head, which many mothers are fearful of touching, is protected by a membrane as tough as canvas? That the emotional state of the parents may help determine whether or not an infant has severe colic?

Many new mothers expect to respond to their babies with an immediate surge of maternal feeling — yet this feeling often develops only gradually after the infant has been home awhile. New fathers, too, may not react quite as they expected — and one reason may be the difficulty in recognizing their flesh and blood in the newborn's red, puffy, wax-coated skin, fuzz-covered body and frequently lopsided head!

These non-beauty marks disappear in fairly short order — but other problems may linger on. Why do colic symptoms bother so many babies (and their parents) for the first three months and then disappear almost magically? Many doctors blame the immaturity of the infant's digestive and nervous system, which by the age of three months have begun to "settle down". Yet fatigue and tension in other family members can be an important contributing factor in infant colic, studies have shown.

"TREAT THE mother," some modern pediatricians jokingly recommend in colic cases — yet our ancestors often did the equivalent! In ages past, the baby's medicine might be given directly to the nurse — on the theory that she would pass on the cure. One old remedy was a mixture of hot water, oil and pepper — enough to make any nurse or baby nurse a justifiable resentment.

Diaper rash is another persistent problem: experts have called it the commonest of all baby rashes in the first year. Yet it's still surrounded by many old-fashioned fancies and fallacies: some people think only tiny babies are subject to it; others believe it's something all babies have to go through, sooner or later. But the fact is

that the major cause of diaper rash — ammonia formed by bacteria which go to work on wet diapers — can be stopped in its tracks by proper laundering procedures. A new germicidal agent, which germ-proofs diapers from change to change, can be added to diapers in the soaking pail or in the washing machine.

New diapering and laundering methods make a modern baby's life softer and sweeter than that of his Puritan counterpart, who was wrapped in diapers made of rough canvas! Centuries ago, English mothers improvised with table napkins; to this day, the English refer to diapers as nappies.

Fortunately, baby is an amazingly tough little creature, from his wiggly toes to the top of his head, with its fontanel or "soft spot" which is actually very hard to injure. The system that controls his body temperature is working quite efficiently by the time his weight is up to seven pounds. In his first few months of life, hardly any of his elders can match him for his resistance to colds. This toughness of his has stood him in good stead over the centuries — for our ancestors had some pretty fancy fancies about the care and feeding of babies.

\*\*\*  
IN THE DAYS of the Roman Empire, baby was weaned at six months — and was put on bread crumbs

Teez Dip, a ready-to-serve dip by Kraft Foods, is now in national distribution. Made with fresh sour cream it is available in four flavors—clam, bacon and horseradish, French onion, and blue cheese. All are in 8-ounce aluminum cups.

mixed with soup and eggs, and heavily laced with wine — a sort of built-in burper! In 18th century England, it was believed that children were born hungry — so a spoonful of sugar or butter was thrust in the newborn's mouth immediately upon arrival. In that era, newborn babies were fed ten or twelve times a day.

"Infantile" ideas about what baby inherits have been common in every culture. A baby born with one or more teeth, the Romans believed, would surely grow up warlike and pugnacious! This was viewed with approval in boy babies, alarm in girl-children.

To this day, some modern mothers think they can "mark" their unborn children if they experience a sudden shock. And some women still feel they must "eat for two" during pregnancy. Actually, according to J. P. Greenhill, M.D., the weight of a newborn baby is not dependent entirely or even in great part on the quantities its mother eats; heredity is a much more important factor than diet in deciding baby's birth weight.

Somehow, despite all grown-up fancies and fallacies, baby manages to more than hold his own. But any infant would agree that if his parents don't utilize the findings of modern scientists and the updated methods of baby care, why it would be a crying shame.

## Security Appoints Bramwell

LINCOLN PARK—Lowell L. Peacock, president of Security Bank & Trust Company, has announced the appointment of James R. Bramwell, to Assistant Vice President, in charge of the construction of the bank's new main office building.

Bramwell replaces Kenneth S. Swartzbaugh, a Vice President who was on temporary assignment in charge of the main office development.

Swartzbaugh has been promoted to head the bank's Business Development Division, a post previously held by Rudolph G. Virda, senior Vice President who is on an extended leave of absence.

When Virda returns later this year, he will be on special assignment to the President. Swartzbaugh, a native of Ohio, lives at 15262 McLain, Allen Park, with his wife, Marie and four children.

He attended high school in Ohio and earned a Bachelor Degree in Business

Administration at Wayne State University.

He joined Security Bank as a teller at the Ecorse Office in 1946 and has moved steadily up the promotional ladder since that time.

## Legal Notices

NO. 70 - 11479

To the Supervisor and Clerk of the Township of Romulus, Wayne County, Michigan.

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on January 15, 1970, decide and determine that certain county roads (alleys) described in the minutes of said meeting of said Board should be absolutely abandoned and discontinued as public highways, reserving therein easements set forth in said determination.

The portion of the minutes of said meeting fully describing said county roads (alleys) is attached hereto and made a part of this notice, which is given under and by virtue of Act 283 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 16th day of January, A.D. 1970.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

William E. Kreger, Chairman  
Michael Berry, Vice-Chairman  
Philip J. Neudeck, Commissioner

By Donald R. Kring  
Secretary and Clerk of the Board

RESOLUTION

Commissioner Berry moved the adoption of the following resolution:

WHEREAS, pursuant to petition and in accordance with the provisions of Section 18, Chapter 4, Act No. 283 of the Public Acts of 1909, as amended, this Board, by resolution dated May 15, 1969, set a date of hearing on said petition and directed a Hearing Examiner to

hold said hearing; and WHEREAS, said hearing was held at the time and place

appointed, and the Board has considered the findings of fact as reported by its Hearing Examiner concerning the advisability of absolutely abandoning and discontinuing:

The alleys as dedicated to the use of the public in MCCONALOGUE SUBDIVISION of part of the N.W. 1/4 of the N.E. 1/4 of Section 5, T. 3 S., R. 9 E., Romulus Twp., Wayne Co., Michigan, as recorded in Liber 78 of Plats on Page 55, Wayne County Records—lying in the rear of lots 56 to 76 and 82 to 94, all inclusive, and in the rear of the easterly 2.47 feet of lot 77;

and WHEREAS, the premises were viewed in accordance with said statute.

NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above-described county road(s) or portion(s) thereof be absolutely abandoned and discontinued and that said road(s) or portion(s) thereof are hereby absolutely abandoned and discontinued reserving therein easement(s) for public utilities and sewer purposes.

The motion was supported by Commissioner Neudeck and carried by the following vote:

Ayes, Commissioners Kreger, Berry and Neudeck. Nays, None.

## ROMULUS PERSONALS

# Cruise Takes Her Away From Winter

By Pearl Morris  
Phone WH 1-1187

Mrs. Landon Clark of Schultz Street is vacationing in the Caribbean at this writing. Mrs. Clark left Sunday night by air to join friends at Martinique in the West Indies from where they were to start on a windjammer cruise for two weeks.

Miss Dorothy Hughes, daughter of Mr. and Mrs. Estill Hughes of Huron River Drive South, is a patient at Garden City Hospital, Room 330, where she expects to undergo heart surgery late this month. Dorothy would enjoy hearing from local friends. Her father is pastor of the Church of Christ, Sterling and Violet Streets, in New Boston.

Mrs. Charles Bird of Goddard Road entertained MM members of the Mary-Martha Circle on Tuesday afternoon of this week. The ladies met for pot luck lunch at 12:30 p.m. and business meeting followed.

It was announced this week that there is a great need for Sunday School teachers at both the Romulus and New Boston United Methodist Churches. Persons interested in teaching either

## Legal Notices

To the Supervisor and Clerk of the Township of Romulus, Wayne County, Michigan.

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on December 18, 1969, decide and determine that the certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets are hereby made a part of this notice, and are as follows:

Minutes of the regular meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the Board's offices, 7th Floor, City-County Building, Detroit, Michigan, at 9:00 A.M., Eastern Standard Time, Thursday, December 18, 1969.

Present: Chairman Kreger and Vice-Chairman Berry.

"Commissioner Berry moved the adoption of the following resolution:

"BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan that it hereby accepts the dedication to the use of the public of the following described roads and they are hereby taken over as county roads and made a part of the county road system of the County of Wayne:

All of Brandt and Cypress Roads as dedicated to the use of the public in Airway Industrial Center Sub. No. 1 of part of the S. 1/2 of Section 2, T. 3S., R. 9E., Romulus Township, Wayne County, Michigan as recorded in Liber 92 of Plats on Pages 1 and 2, Wayne County Records, constituting a total of 0.449 mile of County Roads.

The motion was supported by Commissioner Kreger and carried by the following vote: Ayes: Commissioners Kreger and Berry. Nays: None."

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan this 26th day of December, A.D. 1969.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

part or full-time, please phone the pastor, Rev. Frank Leineke, (WH 1-3474) or Virgil Varner (697-9688) as soon as possible.

Mr. and Mrs. Robert Gill of Brewster, New York, were guests of their daughter and son-in-law, Denise and Glinnis McCown of Superior Street at holiday time.

The Gills were enroute home after a motor trip through Florida and the South. Mrs. Gill is the former Louise Crockett of Tobine Road and owner of the Beauty Haven Salon. Mrs. Gill saw many of her local friends when she assisted at the beauty salon New Year's Eve.

Kathy Nehila of Wade Street entertained 11 teen-age girl friends at a pajama party at her home Friday night. The girls also celebrated the birthday of Tracy Romak of Northline Road. They enjoyed roller skating at the Mayflower Rink during the evening along with plenty of refreshments.

Today, (Wednesday) from 9:30 to 11 a.m., the Sermon on the Mount Study Group meets at the United Methodist Church, Olive Street, from 9:30 to 11 a.m. On Thursday, Jan. 22, at 8 p.m. the Board of Trustees will meet at the Romulus church

Mr. Carles Kadau, 49, for whom an appeal for blood was made in this column last week, passed away Thursday, Jan. 15, the victim of leukemia. (See this week's Obituaries for further particulars). Kadau has many relatives living in this area.

Local 4-H'ers who wish to participate in a ski outing this Friday (Jan. 23) are invited to phone Jim Wagner of Romulus (941-0116) for full particulars. The Junior Leaders League has planned a trip to Mt. Brighton, in Brighton, Michigan. The approximate cost will be \$5.00 to \$10.00 ski rental; \$3.00 to \$5.00 tow fees. Also bring money for lunch there. Jim is chairman of the ski committee.

Participating 4-H'ers will meet at the fairgrounds near Belleville between 9:30 and 10 a.m. Friday.

There will be a meeting of the Wayne County 4-H Council on Monday evening, Jan. 26, at the 4-H Fairgrounds, Quirk Road, Belleville. The meeting will get underway at 7:30 p.m.

Mrs. Delena Wicker of Sibley Road, New Boston, had as her guest a granddaughter, Mrs. Red Kurtz of Denver, Colorado, last weekend. She came because of the illness of Mrs. Wicker who has just returned

home from Ridgewood Hospital.

Mr. and Mrs. William F. Gamble of 18881 Huron River Drive, New Boston, are the parents of a baby girl born Dec. 23 at Garden City Osteopathic Hospital.

The baby was named "Rachel Jeanine" and weighed an even eight pounds. She is the couple's first child and the fifty-seventh great grandchild of Mrs. Delena Wicker of Sibley Road.

# 'Black Odyssey' Program Attracts Capacity Crowd

ROMULUS—A capacity crowd filled the multi-purpose room of Beverly Elementary School on Thursday night, Jan. 15. All around the room were colorful displays and histories mounted on poster boards. A classroom was converted into display room of more histories and illustrations.

The program was called a Black Odyssey. It was presented as a joint project of the Child Guidance Consultants from the University of Michigan, Beverly School faculty and PTA and community leaders.

The evening began with George Norman's Black Odyssey History Exhibits.

Over a period of four years, Norman was assembled an impressive pictorial history of black accomplishment and contribution to the American culture.

The displays are done without rancor and in good taste, emphasizing the accomplishments of the inventors, musicians, artists, statesmen and patriots who had made substantial contribution and were also black.

Two very young men, aged about four and eight years, were observed studying a display about black cowboys and the old west. Their joy and wonder in discovery of their heritage in the settlement of the west was evidenced in their conversation:

"Did you know they had black cowboys?" asked the older, "No, I sure didn't," replied the little one. "Well, they did. It says so right here," replied the older boy.

At 7:30 p.m., music from the multi-purpose room drew people from the displays to the program. After several selections by the Romulus High School Ensemble, Mrs. Mildred Washington, fourth grade teacher, presented her class in recitations of the life and poetry of Paul Lawrence Dunbar.

A quintet of saxophones, led by high school band instructor, Gideon Pettway, played a medley of inspirational music. A trio of flautists, from the high school music department also performed selections. The young musicians were all warmly received.

Mrs. Bertha Hargress spoke about what Beverly School means to the community.

The fourth grade proclaimed names and accomplishments of distinguished negro scholars, educators, musicians, explorers and statesmen. They spoke their lines from memory and not one forgot or stumbled on his part.

Mrs. Zeffie Beaman read a commemoration tribute to Dr. Martin Luther King's birthday. Miss Vera Gibson's sixth grade choral group sang an accompaniment. "Let Their Be Peace On Earth and Let It Begin With Me" was

Miss Patricia Cofield's message as she sang the beautiful hymn.

Mrs. Washington introduced those responsible for organizing the evening and introduced teachers and guests. Principal, Eugene Barr, spoke briefly in welcome and recognition. Following Mrs. Delores Johnson's acceptance in behalf of the community, the group was led in song by Miss Gibson and her sixth grade class.

Fifth grade boys and girls

## Church Builds Rectory

BELLEVILLE—A new minister's home at the Church of Christ, located at 894 East Huron River Drive, nears completion, Rev. David Rushlow, church minister, announced.

The minister's home is being built next to the L-shape one-story church structure that houses church facilities and services for some 80 parishioners.

Construction cost was reported at \$17,000.

Rev. Rushlow also announced that the home is part of the church's building expansion program. A 30 by 32-foot addition to the rear portion of the church, containing classroom facilities and offices, was completed in December.

## Films On Narcotics Listed

BELLEVILLE—Two film strips on narcotics from the Wayne County Library Audio-Visual Department will be shown at St. Anthony's Catholic School, 409 West Columbia Avenue, on Saturday, Jan. 24 and Sunday, Jan. 25.

The titles of the films are "Narcotics - Pit" and "Narcotics - Decision". The films will be shown to the seventh and eight grade pupils of CCD on Saturday and to Focus Teens on Sunday.

Any interested parents wishing to see the films are welcomed on either occasion.

## Students Attend Meeting

BELLEVILLE—Members of the Government Class at Belleville High School attended the Jan. 13 session of the Van Buren Township Board of Trustees.

The attendance at the Township Board meeting was in line with a class project and was under the direction of Emil Jones who accompanied the students.

The students were Joanne Harkimer, Ellen Mills, Jack DeMara, Robert Stabnau, Paula Pence, April Klein, Mary Kennedy and Lee Skyles.

When attacked, the opossum often pretends to be dead in an effort to fool its foe.

# Security Bank Reports Record Growth

Record growth and earnings for 1969 were announced this week by Clarence R. Mead, chairman of the board and Lowell L. Peacock, president of Security Bank and Trust Company.

The bank's total resources reached a new high of \$270,815,659 on Dec. 31, 1969.

A new high in total deposits of \$237,588,219 was also

recorded and represents an increase of \$15,640,997 for the year. Demand deposits were increased by \$3,144,608, bringing total loans and discounts, including mortgages to \$181,756,099.

while time deposits rose \$12,496,389.

\*\*\*

LOAN DEMAND, especially in the real estate mortgage and consumer

categories continued strong during 1969 and resulted in an increase of \$19,573,608, bringing total loans and discounts, including mortgages to \$181,756,099.

Accounting and reporting requirements for banks were changed as of the 1969 year end. On the basis of reporting, prior to the changes, the operating earnings for 1969 were \$4.32 per share

compared to \$3.44 for 1968, an increase of 26 percent.

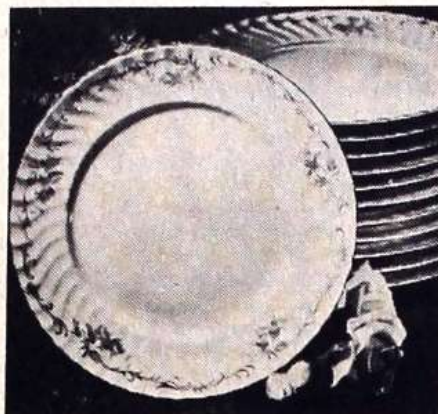

On the basis of the required new method, net earnings before security transactions resulted in per share earnings of \$4.18 for 1969 as compared to \$3.11 for 1968, or an improvement of 34 percent.

The net income after security transactions per share was \$4.25 for 1969 and \$3.03

for 1968, or an improvement of 40 percent. Net income after transfers to Reserves was \$1,811,521 in 1969, of which \$615,225 was paid as dividends to stockholders. The balance of \$1,196,296 was added to the Capital Accounts.

\*\*\*

DURING 1969, Capital Stock was increased from 475,750 shares to 525,000.

# CITY OF BELLEVILLE

## WAYNE COUNTY METROPOLITAN SEWERAGE AND SEWAGE DISPOSAL SYSTEM CONTRACT

City of Belleville  
County of Wayne, Michigan

Minutes of a Regular Meeting of the City Council of the City of Belleville, County of Wayne, Michigan, held in the City Hall in said City on Monday, the 19th day of January, 1970, at 7:30 o'clock p.m., Eastern Standard Time.

PRESENT: Councilmen Hamlin, Palmer, Amerman, Boone and Smith

ABSENT: Councilmen None

The following preamble and resolution were offered by Councilman Amerman and supported by Councilman Palmer:

WHEREAS, there exists an imperative need to acquire in the City of Belleville as a part of the Wayne County Metropolitan Sewerage and Sewage Disposal System certain sanitary sewer facilities as hereinafter in the contract more particularly set forth; and

WHEREAS, preliminary plans and estimate of cost of said improvements have been prepared by Brender and Brender, Inc., consulting engineers of Wayne, Michigan, which said preliminary plans and estimate of cost have been reviewed by the City Council; and

WHEREAS, the City Council has determined that it is necessary for the public health to acquire said sanitary sewers in accordance with said preliminary plans and estimate of cost; and

WHEREAS, Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended, authorizes the execution of contracts between municipal units and the proper county agency providing for the acquisition, construction and financing of sanitary sewer facilities; and

WHEREAS, the County of Wayne, acting by and through its Board of Supervisors, and in accordance with Act 342, Public Acts of Michigan, 1939, as amended, by resolution adopted by majority vote of its Board of Supervisors on October 9, 1939, and by Ordinance No. 200 duly adopted on September 20, 1952, authorized and directed that there be established a system of sewage disposal improvements and services to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System, and did designate the Board of County Road Commissioners of the County of Wayne, as the agency for the County, to acquire, operate, maintain and improve the System with all the powers and duties conferred upon such agency by statute; and

WHEREAS, the City Council determines it to be in the best interest of the City to acquire said sanitary sewer facilities and to finance the cost thereof in accordance with the provisions of Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939 as amended; and

WHEREAS, a contract between the City of Belleville and the Board of County Road Commissioners of the County of Wayne, providing for the acquisition, construction and financing of said sanitary sewer facilities, and such matters as are deemed necessary thereto, has been prepared;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The City Council of the City of Belleville hereby determines that it is necessary for the public health and safety to acquire the sanitary sewer facilities set forth in the contract herein included as a part of this resolution.

2. The City Council deems it to be in the best interest of the City to finance the cost of such improvements in accordance with the provisions of Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended.

3. The City Council hereby approves the preliminary plans and estimate of cost of said improvements prepared by Brender and Brender, Inc., consulting engineers of Wayne, Michigan.

4. The City Council does hereby approve the following contract for the acquisition, construction and financing of said sanitary sewer facilities:

### CONTRACT

THIS CONTRACT, made and entered into this . . . . . day of . . . . . A.D., 1970, by and between the BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, Michigan, a public body corporate, acting for and on behalf of the County of Wayne, Michigan, party of the first part, hereinafter referred to as the "BOARD," and the CITY OF BELLEVILLE, a municipal corporation in the County of Wayne, State of Michigan, hereinafter referred to as the "CITY,"

### WITNESSETH:

WHEREAS, the County of Wayne, Michigan, acting by and through its Board of Supervisors and in pursuance of the authority conferred upon it by Act 342, Public Acts of Michigan, 1939, as amended (hereinafter referred to as "Act 342"), did by resolution duly adopted by a majority vote of its members-elect on October 9, 1939, and by Ordinance No. 200 duly adopted on September 20, 1952, authorize and direct that there be established a system of sewage disposal improvements and services, to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System (hereinafter referred to as the "County System"), and did designate the BOARD as the agency for the County to operate and maintain such System with all the powers and duties conferred upon such agency by statute; and

WHEREAS, said Ordinance No. 200 specifically provides, in part, as follows, to wit:

"Section 10. To provide for necessary improvements, additions and extensions to the System, and the financing thereof, the Board is authorized to prepare plans, details and specifications therefor, to prepare and submit necessary ordinances, resolutions or other documents necessary to the issuance of any of the type of bonds or notes authorized by the provisions of Act 342, Public Acts of 1939, as amended, and to that end is authorized to make and execute contracts, agreements or other documents relating thereto as authorized by the provisions of said Act: Provided, However, that before any bonds or notes are issued or sold, the proceedings authorizing the issuance or sale shall be formally approved by resolution or ordinance of the Board of Supervisors of Wayne County in manner provided by said Act."

and WHEREAS, it is immediately necessary for the public health that a new sanitary sewer and appurtenances be constructed to service the portion of the CITY within the Huron Park Subdivisions, said sanitary sewer and appurtenances being necessary to eliminate an existing sewer and lift stations within said portion of the CITY. Said project will consist generally of approximately 2,740 lineal feet of 15" sanitary sewer, approximately 2,250 lineal feet of 4" house lead replacements, manholes, wyes, and other work incidental to said project and the abandonment of the lift stations. A blueprint plan showing said sewer improvements is on file in the offices of the BOARD; and

WHEREAS, the BOARD has caused preliminary plans and estimate of cost of said proposed sewer improvements to be prepared by Brender and Brender,

Inc., consulting engineers of Wayne, Michigan (hereinafter in this contract called "consulting engineers"), which said estimate of cost is in the sum of Two Hundred Seventy-five Thousand (\$275,000.00) Dollars (which said estimate of cost is hereinafter referred to in this contract as "estimated cost"); and

WHEREAS, said sewer improvements constitute and will be additions to the County System, and it is the determination and judgment of the BOARD and the CITY that said new sanitary sewer improvements should be financed and constructed pursuant to the authorization provided in Act 342 and Ordinance No. 200, hereinafter referred to, all of said new sewer improvements being vitally necessary to preserve and protect the public health; and

WHEREAS, the execution of this contract has been authorized by resolution of the City Council of the City adopted on January 19, 1970, which said resolution has been published in a newspaper of general circulation in the CITY, and more than thirty (30) days have elapsed since such publication and no petition for referendum concerning said resolution or this contract has been filed with the City Clerk of said CITY;

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows:

1. The BOARD and the CITY hereby approve and confirm the sewer improvements to be acquired and constructed as set forth in the preamble to this contract, and agree that the same shall be acquired and constructed in the manner provided by and pursuant to this contract. The BOARD and the CITY further hereby approve and confirm the preliminary plans for said sewer improvements, prepared by the consulting engineers, and the estimated cost as set forth in the preamble hereto. The acquisition and construction of the sewer improvements herein approved are hereinafter in this contract referred to as PROJECT TO BE FINANCED.

2. The PROJECT TO BE FINANCED and the estimated cost thereof in the sum of Two Hundred Seventy-five Thousand (\$275,000.00) Dollars, as set forth in the preamble to this contract, include all surveys, plans, specifications, acquisition of property for rights-of-way, including consequential and abutment damages, if any, and interest on awards, physical construction necessary to acquire and construct the sewer improvements approved and confirmed in Section 1 of this contract, the acquisition of all materials necessary to acquire and construct said sewer improvements, and engineering supervision, administrative, legal and financing expenses necessary in connection with the acquisition and construction of said sewer improvements and the financing thereof.

3. The BOARD will acquire and construct the sewer improvements approved and confirmed in Section 1 of this contract and for that purpose will take bids for the acquisition and construction of the improvements prior to the time that any bonds are issued for the purpose of financing the cost of said improvements. The BOARD shall in no event enter into any final contract or contracts for the construction and acquisition of said improvements where such contract price or prices will be such as to cause the actual total cost of the PROJECT TO BE FINANCED to exceed the estimated cost, as set forth in the preamble to this contract, unless the CITY, by resolution of its City Council, approves said increased total cost and agrees to pay the excess over the estimated cost, either in cash, or by specifically authorizing the maximum principal amount of bonds to be issued as provided in Sections 6 and 7 of this contract, to be increased to an amount which will provide sufficient funds to meet said increased total cost, and a similar increase in the installment obligations of the CITY pledged under the terms of this contract to the payment of such bonds. The sewer improvements shall be acquired and constructed by the BOARD in accordance with the plans and specifications therefor based on preliminary plans approved by this contract: Provided, However, that minor variations from said plans and specifications may be made without the approval of the CITY if such variations shall not materially affect said plans and specifications. All matters relating to engineering plans and specifications, together with the making and letting of final construction contracts as well as inspection, construction supervision, and approval of work and materials, for the sewer improvements specified in Section 1 of this contract, shall be in the exclusive control of the BOARD. All acquisition of rights-of-way shall be done by the CITY.

4. The CITY consents to the use by the BOARD, acting for and on behalf of the County of Wayne, of the public streets, alleys, lands and rights-of-way in the CITY for the purpose of constructing, operating and maintaining said sewer improvements, and any enlargements or extensions thereto.

5. Upon completion of the sewer improvements specified in the preamble and approved in Section 1 of this contract, the CITY shall operate and maintain said improvements, for and on behalf of the BOARD, at its sole expense. The sanitary sewage collected by said sewers will be transported through the interceptors of the County of Wayne that are a part of the Downriver Sewage Disposal System, and disposed of and treated through the treatment facilities of the Wyandotte Sewage Treatment Plant of the County of Wayne. The CITY is obliged by contract to pay the sewage disposal rate established for said service from time to time by the Board of Public Works of the County of Wayne. By reason thereof no charge for such service shall be established by the BOARD, and the sole obligation of the CITY in such respect is to pay the sewage disposal rate as established from time to time by the Board of Public Works or its successor.

6. To carry out and accomplish the PROJECT TO BE FINANCED, in accordance with the provisions of Act 342, Public Acts of Michigan, 1939, as amended, the BOARD shall take the following steps:

(a) The BOARD shall immediately take all steps necessary to take bids for and enter into and execute final construction contracts for the acquisition and construction of the sewer improvements specified in the preamble and approved in Section 1 of this contract in accordance with the plans and specifications therefor based on the preliminary plans as approved by this contract. Said final construction contracts shall specify a completion date of the sewer improvements.

(b) The BOARD will require and procure from the contractor or contractors undertaking the actual construction and acquisition of the sewer improvements, necessary and proper bonds to guarantee the performance of the contract or contracts, and such labor and material bonds as may be required by law, in such amount and such forms as may be approved by the BOARD.

(c) THE BOARD will submit to the Board of Supervisors of the County of Wayne, an ordinance or resolution, providing for the issuance of bonds in the aggregate principal amount of \$275,000.00, said bonds to mature serially, as authorized by law, and to be issued in anticipation of the installment payments to be made by the CITY as

hereinafter provided in this contract, and to be secured primarily by the contractual obligation of the CITY to pay the installments due, plus interest, as hereinafter provided in this contract, and secondarily, if approved by a majority of the members-elect of the Board of Supervisors, by the full faith and credit of the County of Wayne. After due adoption of the bond ordinance or resolution, the BOARD will take all necessary legal procedures and steps necessary to effectuate the sale and delivery of said bonds.

(d) The BOARD, upon receipt of the proceeds of sale of the bonds, will comply with all provisions and requirements provided for in the ordinance or resolution authorizing issuance of the bonds and this contract relative to the disposition and use of the proceeds of sale of the bonds.

7. The cost of the sewer improvements, referred to in the preamble to this contract, shall be charged to and paid by the CITY to the BOARD in the manner and at the times herein set forth. The said cost thereof (presently estimated at Two Hundred Seventy-five Thousand (\$275,000.00) Dollars shall be paid to the BOARD, as the agency of the County, in nineteen (19) annual principal installments, plus interest and other expenses as hereinafter provided. The principal installments shall be as specified in Exhibit A (or any revision thereof made pursuant to paragraphs 8 or 9 of this contract) attached to this contract and made a part hereof by reference.

It is understood and agreed that the bonds of the County hereinafter referred to will be issued, in anticipation of the payment of the annual installments herein provided, and as set forth in Exhibit A, with principal maturities on November 1st of each year, commencing with the year 1970, equal to the principal amount of the annual installments due on the preceding October 1st of such year, and bearing interest at the rate or rates determined on public sale thereof, payable on November 1st and May 1st of each year.

It is further understood and agreed that the CITY shall also pay to the BOARD, as the agency of the County, in addition to the principal installments as specified in Exhibit A, on October 1st and April 1st of each year, commencing April 1, 1970, as accrued interest on the principal installments remaining unpaid, an amount sufficient to pay all interest due on the next succeeding interest payment date (May 1st and November 1st, respectively), on said County bonds from time to time outstanding. From time to time as the BOARD is billed by the paying agent or agents for the County bonds to be issued for their services as paying agent, or registering bonds, and as other costs and expenses accrue to the BOARD from handling of the payments made by the CITY, the BOARD shall notify the CITY of the amount of such paying agency fees and other costs and expenses, and the CITY shall, within thirty (30) days from such notification, remit to the BOARD sufficient funds to meet such paying agency fees and other costs and expenses.

The BOARD shall, within thirty (30) days after the delivery of the County bonds hereinafter referred to, furnish the CITY with a complete schedule of said installments, and the interest thereon due on the dates above set forth, and shall also, at least thirty (30) days prior to the due date of any such installment of principal and interest, or interest, advise the CITY, in writing, of the exact amount due on said date. The failure to give such notice shall not, however, excuse the CITY from making its required payments when due under the provisions hereof.

If any installment payment as herein provided is not paid when due, the amount so not paid shall be subject to a penalty, in addition to interest, of one-half of one per cent (1/2 of 1%) thereof for each month or fraction thereof that the same remains unpaid after the due date.

8. If the proceeds of the sale of the original County bonds authorized by this contract are for any reason insufficient to complete the acquisition and construction of the PROJECT TO BE FINANCED in accordance with the plans and specifications therefor, the BOARD shall, if necessary, submit to the Board of Supervisors of Wayne County a resolution provided for the issuance and sale of additional County bonds in an amount necessary to provide sufficient funds to complete the PROJECT TO BE FINANCED, in which event the duties and obligations of the BOARD and the CITY as expressed and set forth in this contract shall be applicable to such additional issue of bonds as well as the original issue, it being at all times fully recognized and agreed that the payments to be made by the CITY in the manner specified in paragraph 7 of this contract shall be based upon the cost of the PROJECT TO BE FINANCED. Any such additional bonds shall mature serially on November 1st, and the payment installment maturing on the October 1st preceding said November 1st, as shown by Exhibit A, shall be increased by the principal amount of such additional bonds maturing on said November 1st. All the provisions of paragraph 7 of this contract shall be applicable to said increased amounts. Immediately upon the issuance of such additional bonds, the BOARD shall furnish and supply the CITY a document entitled "Revised Exhibit A" specifying the new schedule of installments, increased as herein authorized, which shall be substituted and take the place of the present Exhibit A and the installments therein specified.

9. In the event, by reason of favorable construction bids received, Federal or State grants, or for any other reason, it is not necessary to issue the County bonds in the full amount of \$275,000.00 based upon the present estimated cost, but such bonds are authorized and issued in such lesser principal amount as may be necessary to pay the cost of the PROJECT TO BE FINANCED, the installment payments of the CITY, as provided in paragraph 7 and Exhibit A of this contract, shall be reduced proportionately so that the installment payment due on October 1st of each year shall correspond to the principal amount of bonds maturing on the next succeeding November 1st. All the provisions of paragraph 7 of this contract shall be applicable to said reduced installments, the same as though such installments were originally in said reduced amounts. In such event the BOARD shall furnish and supply the CITY a new "Exhibit A" specifying the new schedule of installments, reduced as herein authorized, which shall be substituted and take the place of the present Exhibit A and the installments therein specified.

It is fully understood and agreed by the BOARD and the CITY that the principal amount of the annual installments, as specified in Exhibit A and due on October 1st of each year, shall at all times correspond to the principal amount of the bonds due on the following November 1st.

10. The CITY, pursuant to the authorization of Section 5a of Act 342, Public Acts of Michigan, 1939, as amended, irrevocably pledges its full faith and credit for the prompt and timely payment of its obligations expressed in this contract and, except as hereafter provided, shall each year, commencing with the year 1970, levy an ad valorem tax on all the taxable property in the CITY in an amount which, taking into

consideration estimated delinquencies in tax collections, will be sufficient to pay its obligations under this contract becoming due before the time of the following year's tax collections. Such annual levies, by virtue of the authorization of Section 6, Article IX, of the Michigan Constitution of 1963, shall be without limitation as to rate or amount, being for the purpose of providing funds to meet the contractual obligations of the CITY, in anticipation of which the County bonds, hereinafter referred to, are issued. Nothing herein contained shall be construed to prevent the CITY from using any, or any combination of, the means and methods provided in Section 5a of said Act 342, Public Acts of Michigan, 1939, as now or hereafter amended, for the purpose of providing funds to meet its obligations under this contract, and if, at the time of making the annual tax levy there shall be other funds on hand earmarked and set aside for the payment of the contractual obligations due prior to the next tax collection period, then no tax levy need be made for such year.

11. The CITY may pay in advance any of the payments required to be made by this contract, in which event the BOARD shall credit the CITY with such advance payment on future due payments to the extent of such advance payment.

12. The CITY may pay additional moneys over and above any of the payments specified in this contract with the written request that said additional funds be used to call bonds for redemption prior to maturity, in which event the BOARD shall be obligated to apply and use said moneys for such purpose. Such moneys shall not then be credited as advance payments under the provisions of Section 11 of this contract.

13. In the event the CITY shall fail for any reason to pay to the BOARD at the times specified, the amounts required to be paid by the provisions of this contract, the BOARD shall immediately notify, in writing, both the County Treasurer of the County of Wayne and the City Treasurer of such default and the amount thereof, and if such default is not corrected within ten (10) days after such notification, the County Treasurer or other official charged with disbursement to the CITY of funds derived from the State sales tax levy under the law, and payable to the CITY pursuant to Section 10, Article IX, of the Michigan Constitution of 1963, is by these presents specifically authorized by the CITY to withhold funds to the maximum amount necessary to cure said deficit, derived from such sales tax levy and returnable to the CITY, and to pay said sums so withheld to the BOARD to apply on the obligations of the CITY as herein set forth. Any such moneys so withheld and paid shall be considered to have been returned to the CITY within the meaning of the Michigan Constitution of 1963, the purpose of this provision being solely to voluntarily authorize the use of said funds owing to the CITY to meet past due obligations of the CITY due under the provisions of this contract. In addition to the foregoing, the BOARD shall have all other rights and remedies provided by law to enforce the obligation of the CITY to make its payments in the manner and at the times required by this contract.

14. It is specifically recognized by the CITY that the payments required to be made by it pursuant to the terms of Section 7 of this contract are to be pledged for and used to pay the principal of and interest on the bonds to be issued by the County, as provided by this contract and authorized by law, and the CITY covenants and agrees that it will make its required payments to the BOARD promptly and at the times herein specified, without regard to whether the PROJECT TO BE FINANCED is actually completed or placed in operation.

15. Nothing herein contained shall in any way be construed to prevent additional financing under the provisions of Act 342, Public Acts of Michigan, 1939, as amended, or any other law, for the purpose of constructing all or any portion of additional necessary sanitary sewer improvements.

16. After completion of the PROJECT TO BE FINANCED and payment of all costs thereof, any surplus remaining from the proceeds of sale of bonds shall be used by the BOARD for either of the following purposes at the option of, and upon request made by resolution of, the City Council of the CITY, to wit: (a) for additional sewer and sewage disposal facilities in the CITY, subject to approval of the BOARD, or (b) credited by the BOARD towards the next payments due the BOARD by the CITY hereunder.

17. All contracts for connection to the sewer improvements, whether such connections are made during construction or after the sewer improvements are placed in operation, shall be made by the CITY. The actual costs of such connections shall be paid by the CITY except to the extent that the costs of such connections are included in the cost of the PROJECT TO BE FINANCED.

18. The obligations and undertakings of each of the parties to this contract shall be conditioned on the successful issuance and sale of bonds pursuant to Act 342, Public Acts of Michigan, 1939, as amended, and, if for any reason whatsoever said bonds are not issued and sold within two years from the date of this contract, this contract, except for payment of preliminary expenses and ownership of engineering data, shall be considered void and of no force and effect. In the event that said bonds are not issued and sold, all preliminary legal and engineering costs shall be paid by the CITY, and the CITY shall have ownership, possession and use of all plans and specifications, surveys and other engineering data and materials prepared.

19. The sewer improvements acquired and constructed in accordance with the provisions of this contract shall be a part of the County System. The CITY shall at all times maintain the sewer improvements to be acquired and constructed hereunder at its own expense for and on behalf of the BOARD. If at any time during the term of this contract the CITY refuses or neglects to properly repair or maintain any of the facilities required to be maintained by it hereunder, the BOARD shall in writing order the CITY to perform all necessary items of repair and maintenance and, in case of non-compliance with such order within thirty (30) days, the BOARD may proceed with such work and the CITY agrees to reimburse the BOARD for any expenses incurred thereby.

20. The BOARD and the CITY each recognize that the holders from time to time of the bonds issued by the County under the provisions of Section 5c of Act 342, Public Acts of Michigan, 1939, as amended, to finance the cost of the PROJECT TO BE FINANCED, will have contractual rights in this contract and it is, therefore, covenanted and agreed by each of them that so long as any of said bonds shall remain outstanding and unpaid, the provisions of this contract shall not be subject to any alteration or revision which would in any manner materially affect either the security of the bonds or the prompt payment of principal or interest thereon. The CITY and the BOARD further covenant and agree that they will each comply with their respective duties and obligations under the terms of this contract promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way

# Rebekah, Galaxy Lodges Hold Installation

**BELLEVILLE**—Approximately 100 members and friends braved the inclement winter elements and turned out to attend the 75th Installation of Officers of Astral Rebekah Lodge 250, and the Installation of officers of the Galaxy Lodge No. 384. I.O.O.F. of Belleville. The joint installation was held on Jan. 17.

Several dignitaries of the Order were present. Among them was Brother Arthur Murray, of Port Huron. He is the Grand Master of the Grand Lodge of Michigan. He was accompanied by his wife, who is a member of the Rebekah Degree.

Another distinguished guest present was Brother Walter Wolfram and his wife of Plymouth. He is District Deputy Grand Master of District No. 7. I.O.O.F. of Michigan.

The ceremonies began with the Rev. J. Charles Dibley, pastor of the First Methodist Church of Belleville, giving the invocation, followed by the presentation of the flag of our country, and all repeating the pledge of allegiance to the flag.

I.O.O.F. District No. 7 Installation staff, under the guidance of the Captain Earl Gray of Plymouth, conducted the ceremony. This installation staff, consisting of 16 members, eight men, and eight women with several members from Belleville. They are as follows:

Mr. and Mrs. James Goble, Mr. and Mrs. Albert Mida, Mrs. Effie Kerbyson, and Adrian Wright. They have officiated at 25 Installations this year already, and still have more to go.

Dean Sanford of Plymouth was the soloist for the

evening, and, with his "wonderful" baritone voice, rendered four solos, at different intervals of the ceremony.

The first was after the Installation of the Noble Grands, when he sang,

"Climb Every Mountain". The second was after the Installation of the Vice Grands, when he rendered, "Face to Face". The third, was at the completion of installing the last Officer, when he sang, "The Stranger of Galilee."

The last and most inspiring was when the drill team displayed considerable skill with their split second timing in making various formations. They were given a well deserved round of applause.

One highlight of the evening was when the Junior Past Noble Grand, Brother Everett W. Meggitt, was presented with his Past Noble Grand certificate and jewel. It was presented by the Grand Master of the Grand Lodge, Brother Murray. Sister Helen Natelli was also presented with her Past Grand's certificate, and pin.

Little Gary Sherritt and Wendy Mida, acted as color bearers, and for doing such an outstanding job, were each given a nice gift.

Many gifts were exchanged as a token of appreciation of a job well done, and a few remarks were made by the Grand Master.

He congratulated the two Lodges for having such a nice Installation, and said that one way to describe Oddfellowship was "A happy dedication to an unselfish way of life," that their object is, to aid the sick, relieve distress, bury the dead, help the widow, and to educate the orphan. What better objective can one aspire to, in aiding humanity?

Both Brother Meggitt and Sister Natelli were congratulated on serving for the past year. It was the wish of all present that Brother Herbert Mida and Sister Vera Mida, the newly installed Noble Grands, receive the same co-operation and achieve as much success, in 1970, as was accomplished in 1969.

Rev. Dibley gave the benediction, the flag was retired, and all sat down to a sumptuous smorgasbord lunch, the tables were very attractive, decorated with candles and flowers.

Thus came to a close, the 75th Annual Installation for the Rebekah's, and the 84th for Galaxy.

The Grand Master recognized three life members who belong to Galaxy Lodge, and were present for the evening, they were, Darryl Raymond Sr., Ernest Young, and Albert Mida, all residents of Belleville.

The Officers who were installed for the year 1970 are as follows:

Galaxy 384: Noble Grand, Herbert Mida; Vice Grand, George M. Wells; Recording Secretary, Ray Mida; Treasurer, Frank Reinhackel; Financial Secretary, Frank Reinhackel; and Warden, William Mallion.

Others were: Conductor, Robert Hale; Right Supporter Noble Grand, Russel Price; Left Supporter Noble Grand, Adrian Wright; Right Supporter Vice Grand, Arthur Bunnell; Left Supporter Vice Grand, Willis Mishier; Inside Guardian, Ernest Young; Outside Guardian, Ronald Bogran; Chaplain, Charles Wade and Junior Past Noble Grand, Everett Meggitt.

Astral Rebekah Lodge 250 installed to the same positions the following: Vera Mida, Olive Caswell, Mildred Hawley, Bedia Woods, Juanita Akers.

Others were Myrtle Goble, Effie Kerbyson, Caroline Sherwood, Hazel Miller, Cora Bradshaw, Ruth Ann Knyaz, Anna Mary Meggitt, Lena Mida, Helen Natelli and Olive Caswell.

## A Wasted Effort

Several months ago, a large West Coast brewery launched a cleanup project of near monumental proportions. It organized litter removal squads and set them to work picking up all the trash along one of the scenic highways stretching from Portland, Oregon, to the Pacific Coast, some 70 or 80 miles away.

Arrangements were made for fleets of trucks to haul off the garbage as it was gathered from the road and adjacent right-of-way. Tons and tons of unsightly trash were removed, and one of the state's scenic highways was restored to its original beauty. But what happened? Drive along this highway today, and you will find the same old dreary isle of trash and garbage — cartons of pop and beer cans, paper plates, half-eaten sandwiches and all the refuse of a slovenly people.

\*\*\*

WHEN WE talk about improving the environment, one cannot help wondering just what we mean.

To what avail is clean air or water to people who have no sense of personal responsibility toward holding up their end of the job of keeping our earth a fit place on which to live.

Cleaning up a highway was a good publicity stunt for a beer company. But, it appears to have been a wasted effort in a country whose people seem to want to delegate all responsibility for preserving the environment to government, industry and the other fellow.

## Mt. Pleasant PTA

### Reports on Meeting

**ROMULUS**—The Mt. Pleasant School's P.T.A. had their first meeting of the new year. At the conclusion of the recent meeting, an adult sex educational film was shown. Approximately 30 people were present. P.T.A. leaders wish more could have attended.

On Feb. 10, there will be another film presented. This film will reveal information on cancer.

The March of Dimes Drive needs marching mothers badly. If you live in the Mt. Pleasant area and wish to help, contact Mrs. Rosemary Sharkany, 941-1916.

on sale, you will be notified at the time of sale.

Everyone is welcome to visit our membership meetings.

**A PHYSICAL RECREATIONAL** program is in process of being organized for Elementary students. Recreation time will be each Wed., 3:30 p.m. - 5 p.m. under adult guidance, providing parents are willing to help.

Information will be sent home with students in the future. If you and your child are interested, call project chairman Mrs. Mary Pocz, 941-4643.

If your child is interested, please complete the information form and return it to the school.

Flowers were sent to Baum Funeral Home in behalf of Tom Gibbs.

The P.T.A. would like to offer their condolences to Diane and family. Diane was last year's publicity chairman of the P.T.A.

Mrs. Green, one of Mt. Pleasant's custodians also received flowers during her stay in the hospital. Everybody wishes her a speedy recovery.

Sweat shirts will soon be

## Schedule Curriculum Meet

**BELLEVILLE**—The Belleville Junior High and Senior High Schools will hold a joint curriculum meeting at the Junior High School tonight at 7:30 p.m.

The Belleville Junior High is located at 45201 Owen near Sumpter Road.

## CITY OF BELLEVILLE WAYNE COUNTY METROPOLITAN SEWERAGE AND SEWAGE DISPOSAL SYSTEM CONTRACT

impair the said bonds, the security therefor, or the prompt payment of principal and interest thereon. It is hereby declared that the terms of this contract, insofar as they pertain to the security of any such bonds, shall be deemed to be for the benefit of the holders of said bonds.

21. This contract shall remain in full force and effect for a period of forty (40) years from the date hereof, or until such lesser time as the bonds issued by the County are paid in full. At such time within said forty-year term as all of said bonds are paid, this contract may be altered or changed by consent of the parties hereto or may be terminated by such consent. In any event the obligation of the CITY to make the payments required by Section 7 of this contract shall be terminated at such time as all of said bonds are paid in full.

22. The CITY shall defend, indemnify and save harmless the BOARD from and against any and all claims of any nature whatsoever, including damage to property of the BOARD or injury to or death of employees or agents of the BOARD, arising out of the construction, operation and/or maintenance of the PROJECT TO BE FINANCED.

23. The resolution of the City Council adopted March 17, 1969, approving and ordering publication of said resolution and previous contract between the parties hereto covering the same project is hereby cancelled and rescinded, the contract therein set forth being based upon a then estimated cost of the project of \$200,000.00 which estimate has since been increased to the \$275,000.00 provided in this contract as a result of construction bids received. Said contract is cancelled and rescinded, being superseded by the provisions of this contract.

24. This contract shall inure to the benefit of and be binding upon the respective parties hereto, their successors and assigns.

IN WITNESS WHEREOF, the parties hereto have caused this contract to be executed this ..... day of ..... 1970.

In the presence of:

**BOARD OF COUNTY ROAD  
COMMISSIONERS OF THE COUNTY  
OF WAYNE, Michigan**

By  
Chairman  
By Vice-Chairman  
By  
Commissioner

**CITY OF BELLEVILLE**

By  
Mayor  
By  
City Clerk

## EXHIBIT A

Principal amount of \$275,000.00 to be paid by CITY to the BOARD in annual installments on October 1st in the years and in principal amounts as follows:

Year	Principal Amount	Year	Principal Amount
Due 1970	\$ 5,000	1980	\$15,000
1971	5,000	1981	15,000
1972	5,000	1982	15,000
1973	10,000	1983	20,000
1974	10,000	1984	20,000
1975	15,000	1985	20,000
1976	15,000	1986	20,000
1977	15,000	1987	20,000
1978	15,000	1988	20,000
1979	15,000		

The CITY shall also pay to the BOARD interest on the principal installments unpaid at the rates and at the times specified in paragraph 7 of the contract.

5. A copy of this resolution shall be published in the Belleville Enterprise of Belleville, Michigan, within ten (10) days from the adoption of this resolution.

6. The Mayor and the City Clerk of the City of Belleville are authorized to execute the contract approved by this resolution upon the expiration of thirty (30) days from the date of publication of this resolution; unless, under the provisions of Section 5b of Act 342, Public Acts of Michigan, 1939, as amended, said execution is stayed by reason of the necessity of prior approval of said contract by the qualified electors of the City.

7. All resolutions and parts of resolutions insofar as the same may conflict with the provisions of this resolution be and the same hereby are rescinded. The previous resolution of the City Council relating to contract for the same project adopted March 17, 1969, is hereby rescinded and repealed.

# Once you have the facts, you'll open a Security Time Savings Account!

## Security Time Savings

**SECURITY BANK & TRUST**

MEMBER FDIC

MEMBER F.D.I.C.

**Earn 5% annual interest, compounded continuously!**

**QUESTION 1: Is there a difference in interest rates?**

**Answer:** No, but there is a difference in the way interest is computed. Our interest rate on time savings accounts, like everyone else's, is 5%. However, ours is compounded continuously! This means that your money is working for you, every minute of every day.

**QUESTION 2: How much money do I need to open a Security Time Savings Account?**

**Answer:** Unlike some time savings plans, \$1,000.00 is all it takes!

**QUESTION 3: How much money must I deposit in order to add to my account?**

**Answer:** You may deposit \$50 or more in your account, at any time. This is the lowest minimum deposit requirement available in the area!

**QUESTION 4: Do you offer a periodic statement?**

**Answer:** We feel it's important for you to know what your money is doing. As a result, at the end of each calendar quarter, you'll receive a statement that shows transactions made and interest earned. At the end of the year, we'll send you a special statement, for tax purposes.

**QUESTION 5: What about withdrawals?**

**Answer:** You'll be able to withdraw savings that have been on deposit for a full calendar quarter, during the first 10 days of each succeeding quarter, without notice, or at any time with 90 days advance (the minimum legal requirement) written notice. You'll earn maximum interest until the day of withdrawal.

**QUESTION 6: What can I do with interest earned?**

**Answer:** We'll be happy to credit interest to your Security Time Savings Account, another account, or mail you a quarterly check. The choice is yours.

**QUESTION 7: What about a passbook?**

**Answer:** You will receive a handy passbook-type folder in which to keep all of your records.

There you have it . . . seven good reasons for opening a Security Time Savings Account. No bank pays more, but one does more!

**When it comes to banking,  
Security is all you need!**

**SECURITY BANK & TRUST**

**HEAD COUNTY BOARD**—Albert J. Zak (right) and James DeSana exchange congratulations upon being elected Chairman and Vice Chairman, respectively, of the Wayne County Board of Supervisors. Neither had any opposition. Zak received 20 votes Jan. 5 in being re-elected for his second one-year term as chairman - a gain of six votes over his selection to head the 26-member board a year ago. DeSana won the newly-created vice chairmanship with 21 votes after a late-arriving supervisor joined the meeting. Zak praised the first elected Board of Supervisors for writing an "enviable" record in its first year in office. Zak and DeSana are both Democrats. Zak represents the 8th Supervisor's District which encompasses Hamtramck and a portion of Detroit. DeSana's District 23 takes in Wyandotte and the entire downriver area south of Wyandotte, plus Huron Township.

# Easter Seal Campaign Seeks Help

**INKSTER**—The Easter Seal Society for Crippled Children and Adults of Western Wayne County is seeking volunteers for all the varied clerical tasks necessary to the annual appeal for funds to support its local service program. These volunteers will join hundreds of others who are helping to bring a variety of services to their handicapped neighbors in this area.

More than 200 individuals were directly involved in personal service at the Easter Seal Center near Middlebelt and Michigan in Inkster over the Christmas holidays while several hundreds more worked on service projects behind the scenes.

The annual Easter Seal Campaign, which opens February 23 and reaches its climax on March 29, Easter Sunday, provides a foundation for year-round direct services to those for whom research into causes of disability and advances in techniques of prevention come too late.

The core of these services is a helping hand to handicapped

individuals and their families who are seeking specific help but who find it easy to get lost among the many services offered in the metropolitan area.

The Easter Seal Society itself does not duplicate what is available from other

agencies supported by Torch Drive funds or from taxes. However, when a needed service is not available, the Society tries to fill the gap, limited only by the resources made available during the Easter Seal Appeal or by individuals or groups at other times throughout the year.

During the year 659 individuals received 1192 services from the local Society which is an affiliate of the Michigan and National Easter Seal Societies.

These services included year-round clubs for teen-agers and adults; occupational therapy groups, assistance

with special equipment such as wheelchairs or walkers either by loan or by purchase as prescribed by a physician; help with part of the costs for special treatment such as speech therapy and a general concern for all those with handicaps who are striving to find their place.

## Sheriff Thwarts Convict's Practices

**DETROIT**—Wayne County Sheriff William Lucas announced today that a Special Services Bureau recently created to investigate crimes within the Sheriff Department, Jail Division, had

obtained the first sodomy convictions in the history of the County Jail.

The Sheriff's Special Services Bureau formed in cooperation with the Wayne County Board of Supervisors

in an effort to reduce physical assaults among inmates within the jail, and to further strengthen security against any attempted jail break.

Sheriff Lucas stated, "The safety of those men and

women incarcerated at the Wayne County Jail is of great concern to me and the members of my staff. We will make every effort to see that the physical welfare of these people is guarded."

## Skating Rules Needed, Council Says

The Greater Detroit Safety Council, a chapter of the National Safety Council, says that it is possible for you to enjoy winter sports and not get injured - if you follow a few common sense rules.

By making sure you are in good health and take proper exercises, chances are you'll wind up the active winter season without so much as a sprained ankle.

Drowning by falling through the ice is the biggest peril for skaters, warns the Greater Detroit Safety Council.

"Be sure the ice is solid, not less than three inches thick, and not mushy or 'sun-rotten'," says Gerald E. Montgomery, Council Executive Director.

Beginners should stay apart from skilled skaters, and speed-skating in crowds should be avoided, says Montgomery.

Montgomery also suggests that you stay away from clusters of skaters who can weaken the ice, mark danger zones plainly, and advise others of known hazards.

"In addition the recent attempted jail break from the fifth floor maximum security which was discovered and thwarted is an example of the work of this Bureau", Sheriff Lucas added.

He said there are presently thirteen additional cases pending before Records Court that have been prepared by the men of his Special Services Bureau. These cases involve attempted jail break, assault, and narcotics.

## Health Department Offers Care Courses

**WESTLAND**—The Wayne County Department of Health is presenting a Workshop on Restorative Nursing for Nursing Home personnel in the Wayne County area. Six weekly sessions will be held in "N" Building of the Wayne County General Hospital from January 6 through February 17.

Mrs. Marian Stenning, R.N., organized this workshop and arranged to have Miss Helen M. Millen, R.N., Rehabilitation Nursing Consultant for the Kenny-Michigan Rehabilitation Foundation as the instructor.

Thirty-five participants have been attending. Some of the subjects to be covered are skin care, use of equipment, bladder training, activities of daily living, and many others that are essential to meeting the needs of Nursing Home patients.

Miss Millen is a native Detroit. She attended Mercy College and Wayne State University. It was during the early polio epidemics that she became interested in rehabilitation. She has published articles in the nursing journals and is presently working on a book. She travels throughout the

state presenting lessons in restorative nursing.

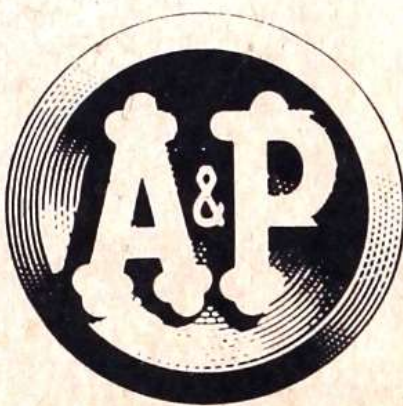

Taking part in the program are, Ardmore Acres, Inc., 19810 Farmington Rd., Livonia; Clark Convalescent Home, 34330 Van Born Rd., Wayne; Dion Nursing Home, 43825 Michigan Avenue, Canton; Dorvin Convalescent and Nursing Center, 29270 Morlock, Livonia; Geriatric Health Center, 28355 Michigan, Inkster; Hendry Convalescent Center, 105 Haggerty Road, Plymouth; Killingbeck Nursing Home, 38410 Cherry Hill, Westland.

Also participating are, Livonia Nursing Center, 28910 Plymouth Rd., Livonia; Middlebelt Nursing Centre, 14900 Middlebelt, Livonia; Nightingale West, 8365 Newburgh, Westland; Westland Nursing Center, 36137 W. Warren, Westland, and Woody's Rest Home, 39000 Chase Road, Romulus.

## Al-Anon Holds Meeting

**DETROIT**—The 10th Annual Rally and Get-Together of Alcoholics Anonymous will be held at 3 p.m. February 15 in the grand ballroom of the Veteran's Memorial Building in Detroit.

The rally is sponsored by Al-Anon, the organization for members of families that include problem drinkers. Anyone who needs help, as an alcoholic, or as a member of the family of an alcoholic is invited to attend.

## Funk & Wagnalls Encyclopedia

We are sure you agree that education is the best way to prepare your family to meet the challenges of tomorrow's world. There is no better way to supplement formal education than to have a good encyclopedia in the home. This is especially true of families with school age children.

The problem has been that quality encyclopedias are usually so expensive that in order to purchase a set, the average family is faced with a serious financial hardship.

### RECOMMENDED FOR HOME AND FAMILY USE

The world famous Funk & Wagnalls Standard Reference Encyclopedia in the new American Presidents Edition is the perfect answer to your family's need... 7,000,000 words, 30,000 subject headings, thousands of pictures, maps, and charts, all in 25 handsome volumes. This quality encyclopedia has been prepared with the help of hundreds of outstanding authorities, including Nobel Prize winners, yet, it is simply and clearly written for use by every member of the family.

The complete review by the Subscription Books Committee of the American Library Association, July 1, 1962 is available on request. Its final paragraph says:

"Because of its wide coverage of information in factual and clearly-written, well-illustrated succinct articles, and because of the convenience of its lightweight yet durable format, Funk & Wagnalls Standard Reference Encyclopedia is recommended for the purpose for which it is intended, that is, as a brief reference set, especially for home and family use."

### NOW AT A PRICE YOU CAN AFFORD

There is no need to spend hundreds of dollars for a quality encyclopedia. Now this famous encyclopedia in 25 fact-filled volumes can be yours for only \$1.89 per volume at all of our stores. Pick up your first try-it volume for the amazing price of just 25¢ with a \$3.00 purchase. Show Volume No. 1 to all of the members of your family. Then complete your set by including a volume or two a week when you do your shopping.

**pick up a volume or two each week**

### OUTSTANDING FEATURES

- 25 Handsome Volumes
- Over 7,000,000 Words
- Over 30,000 Subjects
- Thousands of Illustrations
- Full Color World Atlas
- Gilded Paper Tops
- Comprehensive, Authoritative
- Recommended by Highest Authority Especially for Home and Family Use

**"look it up in your own Funk & Wagnalls!"**

**FOND FAREWELL**—More than 20 years of service to the City of Westland and Nankin Township ended Friday for Mrs. Marian McWilliams, former Westland City Clerk. "I know you didn't come here to see an old woman cry," Mrs. McWilliams told a crowd of more than 100 friends and fellow employees at her retirement party Thursday. "I promised myself I wouldn't cry and I won't." Mrs. McWilliams is the wife of Richard McWilliams, retired captain of the Wayne Police Department.

# Rouge Cools Romulus, 95-62

## Eagles' 2nd League Loss Could Be Fatal

TWIN VALLEY		W	L
Team			
Rouge		2	1
Willow Run		2	1
Romulus		1	2
Ecorse		0	2

The stakes were high for Romulus and Rouge cagers and Rouge played the game to near perfection and cashed in 95-62 to win its second Twin Valley Conference decision Friday night.

The loss for Romulus' Eagles and coach Al Duva all but destroys their hopes of winning the conference championship this season.

The Eagles are 1-2 in the league and will need help from either Ecorse or Willow Run who must defeat Rouge in order to throw the title race into a toss up.

Romulus will have another crack at Rouge on Feb. 20 when the Eagles will be host instead of the victims.

Rouge wasted no time with Coach Duva's Eagles as the Panthers pounced on the visitors 22-12 in the opening quarter. Though Romulus' Nate Davis and Charles Johnnican organized an effective counter-attack offensively, Rouge's balance was just too much.

Rouge stayed ahead 46-35 at halftime and was out of sight 73-46 at the end of the third frame.

Davis, who sank 10 baskets and one free throw for 21 points, was highman for Romulus. Teammate Johnnican supported him with 19 on eight from the field and three foul shots.

Romulus' Frank Nesbit and Don Hallmon chipped in nine points each.

Five of coach Lofton Greene's Panthers managed to make it into double figures.

Malcom Moulton, with 10 buckets and two free throws, was the game's leading scorer. Dwayne Johnson emerged with 19 points while Ken Rousseau had 14. Dick Clark and Marvin Dunson counted 11 points each.

Tuning up for the crucial showdown, Romulus left the conference arena and took on

East Detroit. The Eagles fell short, 69-64, losing out in the last minute.

A see-sawing affair until that decisive final 60 seconds, neither team was able to shake off the other by more than seven points.

East Detroit gained a 19-13 first quarter advantage,

but with Johnnican and Davis finding the range, the Eagles were able to cut the margin to 34-30 at halftime.

The Detroit quintet increased its margin to 56-49 at the end of the third quarter.

The Eagles had a chance to sew up the victory at the free

throw line where they went cold in the second half. For the game Romulus realized 18 of 34 free throws.

Johnnican had one of his best scoring nights as he drilled in 26 points to lead all scorers. Davis finished up with 17 while Hallmon and Roy Szyndlar each had eight.

Romulus will be back in action again Saturday night when the Eagles host Oakland A representative of Troy.

## Belleville '5' Cast In New Role—Spoilers

SUBURBAN SIX		W	L
Team			
Bentley		4	0
Plymouth		3	1
Trenton		2	2
Allen Park		2	2
Redford Union		1	3
Belleville		0	4

Out of the Suburban Six Conference basketball title picture completely, Belleville and coach Allen Gates can now settle back and play the role of "spoiler."

Gates and his Tigers will try to play their new role Friday night when Plymouth, a team that has designs on defending champ, Bentley's crown, will be in town.

Belleville dropped out of the league championship race last week when Trenton rallied to a 77-64 victory over the Tigers. Plymouth, however, knocked off Allen Park, to remain on game off the pace set by Bentley.

The Tigers are still seeking their first league victory.

"We have to play an entire game not a half," said coach Gates, discussing Friday night's encounter and alluding to last week's setback to Trenton. "We played only the first half against Trenton and didn't do much of anything in the last two quarters."

"You can't win ball games like that," he said.

Belleville stayed abreast with the Trojans 14-12 for

ON THE RUN—Fast and flashy Romulus' Nate Davis (above) kept the Eagles going last week as he scored 21 points against Rouge and 17 against nonleague rival, East Detroit. His teammates however, couldn't muster enough scoring power to support him and they fell in both games.

the first eight minutes as Jim Singleton and Mike Garland contributed four points each.

The Tigers continued to exchange baskets on equal terms with their rivals in the next quarter. They outscored the Trojans by a basket to force a 36-all knot at halftime.

Garland, joined by Garrard Pettus and Rick (Continued on 2nd Sports)

## Announce Bus Service For Area Ski Fans

The United Skiers Service, Inc., recently announced it will be providing a regular weekend bus service to Boyne Country which will run through the weekend of March 14-15.

The services began Jan. 9th.

The company is offering a package that includes transportation from Detroit to Boyne Country leaving Friday evening and returning Sunday evening with lodging at motels in the Gaylord area.

By offering this regular service, USS feels it will be able to help the skier get properly introduced to Boyne Country and off on the right foot in learning to ski.

Even avid and experienced Boyne Country skiers who normally travel by car will

appreciate the advantages of leaving the driving to USS.

In addition to the round trip bus to Gaylord, each package includes all necessary transportation on Saturday and Sunday to Boyne Mountain and restaurant facilities as well as lodging both Friday and Saturday nights.

Also, to make things as convenient as possible for anyone who wishes to make the trip, there will be two departure points: The first will be on the west side at

Tom Nichols Ski Shop on Michigan Avenue in Dearborn; the second pickup point is at the Oakland Mall which is at 14 Mile and I-75.

For anyone who is interested in either making reservations or would simply like some additional information, please write: United Skiers Service, Inc., P.O. 941, Dearborn, Michigan 48121.

If you wish to call USS, you may call any time day or night, at 313-278-1711.

## THE SPORTS MERIDIAN

By Tom Mooradian

### Winning Or Losing

Our new executive editor, Basil Stevens, tossed a question at me the other day and I couldn't come up with an immediate answer. He asked: "How are the basketball teams which the Associated Newspapers cover doing overall this season?"

I pondered and replied that that's a big question and a good one since I know we have a lot of winners - and losers - in our area.

Over the weekend I brought out the computer and fed it the pertinent information and it replied with a 55-38 worst loss ratio which is good enough for .690 percentage.

That's a pretty good percentage in any one's books.

The teams involved were Wayne Memorial, Westland John Glenn, Wayne St. Mary's, Garden City East, and West (not necessarily in that order), Livonia Franklin, Robichaud, Inkster, Cherry Hill, Romulus, Belleville, and New Boston Huron.

The area, of course, is indebted to Garden City West (8-0), Cherry Hill (9-1) Inkster (6-1), for keeping the averages up.

Now, if only Livonia Franklin (0-8) and Belleville (1-9) would start winning, we really would have something to brag about.

### Robichaud Wins Big

Speaking of winners, Robichaud's head cage coach, Owen Sudman, had a big one the other day at Riverview. It meant more to the Bulldog chief than just another win.

"This means standing room only in our gym when we play Inkster Friday night," said Sudman. "If we had lost to Riverview I doubt if we would have filled our gym."

"But, now that we are playing Inkster for first place, I know that those seats will be filled Friday."

Filled seats means money in the bank for the Bulldogs who have been plagued with financial woes over the past years. It also means a renewed interest in a team which also had its problems winning its share.

And, you can bet that Inkster coach George Thompson Jr. and his Vikings are worried.

"I told you so," reminisced coach Thompson of his pre-season forecast. "I told you they'd be tough and real title contenders. Robichaud always gives us problems - win or lose - and now that they've something over there, we're going to have to watch our step."

Incidentally, Robichaud cagers have never beaten a George Thompson - coached cage team.

But, be sure, the Bulldogs will be trying their darnest to register a first.

The Gordon Davises were having a party Saturday afternoon when I rudely interrupted them to find out the results of the previous night's game.

Gordon coaches Westland John Glenn's basketball team.

And from the jubilant sounds in the background, I thought that Glenn had pulled an upset over the hot Birmingham Groves squad.

"No, no, nothing as drastic as that," said Mrs. Davis. "We're celebrating the birthdays of our two daughters, Kathy, 7, and Annette, 6."

"Gee, why didn't you invite me?" I asked.

"Oh, you have to be six or seven years old to get an invitation," replied Mrs. Davis.

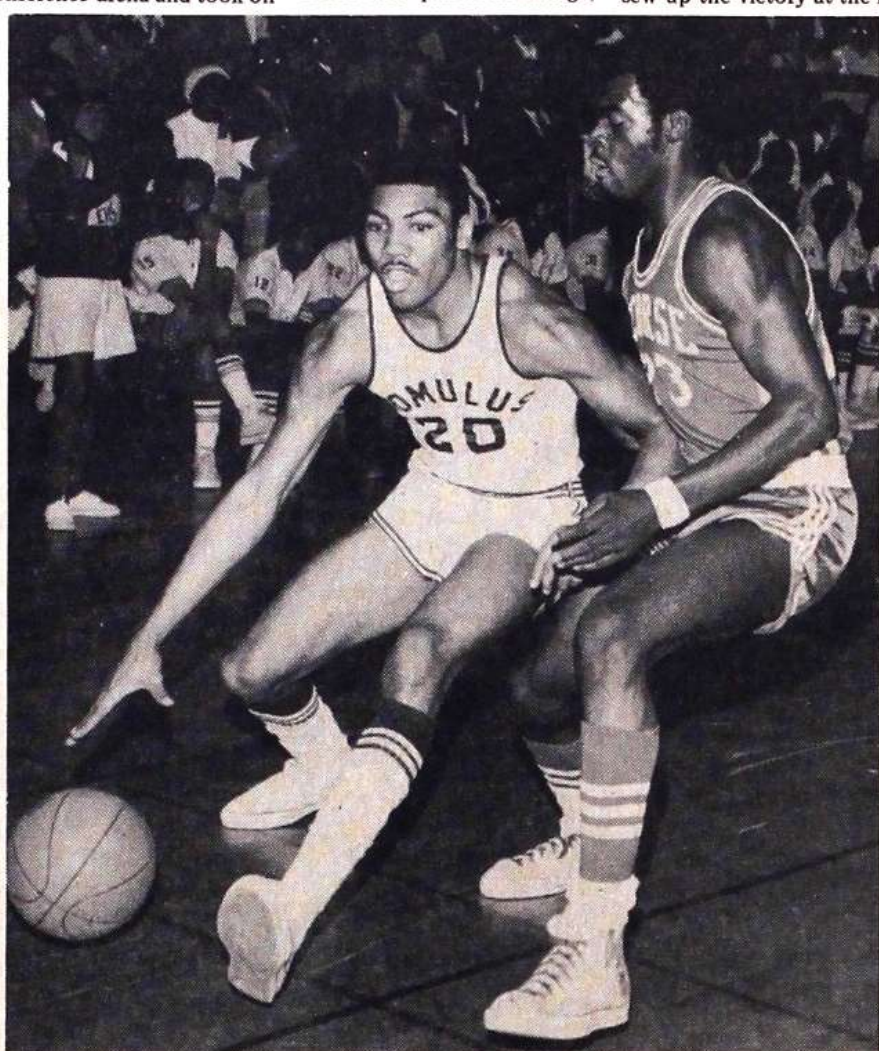

"Wonder how old Mrs. Davis thinks I am?"

\*\*\*

Here's another poem from our poet laureate:

\*\*\*

Whether they're covering East or West,  
Or the Action is North and South,  
The guys who comment on TV games -  
Run 100 percent to Mouth.

COMING ON STRONG—Romulus' rugged senior forward Charles Johnnican (20) looks for some dribbling room in his drive towards the basket. Johnnican poured in 19 points Friday night in a losing effort against undisputed Twin Valley Conference basketball leader, Rouge which turned back the Eagles 95-62.

## Belleville In 1st

A young, enthusiastic Belleville wrestling team, guided by a first year mat coach, Tom Fritz, stunned defending Suburban Six Conference champs, Trenton, 24-21, last week.

Belleville, in its third season with a wrestling program, posted its first victory ever over the Trojans who have enjoyed undisputed supremacy in the league.

It was Trenton's first

league setback since 1966 when Redford Union handed the Trojans a loss.

The victory, Belleville's second in the league, also moved the Tigers into first place with a 2-0 record.

"I'm been floating on a cloud," said coach Fritz after the victory. "I'm just touching down now. I'm proud of these boys. They're just wonderful."

Though Trenton led most of the meet, key victories by Bernie Polzin, Rick Phelps, Mark Pellicchia and Keith Simons led to the Trojan downfall.

Polzin defeated conference champ, Steve Fenton in the 115-pound class, 6-5. The Tiger grappler put Fenton on his back twice in the third period.

A junior who is wrestling his first year of varsity competition, Polzin moved into the ranks of the grapplers to watch in the area.

Belleville trailed 21-11 going into the final three matches when Phelps turned the tide. He pinned Mike Heasley in the 175-pound class, working 2:50 for the five points.

Then, Pellicchia tied up (Continued on 2nd Sports)

## Reaume 1st at Ann Arbor Meet

Romulus' Russell Reaume, who has seen defeat only once in 21 mat outings, this season, pinned his way to the Ann Arbor Wrestling Invitational title on Saturday.

Reaume, wrestling in the 175-pound, floored all three of his opponents. He was on the mats less than 10 minutes.

In the finals, coach Jim Stallings' protege pinned Don Theisen in 1:30 of the first

period to earn the gold medal.

He disposed of Ypsilanti's Steve Jentzen in 3:52 in the semi-finals and turned back John Grayson (Ann Arbor Huron) in 3:23.

Though Reaume emerged with first place honors, his team, however, didn't fare as well. Romulus wound up in sixth place in the eight team invitational.

(Continued on 2nd Sports)

## Foul Shot Chart

Don't look now Inkster, but you've just slipped into second place on the foul-shooting chart! For the first time since the Associated Newspapers have been keeping tabs on the high school cage teams' ability to shoot free throws there's a new leader.

Up on top of the 12-school chart is none other than Wayne Memorial.

High School	Free Throws	Games Played	Average
Wayne Memorial	121 of 187	8	.646
Inkster	102 of 159	7	.641
Huron	195 of 313	7	.623
Cherry Hill	159 of 259	10	.613
GC West	137 of 229	8	.593
John Glenn	111 of 191	9	.581
GC East	144 of 256	10	.562
Robichaud	128 of 231	10	.554
Belleville	134 of 255	9	.525
Franklin	115 of 220	8	.522
St. Mary's	156 of 305	11	.511
Romulus	80 of 164	7	.486

## Meyer Sets 2 Records

Despite two record setting performances by Belleville's Chet Meyer, the Tigers found themselves in deep water against Trenton and dropped their third Suburban Six Conference meet 65-40 last week.

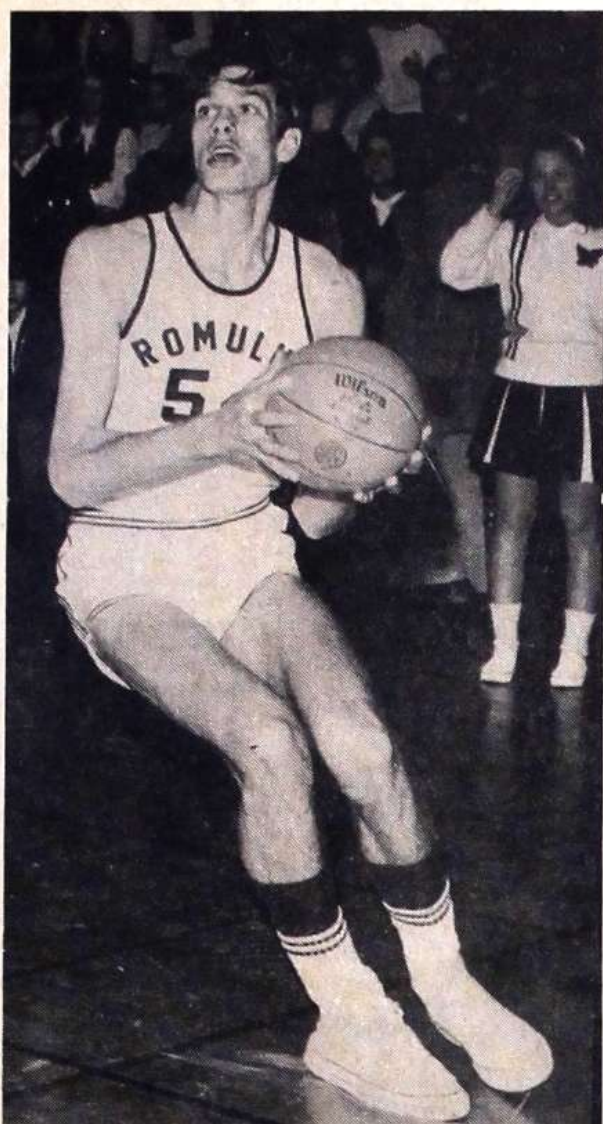

Meyer shattered the varsity record for the 200 yard freestyle event when he pulled up in 1:55. The previous mark also was Meyer's (1:54.0).

The versatile Belleville tanker went on to win the 400 yard freestyle with a 4:14.4 performance which established a new varsity as well as pool mark.

Belleville diver Eric Rice managed to win the only other event when he piled up a total of 204.55 points.

The Tigers swim Plymouth on Thursday and coach Bill Brandell sees another "tough one" lying ahead of his team.

"Though Plymouth doesn't have the super stars as Allen Park and Trenton, they do have a well-balanced team," he said. "Though we didn't swim good or bad against Trenton, we're going to have to improve in order to beat Plymouth."

THE GREAT LEAP-Set to go up toward the rim is Romulus center Roy Szyndlar (with ball) who found the going rough against Rouge Friday night. The Panthers held the 6-7 senior pivotman to four points.

## Belleville In 1st

(Continued from 1st Sports) the score when he floored his 185-pound rival, Larry Kind, at the 2:50 mark.

With the score tied at 21-all, it was up to Belleville heavyweight Keith Simons. He came through with a close 7-6 victory over his counterpart, Nick Rosati.

It appeared, however, that the Tigers were in for a heartbreaker, Jose Garcia,

leading 2-0 against 98-pounder Frank Kish, yielded five points when he was pinned at the 5:38 mark of the third period.

John Smith gave the Tigers their first three points when he outwrestled Kevin Arble 3-0 in the 107 class.

West's Paul Joseph set a new school record for the 50 yard freestyle event when he touched in at 23.6. He also won the 100 yard freestyle with a 54.6 performance.

Jim Webley came up with a 1:01 clocking for his victory in the 100 yard butterfly. Teammate Frank Bernal claimed diving honors with a total of 51 points.

West's medley relay team of Bob Yak, Bill Skinner, Webley and Martin Blaney received credit for the victory when Cherry Hill's foursome was disqualified.

West has another crucial meet this week when it clashes with Crestwood.

### New Role

(Continued from 1st Sports) Mussehl provided the Tigers with the scoring power in that second quarter.

A cold streak hit Belleville's quintet in the third quarter and it carried over into the finale. Gates' boys could manage only 11 buckets in 37 tries and that inevitably led to their downfall.

Jim Grace, who found himself in foul trouble early in the second quarter and was yanked from the game until the last 10 minutes, drilled in 10 of his 20 points in the last quarter to spark Trenton's attack.

Grace got ample support from Dave Cline who drilled in nine of his 19 points in the second quarter.

The Tigers' best was Pettus. The versatile athlete came up with seven baskets and three free throws for 17 points. Also in double figures for Belleville were Garland, with 11, and Singleton, with 10.

At the free throw line, Belleville capitalized on 18 of 28 shots.

## Area's Top Swim Performances

Area swimming coaches are reminded that in order to get performances on this list they are to contact Cherry Hill coach Jerry Pawloski at 941-4399 over the weekend:

Medley Relay  
CHERRY HILL—(Dahlman, Ranval, Pierce and Theodore)—1:52.0.  
FRANKLIN—(Herbert, Brynm, Poole and Burk)—1:55.0.  
BELLEVILLE—(Baird, Mills, Fyre and Coppock)—1:56.0.  
200-Yard Freestyle  
Chet Meyer (B)—1:55.0.  
Brad Susterka (B)—2:03.7.  
John Skinner (GCW)—2:04.0.  
Dave Berean (W)—2:04.0.  
Dave Moellering (JG)—2:04.1.  
50-Yard Freestyle  
Chet Meyer (B)—2:41.1.

Paul Joseph (GCW)—2:41.1.  
Jim Webley (GCW)—2:42.2.  
Tim McCreery (JG)—2:46.6.  
Bob Coppock (B)—2:49.

200-Individual Medley  
Fred Enot (WM)—2:18.0.  
Mike Kotlarz (F)—2:20.8.  
Bob Dahlman (CH)—2:21.7.  
Jim Ackron (B)—2:23.0.

Jim Webley (GCW)—2:24.2.  
Diving  
Eric Rice (B)—68.16  
Ken MacDonnell (GCE)—68.15  
Dan Waugh (WM)—64.65  
Barry Susterka (B)—63.0  
Dave Holloway (JG)—62.0

John Skinner (GCW)—1:03.5.  
Bob Dahlman (CH)—1:03.5.  
Tom Herbert (F)—1:03.7.

400-Yard Freestyle  
Chet Meyer (B)—4:14.4.  
Brad Susterka (B)—4:23.0.  
Dave Berean (WM)—4:33.0.  
Pat Lacroix (CH)—4:35.8.  
Kirk Collin (B)—4:36.0.

100-Yard Breaststroke  
Paul Nicholls (WM)—1:05.6.  
Tim Ranval (CH)—1:08.4.  
Mike Kotlarz (F)—1:08.7.  
Wayne Methner (GCE)—1:09.7.  
Craig DeChene (GCE)—1:09.9.

400-Freestyle Relay  
Belleville—(Meyer, Susterka, Coppock and Stone)—3:38.9.  
Wayne—(Atwood, Enot, Yettaw and Berean)—3:48.1.  
Cherry Hill—(Lemkie, Pierce, Ranval and Theodore)—3:48.7.

## Huron Has Flat Rock On Its Mind

Thanks to Flat Rock, coach Dave Court and his Chiefs can forget about the Huron Conference basketball title this season.

But Court & his Huron Chiefs won't forget about Flat Rock!

"We'll catch them in the district playoffs," said coach Court after Flat Rock handed the Chiefs a title-shattering 76-70 defeat. "They beat us twice and that leaves them all alone in first and us out of the title race, but we're not going to forget about them yet."

Huron, with a 4-3 conference record, would need little less than a miracle to catch up to the league-leading Flat Rock quintet.

Three on-the-buzzer baskets by Flat Rock players told the story. The victors hit long shots in the last seconds of the first, second and fourth quarters and those baskets meant the difference.

After handing an 18-16 midway first quarter lead over the Flat Rock, Huron was forced to battle uphill the rest of the way. Flat Rock was ahead 21-18, 42-36 and 63-50 at the end of each period.

Joe Richert, who hit eight of his nine shots from the floor, wound up with 16 points for Huron. His performance, however, was bettered by Randy Gorham who counted 10 baskets and four free throws for 24 - the game's high.

Also in double figures for the Chiefs were Butch Suemnick, with 17 and center Rick Wasilewski who had 11. Wasilewski, the team's leading scorer and rebounder, finished with his lowest scoring output since donning a Flat Rock starters counted double figures.

"We hope this game will

be a shot in the arm for us," said coach Court afterwards. "I'm not displeased at the way we played. It was a good game all-round."

"Of course, I am disappointed at the outcome," said Court.

### Wrestling For Alma

ALMA—Steve Hampton of Belleville, a 142-pounder, is a member of Alma College's wrestling team.

Wrestling is one of Alma's

newer sports and is in its second year on the mid-Michigan campus.

The Scots, traditionally one of the top Michigan small colleges in intercollegiate athletics, added swimming to the varsity sports card this year.

Hampton, a 1969 graduate of Belleville High School, is the son of Mr. and Mrs. Robert Hampton of 164 Third Street.

# HURON TOWNSHIP ORDINANCE NO. 70-1

AN ORDINANCE ENACTED UNDER ACT 288, PUBLIC ACTS OF 1967, AS AMENDED, OF THE STATE OF MICHIGAN ESTABLISHING THE REGULATION OF LAND; PROVIDING STANDARDS, PROCEDURES AND RULES FOR THE PREPARATION AND FILING OF PLATS, AND TO PROVIDE FOR PRELIMINARY AND FINAL APPROVAL OR REJECTION OF SUCH PLATS BY THE TOWNSHIP OF HURON, WAYNE COUNTY, MICHIGAN; AND IMPOSING PENALTIES FOR THE VIOLATION OF THIS ORDINANCE, AND TO REPEAL ORDINANCE 63-2 AND AMENDMENTS THERETO:

## THE TOWNSHIP OF HURON ORDAINS:

### ARTICLE I

#### TITLE AND PURPOSE

Section 1.01 SHORT TITLE. This Ordinance shall be known and may be designated as the "Huron Township Subdivision Regulation Ordinance."

1.02 PURPOSE. The purpose of this Ordinance is to provide for the orderly growth and harmonious development of the community; to secure adequate traffic circulation through coordinated street systems with relation to major thoroughfares, adjoining subdivisions, and public facilities; to achieve individual property lots of maximum utility and livability; to secure adequate provisions for water supply, drainage and sanitary sewerage, and other health requirements; to secure adequate provisions for recreational areas, school sites and other public facilities and, to provide logical procedures for the achievement of these purposes.

### ARTICLE II

#### DEFINITIONS

Section 2.01 DEFINITIONS. For the purposes of this Ordinance, certain words, terms and phrases shall be defined as follows:

1. All terms as defined in the Subdivision Act shall control in this Ordinance unless indicated to the contrary in this Section 2.01.

2. **BLOCK:** Property abutting one side of a street and lying between the two nearest intersecting streets, or between the nearest such street and railroad right-of-way, unadjoined acreage, river or live stream; or between any of the foregoing and any other barrier to the continuity of development.

3. **COMMISSION:** The Planning Commission of the Township of Huron.

4. **CLERK:** The Township Clerk.

5. **EASEMENT:** A grant by the owner of the use of a strip of land by the public, a corporation, or persons, for specific uses and purposes, to be designated as a "public" or "private" easement depending on the nature of the use.

6. **GOVERNING BODY:** The Township Board of the Township of Huron.

7. **IMPROVEMENTS:** Grading, street surfacing, curb and gutter sidewalks, cross walks, water mains and lines, sanitary sewers, storm sewers, culverts, bridges, utilities, and other additions to the natural state of land which increases its value, utility or habitability.

8. **LOT:** A measured portion of a parcel or tract of land, which is described or fixed in a recorded plat.

9. **MASTER PLAN:** The comprehensive land use plan for the Township of Huron, including graphic and written proposals indicating the general locations recommended for the streets, parks, schools, public buildings, zoning districts and all physical development of the Township of Huron and includes any unit or part of such plan separately adopted, and any amendments to such plan or parts thereof duly adopted by the Planning Commission.

10. **MAJOR STREETS OR THOROFARE PLAN:** The part of the Master Plan which sets forth the location, alignment and dimensions of existing and proposed streets and thorofares.

11. **MUNICIPALITY:** The Township of Huron, New Boston, Michigan.

12. **MUNICIPAL ENGINEER OR ENGINEER:** The staff engineer or consulting engineer of the Township of Huron.

13. **MUNICIPAL PLANNER OR PLANNER:** The staff planner or consulting planner of the Township of Huron.

14. **PLAT:** A map or chart of a subdivision of land.

a. **PRE-PRELIMINARY PLAT** - A map indicating the proposed layout of the subdivision in sufficient detail to provide adequate basis for review and to meet the requirements and procedures set forth in this Ordinance.

b. **PRELIMINARY PLAT** - A map showing the salient features of a proposed subdivision submitted to an approving authority for purposes of preliminary consideration prepared in conformance with the Subdivision Act.

c. **FINAL PLAT** - A map of all or part of a subdivision providing substantial conformance to the Preliminary Plat of the Subdivision Act and this Ordinance, and suitable for recording by the County Register of Deeds.

15. **PARCEL (OR TRACT):** A continuous area or acreage of land which can be described as provided for in the Subdivision Act.

16. **PROPRIETOR:** A natural person, firm, association, partnership, corporation, or combination of any of them which may hold any ownership interest in land, whether recorded or not.

17. **STREET:** Any street, avenue, boulevard, road, lane, parkway, viaduct, alley or other way which is an existing state, county, or municipal roadway; or, a street or way shown in a plat heretofore approved pursuant to law or approved by official action; or, a street or way on a plat duly filed and recorded in the office of the County Register of Deeds. A street includes the land between the street lines, whether improved or unimproved, and may comprise pavement, shoulders, gutters, sidewalks, parking areas, and lawns.

a. **MAJOR THOROFARE** - An arterial street of great continuity which is intended to serve as a large volume trafficway for both the immediate Municipality area and region beyond, and may be designated in the Municipality's Major Thorofare Plan as a major thorofare, parkway, expressway, or equivalent term to identify those streets comprising the basic structure of the street plan.

b. **COLLECTOR STREET** - A street intended to serve as a major means of access from minor streets to major thorofares which has considerable continuity within the framework of the Major Thorofare Plan.

c. **MINOR STREET** - A street of limited continuity used primarily for access to abutting residential properties.

d. **MARGINAL ACCESS STREET** - A minor street paralleling and adjacent to a major thorofare which provides access to abutting properties and protection from through traffic.

e. **BOULEVARD STREET** - A street developed to two two-lane, one-way pavement separated by a median.

f. **TURN-AROUND** - A short boulevard street permanently terminated by a vehicular turn-around.

g. **CUL-DE-SAC STREET** - A short minor street having one end permanently terminated by a vehicular turn-around.

h. **ALLEY** - A minor service street used primarily to provide secondary vehicular access to the rear or side of properties otherwise abutting upon a street.

18. **SUBDIVISION ACT:** Means the Subdivision Control Act, Michigan Public Act No. 288 of 1967, as amended.

19. **SUBDIVISION:** The partitioning or dividing of a parcel or tract of land by the proprietor thereof or by his heirs, executors, administrators, legal representatives, successors or assigns for the purpose of sale, or lease for more than one year, or building development, where the act of division creates five or more parcels of land, each of which is ten (10) acres or less in area; or five (5) or more parcels of land, each of which is ten (10) acres or less in area, are created by successive divisions within a period of ten (10) years.

### ARTICLE III

#### SUBDIVISION PROCEDURE

##### Section 3.01

The preparation of a subdivision for platting shall be carried out through three phases: Pre-Preliminary Plat, Preliminary Plat and Final Plat.

3.02 PRE-PRELIMINARY PLAT. The procedure for preparation and submittal of a pre-preliminary plat of the land

to be subdivided shall be as follows:

##### 1. Filing:

a. Ten (10) copies of the pre-preliminary plat of the proposed subdivision; together with written application in triplicate, shall be submitted to the Township Clerk.

b. Submittal with the Clerk shall be at least ten (10) days prior to the regular Commission meeting (which meeting shall be considered as the date of filing) at which the proprietor will be scheduled to appear. Should any of the data required in this Section 3.02 of this Ordinance be omitted, the Clerk shall notify the proprietor of the additional data required and Commission action shall be delayed until the required data is received. The Commission shall act on the pre-preliminary plat within sixty (60) days after the date of filing unless the proprietor agrees to an extension of time in writing.

##### 2. Identification and Description. The pre-preliminary plat shall include:

a. Proposed name of subdivision.

b. Location by Section, Town and Range, and the legal description.

c. Names and addresses of the proprietor, owner, proprietor, and planner, designer, engineer or surveyor who designed the subdivision layout, the Proprietor shall also indicate his interest in the land.

d. Scale of plat, 1" equals two hundred (200) feet as minimum acceptable scale.

e. Date.

f. Northpoint.

##### 3. Existing Conditions. The pre-preliminary plat shall include:

a. An over-all area map at a scale of not more than 1" equals two thousand (2,000) feet showing the relationship of the subdivision to its surrounding such as section lines and/or major streets or collector streets, shall be provided.

b. Boundary line of proposed subdivision, section or corporation lines within or adjacent to the tract and over-all property dimensions.

c. Property lines of adjacent tracts of subdivided and unsubdivided land shown in relation to the tract being proposed for subdivision including those of areas across abutting roads.

d. Location, widths, and names of existing or prior platted streets and private streets, and public easements within or adjacent to the tract being proposed for subdivision, including those located across abutting roads.

e. Location of existing sewers, water mains, storm drains and other underground facilities within or adjacent to the tract being proposed for subdivision.

f. Topography drawn as contours with an interval of at least two (2) feet. Topography to be based on U.S.G.S. datum.

g. The School Board or School Board Superintendent of the School District having jurisdiction in the area concerned shall be informed and made aware of the proposed pre-preliminary plat by the proprietor.

##### 4. Proposed Conditions. The pre-preliminary plat shall include:

a. Layout of streets indicating right-of-way widths and connections with adjoining platted streets; also, the widths and locations of alleys, easements and public walkways.

b. Layout, numbers and dimensions of lots, including building setback lines showing dimensions.

c. Indication of parcels of land intended to be dedicated or set aside for public use or for the use of property owners in the subdivision.

d. All indication of the ownership, and existing and proposed use of any parcels identified as "expected" on the pre-preliminary plat, if the proprietor has an interest or owns any parcel so identified as "expected", the pre-preliminary plat shall indicate how this property could be developed in accordance with the requirements of the existing zoning district in which it is located and with an acceptable relationship to the layout of the proposed pre-preliminary plat.

e. The indication of the system proposed for sewage disposal by a method approved by the governing Body and the Municipal Engineer.

f. The indication of the system proposed for water supply by a method approved by the governing Body and the Municipal Engineer.

g. The indication of storm drainage proposed by a method approved by the governing Body and the Municipal Engineer and, if involving county drains, the proposed drainage shall be acceptable to the County Drain Commissioner.

##### 5. Pre-Preliminary Plat Review by Planning Commission.

a. The Clerk shall receive and check for completeness the pre-preliminary plat as required under Section 3.02 (1) through Section 3.02 (4) of this Ordinance. If found complete and basically in conformance with applicable municipal requirements, the Clerk shall place the proposal on the agenda of the next regular Commission meeting.

b. The Clerk shall transmit a copy of the pre-preliminary plat to the Municipal Engineer and the Municipal Planner for their technical review and recommendation.

c. The Commission shall review all details of the proposed Subdivision within the framework of the Zoning Ordinance, within the various elements of the Master Plan and within the standards of this Subdivision Regulations Ordinance.

d. The Commission shall approve conditionally, disapprove, or approve the pre-preliminary plat.

(1) Should the approval be a conditional approval and therefore tentative, the pre-preliminary plat shall not be forwarded to the Governing Body until said conditions have been satisfied by the proprietor.

(2) Should the Commission disapprove the pre-preliminary plat, it shall record the reasons in the minutes of the regular meeting. A copy of the minutes shall be sent to the proprietor.

(3) Should the Commission find that all conditions have been satisfactorily met, it may give approval to the pre-preliminary plat. The Chairman shall make a notation to that effect on each copy of the pre-preliminary plat and distribute copies of same as follows:

(a) return one (1) copy to the proprietor;

(b) Retain one (1) copy which shall become a matter of permanent record in the Commission files;

(c) Forward one (1) copy to the School Board or School Superintendent of the School District having jurisdiction in the area concerned;

(d) Forward the remaining copies to the Governing Body via the Clerk's office with the recommendations for approval.

##### 6. Pre-Preliminary Plat Review by Governing Body:

a. The Governing Body will not review a pre-preliminary plat until it has received the review and recommendations of the Commission. Following the receipt of such recommendations, the Governing Body shall consider the pre-preliminary plat at such meeting that the matter is placed on the regularly scheduled agenda. The Governing Body shall take action on the pre-preliminary plat within ninety (90) days of the date of filing, as defined in Section 3.02 1 b.

b. Should the Governing Body approve the pre-preliminary plat it shall be deemed to confer upon the proprietor the right to proceed with the preparation of a preliminary plat.

c. Approval of the pre-preliminary plat shall not constitute approval of the preliminary plat. It shall be deemed as approval of the layout submitted on the pre-preliminary plat as a guide to the preparation of the preliminary plat.

d. The approval of the Governing Body shall be effective for a period of twelve (12) months. Should the preliminary plat in whole or in part not be submitted within this time limit, a pre-preliminary plat must again be submitted to the Commission for approval.

e. No installation or construction of any improvements shall be made at this time.

##### 3.03 PRELIMINARY PLAT. The procedure for the preparation and review of a preliminary plat requires tentative and final approval as follows:

###### 1. Preliminary Plat - Tentative Approval.

###### a. Filing:

(1) Ten (10) copies of a valid and complete preliminary plat of the proposed subdivision; together with written application in triplicate and any other information required to be submitted under the Subdivision Act shall be filed with the Clerk.

(2) The Preliminary Plat shall conform substantially to the pre-preliminary plat as approved, and it may constitute only that portion of the approved pre-preliminary plat which the proprietor proposed to record and develop at the time; provided, however, that such portion conforms to this Subdivision Regulations Ordinance.

(3) The Clerk shall check the proposed plat for completeness. Should any of the data required in the Subdivision Act, or Section 3.02 1. through Section 3.02 4. of this Ordinance, be omitted the Clerk shall inform the proprietor of the data required, and that the application will be delayed until the required data is received.

(4) The Clerk shall transmit a copy of the valid and complete preliminary plat to the Municipal Engineer and Municipal Planner for their technical review and recommendation.

###### b. Planning Commission Review - Tentative Approval.

(1) The Clerk shall place the preliminary plat on the next regular Planning Commission agenda, at which meeting the proprietor will be scheduled to appear. The Planning Commission shall act on the preliminary plat within sixty (60) days after the date of filing unless the proprietor agrees to an extension, in writing, of the time required for approval by the Governing Body and Planning Commission.

(2) It shall be the duty of the Clerk to send a notice by registered or certified mail to the owners of land immediately adjoining the property to be platted of the presentation of the preliminary plat and the time and place of the meeting of the Commission to consider said preliminary plat; said notice shall be sent not less than five (5) days before the date fixed therefor.

(3) The preliminary plat shall be reviewed by the Municipal Engineer as to compliance with the approved pre-preliminary plat and plans for utilities and other improvements.

(4) The Municipal Engineer shall notify the Commission of his recommendation for either approval or rejection of the preliminary plat.

(5) The preliminary plat documents shall be reviewed by the Commission as to compliance with the approved pre-preliminary plat.

(6) Should the Commission find that the preliminary plat is in close agreement with the pre-preliminary plat, it shall approve same and notify the governing Body of this action in its official minutes and forward the same, together with all accompanying data, to the Governing Body for their review.

(7) Should the Commission find that the preliminary plat does not conform substantially to the previously approved pre-preliminary plat and that it is not acceptable, they shall record the reason in their official minutes and forward same together with all accompanying data to the Governing Body; and recommend that the Government Body disapprove the preliminary plat until the objections causing disapproval have been changed to meet with the approval of the Commission.

###### c. Governing Body - Tentative Approval:

(1) The Governing Body shall not review a preliminary plat until it has received the review and recommendations of the Commission. Following the receipt of such recommendations, the Governing Body shall consider the preliminary plat at such meeting that the matter is placed on the regularly scheduled agenda. The Governing Body shall take action on the preliminary plat within ninety (90) days of the date of the initial filing of the plat with the Clerk, as required in Section 3.03 1. a. (1).

(2) Should the Governing Body tentatively approve the preliminary plat, they shall record their approval on the plat and return one copy to the proprietor.

(3) Tentative approval shall not constitute final approval of the preliminary plat.

(4) Tentative approval of the Governing Body shall be effective for a period of twelve (12) months. Should the preliminary plat in whole or in part not be submitted for final approval within this time limit, the preliminary plat must again be submitted to the Commission and Governing Body for approval unless an extension is applied for by the proprietor, and such request is granted in writing by the Governing Body.

###### 2. Preliminary Plat Review by Governing Body - Final Approval.

a. The proprietor shall file a valid preliminary plat with the Clerk together with a certified list of all authorities required for approval in Sections 112 to 119 of the Subdivision Act. The proprietor shall also provide approved copies of plats from each of the required authorities.

b. The Governing Body shall take action on the preliminary plat within twenty (20) days of the submission of all necessary approved plats.

c. If the Preliminary plat conforms substantially to the plat tentatively approved by the Governing Body and meets all conditions laid down for tentative approval, the Governing Body shall give final approval to the preliminary plat.

d. The Clerk shall promptly notify the proprietor of approval or rejection in writing; if rejected, reasons shall be given.

e. Final approval shall be effective for a period of two (2) years from the date of final approval. The two (2) year period may be extended if applied for by the proprietor and granted by the Governing Body in writing.

f. No installation or construction of any improvements shall be made before the preliminary plat has received final approval of the Governing Body, engineering plans have been approved by the Municipal Engineer, and any deposits required under ARTICLE V IMPROVEMENTS, of this Ordinance have been received by the Municipality.

###### 3.04 FINAL PLAT. The procedure for preparation and review of a final plat shall be as follows:

###### 1. Preparation.

a. The final plat shall comply with the provisions of the Subdivision Act.

b. The final plat shall conform substantially to the preliminary plat as approved and it may constitute only that portion of the approved preliminary plat which the proprietor proposed to record and develop at the time; provided, however, that such portion conforms to this Subdivision Regulations Ordinance.

c. The proprietor shall submit as evidence of title, an abstract of title certified to date with the written opinion of an attorney-at-law thereon; or at the option of the proprietor, a policy of title insurance. Such abstract and opinion or title insurance policy shall be submitted to the Township Attorney for examination and his approval thereon.

d. The proprietor shall submit a draft of covenants and easements whereby the subdivider proposes to regulate uses within the subdivision and otherwise protect the proposed development.

###### 2. Final Plat Review.

a. Five (5) mylar or tracing cloth copies and three (3) paper prints of the final plat shall be filed by the proprietor with the Clerk and shall deposit such sums of money as the Governing Body may require herein or by other ordinances.

b. The final plat shall be reviewed by the Municipal Planner as to compliance with preliminary plan, size of lots, building lines and any park dedications, and by the Municipal Engineer as to compliance with the approved preliminary plat and plans for utilities and other improvements.

c. The Governing Body shall review all recommendations and take action on the final plat within twenty (20) days of its date of filing.

d. Upon the approval of the final plat by the Governing Body, the subsequent approvals shall follow the procedure set forth in the Subdivision Act. The three (3) prints of the final plat shall be forwarded: one (1) to the Clerk, one (1) to the Planning Commission, and one (1) to the Building Department. The five copies shall be forwarded to the Clerk of the County Plat Board.

### ARTICLE IV

#### DESIGN LAYOUT STANDARDS

The subdivision design layout standards set forth under this Section are development guides for the assistance of the

proprietor. All final plans must be reviewed and approved by the Governing Body.

Section 4.01 STREETS. Streets shall conform to at least all minimum requirements of the general specifications and typical cross-sections as set forth in this Design Layout Standards Article of this Ordinance and other conditions set forth by the Governing Body.

##### 1. Location and Arrangement.

a. The proposed subdivision shall conform to the various elements of the Master Plan and shall be considered in relation to the existing and planned major thorofares and collector streets, and such part shall be platted in the location and width indicated on such plan.

b. The street layout shall provide for combination of collector streets when adjoining subdivisions or of the proper projection of streets, when adjoining property is not subdivided.

c. The street layout shall include minor streets so laid out that their use by through traffic shall be discouraged.

d. Should a proposed subdivision border on or contain an existing or proposed major thorofare, the Commission may require marginal access streets, reverse frontage, or such other treatment as may be necessary for adequate protection of residential properties and to afford separation and reduction of traffic hazards.

e. Should a proposed subdivision border on a railroad, expressway, or other limited access highway right-of-way, the Commission may require the location of a street approximately parallel to and on each side of such right-of-way at a distance suitable for the development of an appropriate use of the intervening land such as for parks in residential districts. Such distances shall be determined with due consideration of the minimum distance required for approach grades to future grade separation.

f. Half street shall be prohibited, except where absolutely essential to the reasonable development of the subdivision in conformity with the other requirements of these regulations, and where the Commission finds it will be practicable to require the dedication of the other half when the adjoining property is developed. Wherever there exists adjacent to the tract to be subdivided, a dedicated or platted and recorded half street, the other half shall be platted.

##### 2. Right-of-Way Widths. Street right-of-way widths shall conform to at least the following minimum requirements:

STREET TYPE	RIGHT-OF-WAY WIDTHS
	In conformance with the Major Thorofare Plan of the Municipality
a. Major Thorofare and Section Line Roads	86 feet
b. Collector Streets	86 feet
c. Industrial Service Streets with 27 foot pavement and curbs	60 feet
d. Multiple-Family Residential pavement but without curbs	80 feet
e. Multiple-Family Residential Street where Platted	60 feet
f. Minor (Single-Family Residential) Streets	60 feet
g. Marginal Access Streets	35 feet
h. Turn-around (loop) Street	120 feet
i. Alley	24 feet
j. Cul-de-sac Streets-Turn arounds	
(1) Industrial	75 feet radius
(2) Residential and Others	55 feet radius

k. Maximum length for residential cul-de-sac streets shall generally be 500 feet. Maximum length for industrial and other cul-de-sac streets may exceed 500 feet subject to the approval of the Commission.

3. **Street Grades.** For adequate drainage, the minimum street grade shall not be less than 0.5%. The maximum street grade shall not exceed 6% except that the Commission may make an exception to this standard on the recommendation of the Engineer.

4. **Street Geometrics.** Standards for maximum and minimum street grades, vertical and horizontal street curves and sight distances shall be established by ordinance or published rules of the Governing Body and shall in no case be less restrictive than the standards of the Wayne County Road Commission.

5. **Street Intersections.** Streets shall be laid out so as to intersect as nearly as possible to ninety (90) degrees. Curved streets, intersecting with major thorofares and collector thorofares shall do so with a tangent section of centerline fifty (50) feet in length measured from the right-of-way line of the major or collector thorofare.

6. **Grading and Centerline Gradients.** Per plans and profiles approved by the Municipal Engineer.

7. **Street Jogs.** Street jogs with centerline offsets of less than 125 feet shall be avoided.

##### Section 4.02 BLOCKS. Blocks within subdivision shall conform to the following standards.

###### 1. Sizes.

a. Maximum length for blocks shall not exceed 1,400 feet in length, except where, in the opinion of the Commission conditions may justify a greater distance.

b. Widths of blocks shall be determined by the condition of the layout and shall be suited to the intended layout.

###### 2. Public Walkways.

a. Location of public walkways or crosswalks may be required by the Commission to obtain satisfactory pedestrian access to public or private facilities such as, but not limited to, schools and parks.

b. Widths of public walkways shall be at least twelve (12) feet and shall be in the nature of an easement for this purpose.

###### 3. Easements.

a. Location of utility line easements shall be provided along the rear or side lot lines as necessary for utility lines. Easement shall give access to every lot, park or public grounds. Such easements shall be a total of not less than twelve (12) feet wide, six (6) feet from each parcel.

b. Recommendations on the proposed layout of telephone and electric company easements should be sought from all of the utility companies serving the area. It shall be the responsibility and duty of the proprietor to submit copies of the preliminary plat to all appropriate public utility agencies.

c. Easements three (3) feet in width shall be provided where needed along side lot lines so as to provide for street light dropouts. Prior to all approval of the final plat for a proposed subdivision a statement shall be obtained from the appropriate public utility indicating that easements have been provided along specific lots. A notation shall be made on the final plat indicating: "The side lot lines between lots (indicating lot numbers) are subject to easements for street light dropouts rights granted to the Detroit Edison Co."

Section 4.03 LOTS. Lots within subdivision shall conform to the following standards:

# HURON TOWNSHIP ORDINANCE NO. 70-1

## (Huron Ordinance 70-1 Continued)

permit generous distances between building and such traffic way.

d. Lots shall have a front-to-front relationship across all streets where possible.

e. Where lots border upon bodies of water, the front yard may be designated as the waterfront side of such lot provided the lot has sufficient depth to provide adequate setback on the street side to maintain a setback for all structures equal to the front setback on the street side as well as on the waterfront side.

**Section 4.04 NATURAL FEATURES.** The natural features and character of lands must be preserved wherever possible. Due regard must be shown for all natural features such as large trees, natural groves, water courses and similar community assets that will add attractiveness and value to the property, if preserved. The preservation of drainage and natural stream channel must be considered by the proprietor and the dedication and provision of adequate barriers, where appropriate, shall be required.

**4.05 FLOOD PLAINS.** Any areas of land within the proposed subdivision which lie either wholly or in part with the flood plain of a river, stream, creek or lake, or any other areas which are subject to flooding or inundation by storm water shall require specific compliance with the Subdivision Act and its review by the Water Resources Commission of the Department of Conservation.

## ARTICLE V

### IMPROVEMENTS

The improvements set forth under this section are to be considered as the minimum acceptable standard. All those improvements for which standards are not specifically set forth shall have said standards set by ordinance or published rules of the Governing Body. All improvements must meet the approval of the Governing Body.

Prior to the undertaking of any improvements, the proprietor shall deposit with the Clerk, cash, a certified check or irrevocable bank letter of credit, whichever the proprietor selects, or a surety bond acceptable to the Governing Body, to insure faithful completion of all improvements within the time specified. The amount of the deposit shall be set by the Governing Body based on an estimate by the Engineer. All improvements shall be constructed and approved by the Municipality before the final plat is approved. The Governing Body shall release funds for the payment of work as it is completed and approved by the Municipality.

Prior to the acceptance by the Municipality of improvements; a two-year maintenance bond in an amount set by the Governing Body shall be posted by the proprietor.

Improvements shall be provided by the proprietor in accordance with the standards and requirements established in this ARTICLE V and/or any other such standards and requirements which may from time to time be established by ordinance or published rules of the Municipality.

**Section 5.01 STREETS.** All streets and appurtenances thereto shall be constructed in accordance with details and specifications approved by the Governing Body.

#### 1. Street Pavement Width Standards.

STREET TYPE	PAVEMENT WIDTH
	(measured from back of curb to back of curb)
a. Major Thoroughfare	In conformance with the standards and specifications established by the Wayne County Road Commission
b. Collector Streets	37 feet
c. Industrial Streets	27 feet
Without parking	44 feet
With parking	
d. Multiple-Family Residential Streets	27 feet
e. Minor Residential Streets	27 feet
f. Marginal Access Streets	22 feet
g. Turn-Around (loop streets)	27 feet
h. Alley	20 feet
i. Cul-de-sac Streets - Turn Arouns	
(1) Industrial	120 feet diameter
(2) Residential and Others	27 feet 43 feet diam.

#### Section 5.02 UTILITIES

**1. REQUIREMENTS FOR UNDERGROUND WIRING.** The proprietor shall make arrangements for all distribution lines for telephone, electric, television and other similar services distributed by wire, or cable to be placed underground entirely throughout a residential subdivision area, except for major thoroughfare right-of-way and except for main supply lines, perimeter feed lines and necessary surface facilities. Such conduits or cables shall be placed within private easements provided to such service companies by the proprietor or within public dedicated ways. The proprietor, subdivider or developer of the plat shall bear any increase in costs, if any, over the normal method of construction of telephone, electric, television and other similar services distributed by wire or cable to be placed underground as determined by the telephone or electric company involved, in accordance with valid rules and regulations of the telephone or electric company involved.

All such facilities placed in dedicated public ways shall be planned so as not to conflict with other underground utilities. All such facilities shall be constructed in accordance with standards of construction approved by the Michigan Public Service Commission. All drainage and underground utility installations, which traverse privately owned property, shall be protected by easements granted by the proprietor.

**2. SEWAGE DISPOSAL.** A sanitary sewer system, including all appurtenances, shall be required in all subdivisions.

**3. WATER SUPPLY.** A public water supply system, water mains, fire hydrants, and required water system appurtenances shall be constructed in such a manner as to adequately serve all lots shown on the subdivision plat, both for domestic use and fire protection.

**4. STORM DRAINAGE SYSTEM.** An adequate storm drainage system including necessary storm sewers, catch basins, manholes, culverts, bridges, and other appurtenances shall be required in all subdivisions.

Adequate provision shall be made for proper drainage of storm water run-off from residential yards. Each lot shall be graded to allow storm water to drain at a predetermined slope to storm drainage collection points in such manner as not to interfere with drainage of abutting lots.

#### Section 5.03 OTHER IMPROVEMENTS.

##### 1. SIDEWALKS.

a. **MAJOR THOROUGHFARES.** A five foot wide concrete sidewalk located one (1) foot from the property line on the side or sides of the roadway abutting the subdivision shall be provided, in those instances where no good purpose would be served by the provision of sidewalks, the Governing Body may waive this requirement.

b. **COLLECTOR STREETS.** A five foot concrete sidewalk located one foot from the property line on each side of the roadway shall be provided. In those instances where no good purpose would be served by the provision of sidewalks, the Governing Body may waive this requirement.

c. **MINOR STREETS.** A five foot concrete sidewalk located one (1) foot from the property line on each side of the roadway shall be provided. In those instances where no good purpose would be served by the provision of sidewalks, the Governing Body may waive this requirement.

d. **MARGINAL ACCESS STREETS.** A five foot concrete sidewalk located one (1) foot from the property line on the private property side of the roadway shall be provided. In those instances where no good purpose would be served by the providing of sidewalks, the Governing Body may waive this requirement.

e. **PUBLIC WALKWAYS.** The surface of the walkways shall be developed in concrete. Planting pockets shall be provided in public walkways for tree and shrub planting. The planting plan and surface treatment shall meet the approval of the Commission. Fences and/or other improvements may also be required if the Commission and/or Governing Body determines they are necessary to protect the adjacent property owners.

(2) **STREET TREES.** In all new subdivisions at least one (1) tree shall be planted at a central location in front of each residential lot in the area between the sidewalk and

the curb and shall be at a distance of not less than forty-five (45) feet between trees. It shall be required that trees and shrubs shall be planted in all island and boulevard areas, not withstanding the foregoing, lots eighty-five (85) feet or more in width, at least two (2) trees shall be planted in front of such lots; lots one hundred twenty-five (125) feet or more in width, three (3) trees shall be planted in front of such lots; and on corner lots, trees shall be planted on both sides of corner lots within the street parkway.

Previous planting, a planting plan showing all plant material (trees and shrubs) including specifications for size of plant material, planting guarantee for two (2) growing seasons in accordance with the Wayne County Road Commission requirements.

(3) **STREET LIGHTING.** Ornamental street lighting service by underground conductors shall be provided throughout the subdivision in conformity with the standards prescribed by the utility involved and as approved by the Township Chief Engineer. It shall be the duty and responsibility of the Subdivider to submit a petition to the Township Board where platting is proposed for residential lots up to eighty (80) feet of frontage, prior to final plat approval, requesting and initiating a special assessment proceedings for all improvements consisting of the construction, installation, maintenance and operation of systems, facilities and equipment for street lighting.

(4) **TRAFFIC AND STREET SIGNS.** All traffic control signs and street signs shall be furnished and installed in accordance with Wayne County Road Commission Specifications.

**5.04 RESIDENTIAL LOT GRADES.** All dwellings shall be located not less than twelve (12) inches and not more than eighteen (18) inches above the average sidewalk grade.

**5.05 REAR YARD STORM DRAINAGE.** The proprietor shall provide for adequate and safe disposal of all rear yard storm water. Suitable inlets or catch basins shall be provided at the rear of the lots at intervals of no more than four hundred eighty (480) feet and at the grade required by the Township Engineer. Such construction shall be inspected and approved by the Township Engineer after construction, if the same are adequate and sufficient. The rear grade level of each lot shall be in conformity to the grade level shown on the development plans, profiles, cross-sections and specifications therefor, prepared by or for the proprietor and approved by the Township Engineer.

**5.06 FINISHED ROUGH GRADING.** All dwellings shall be rough graded with pliable soil, suitable for growing turf, to within two (2) inches of finished grade.

## ARTICLE VI

### DIVISION OF LAND IN RECORDED PLATS

**Section 6.01** Subject to the provisions of Section 263 of the Subdivision Control Act, the following provisions shall control the partitioning or dividing of lots, outlots or other parcels of land in a recorded plat.

**6.02 PARTITIONING PERMITTED.** Land may be separated from one such lot, outlot or parcel and added to another lot, outlot or parcel upon application to and approval of the Township Board. The fact of such division shall be noted upon the Township assessment roll and thereafter the enlarged lot, outlot or parcel shall be considered to be a single lot, outlot or parcel for tax assessment and all other purposes. No such division shall be permitted unless the remainder of the lot, outlot or parcel from which the part was taken meets the minimum requirements of the Township Zoning Ordinance, including requirements as to width, area and open space.

**6.03 PARTITIONING INTO TWO OR MORE LOTS.** Such lot, outlot or parcel may be divided into two or more lots, but not more than four separate lots, outlots or parcels upon application to and approval by the Township Board. A survey showing such proposed divisions prepared by a registered civil engineer or land surveyor and including a proper legal description of each separate divided lot, outlot or parcel proposed shall be forwarded to the Planning Commission for their recommendation. Upon receipt of such recommendation, the matter shall be placed upon the agenda of the next regular meeting of the Township Board. Should the Township Board approve the requested division, it shall notify the Township Assessor and the fact of such a division shall be noted upon the Township assessment roll and thereafter the divided portions of the lot, outlot or parcel shall be considered to be separate lots, outlots or parcels for tax assessments and all other purposes.

No such division shall be permitted unless each of the parts into which such lot, outlot or parcel is to be divided meets the minimum requirements of the Township Zoning Ordinance including requirements as to width, area and open spaces. In these cases where water, sewers or other services have been installed within the plat by special assessment and the lot proposed to be divided has been assessed therefor, no division shall be permitted unless the applicant agrees, in writing, to pay into the special assessment district an additional amount to be determined by the Township Board representing the increased share of the cost of the special assessment district which shall be borne by said divided lot, outlot or parcel due to increased benefits received by said lot, outlot or parcel when divided into two, three or four such lots, outlots or parcels.

## ARTICLE VII

### COMPLIANCE STANDARDS

**Section 7.01** The approvals required under the provisions of this Ordinance shall be obtained prior to the installation of any subdivision or project improvements within the Municipality, in public streets, public alleys, public right-of-way, and public easements, and/or under the ultimate jurisdiction of the Municipality. All sub-divisions or project improvements within the Municipality installed in public streets, public alleys, public rights-of-way, or public easements, and/or under the ultimate jurisdiction of the Municipality, shall comply with all the provisions and requirements of this or any other related ordinance.

## ARTICLE VIII

### INTERPRETATION

**Section 8.01** The provisions of these regulations shall be held to be the minimum requirements adopted for the promotion and preservation of public health, safety and general welfare of the Municipality. These regulations are not intended to repeal, abrogate, annul or in any manner interfere with existing regulations or laws of the Municipality nor conflict with any statutes of the State of Michigan or Wayne County, except that these regulations shall prevail in cases where these regulations impose a greater restriction than is provided by existing statutes, laws or regulations.

## ARTICLE IX

### REVIEW FEES

Pre-preliminary, preliminary and final plat review fees, planning fees, engineering fees, attorney fees, inspection fees, water and sewer connection charges and other applicable development charges for any development within any zoning district of the Township shall be paid by the proprietor as follows, or by ordinance of the Township.

**Section 9.01 PLANNING REVIEW FEES.** Fees shall be charged for the review of pre-preliminary plats by the Planner on the basis of the following schedule. There shall be no additional Planner review fee charged for preliminary or final plats which are in substantial conformance to a previously approved pre-preliminary plat;

1. Conventional Subdivision Plats: \$25.00 plus \$.50 per lot
2. Subdivision Open Space Plats: \$100.00 plus \$0.75 per lot
3. Multiple-Family residential Plats: \$50.00 plus \$1.00 per dwelling unit.

**9.02 ENGINEERING REVIEW FEES.** As per schedule established and adopted by Township Board.

**9.03 MUNICIPAL REVIEW, AND ADMINISTRATIVE FEES.**

1. 1/2% of construction cost for review of design of all utilities and improvements.

**9.04 ATTORNEY FEES.**

1. An hourly charge to be agreed upon with the Township Board shall be charged by the attorney, for services rendered in connection with such application.

**9.05 WATER AND SEWER CONNECTION CHARGES.**

1. As provided by Ordinance for sewer connection charges.

2. As provided by Ordinance for water connection charges.

## ARTICLE X

### VIOLATIONS AND PENALTIES

Any person, persons, firm or corporation or anyone acting in behalf of said person, persons, firm or corporation, violating any

of the provisions of this Ordinance shall upon conviction thereof, be subject to a fine of not more than one hundred (\$100.00) dollars and the costs of prosecution or by imprisonment in the County Jail for a period not to exceed ninety (90) days, or both such fine and imprisonment in the discretion of the Court. Each day that a violation is permitted to exist shall constitute a separate violation.

## ARTICLE XI

### SEVERABILITY

If any section, paragraph, clause, phrase or part of these Subdivision Regulations is for any reason held invalid by any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of these Regulations; and the application of those provisions to any persons or circumstances shall not be affected thereby.

## ARTICLE XII

### REPEAL

All ordinances and amendments thereto enacted and/or adopted by the Governing Body inconsistent with the provisions of this Ordinance are hereby repealed, as of the effective date of this Ordinance. The repeal of the above Ordinance and its amendments shall not affect or impair any act done, offense committed, or right accruing, accrued or acquired or liability, penalty, forfeiture or punishment incurred prior to the effective date hereof.

## ARTICLE XIII

### VARIANCE

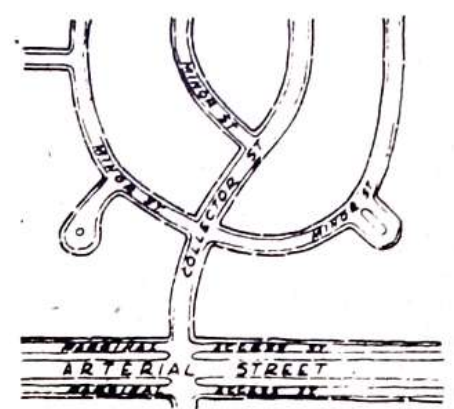

**Section 13.01 VARIANCE FOR HARDSHIP.** The Governing Body may authorize a variance from these regulations when, in its opinion, undue hardship may result from strict compliance. In granting any variance the Governing Body shall prescribe only conditions that it deems necessary to or desirable for the public interest. In making its findings, as required herein below, the Governing Body shall take into account the nature of the proposed use of land and the existing use of land in the vicinity, the number of persons to reside or work in the proposed subdivision and the probable effect of the proposed subdivision upon traffic conditions in the vicinity. No variance shall be granted unless the Governing Body finds:

1. That there are special circumstances or conditions affecting said property such that the strict application of the provisions of this Ordinance would deprive the applicant of the reasonable use of his land.
2. That the variance is necessary for the preservation and enjoyment of a substantial property right of the petitioner.
3. That the granting of the variance will not be detrimental to the public welfare or injurious to other property in the Township.

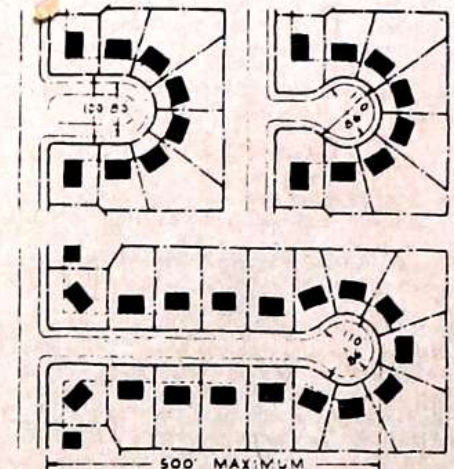

## ARTICLE XIV

### EFFECTIVE DATE

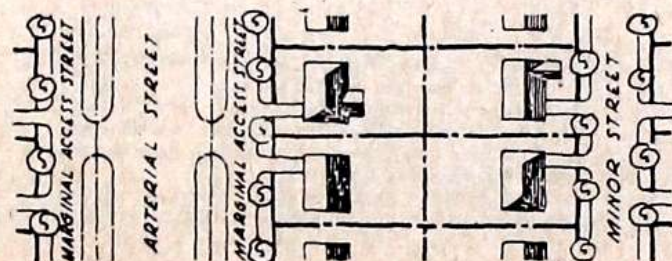

**Section 14.01** The provisions of this Ordinance are hereby ordered to take effect upon the expiration of thirty (30) days after publication.

## CERTIFICATION

I, Wilma J. Wilson, Clerk of the Township of Huron, Wayne County, Michigan, hereby certify that the foregoing Subdivision Ordinance No. 70-1, was approved and adopted by the Huron Township Board, on January 14, 1970.

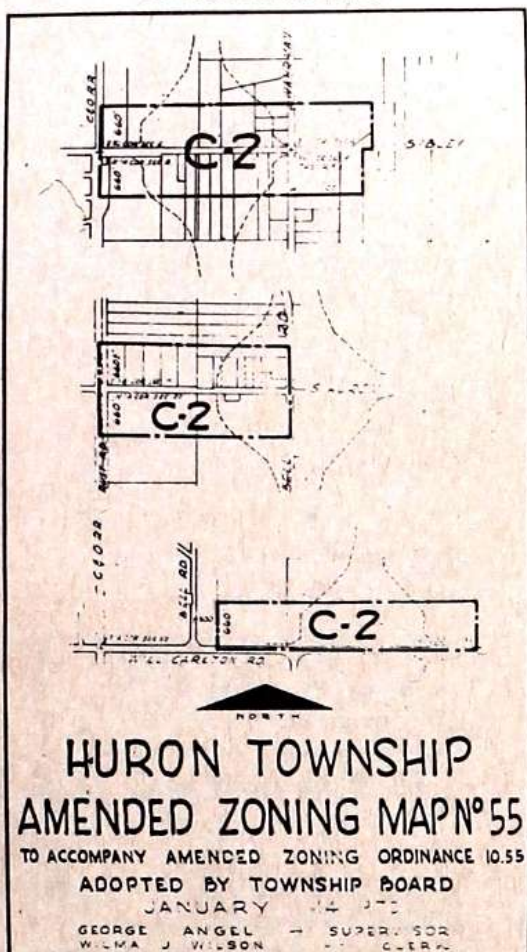

Wilma J. Wilson, Clerk

## REGULATION DETAILS

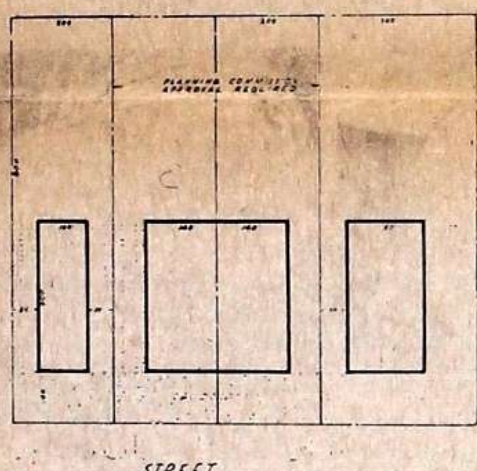

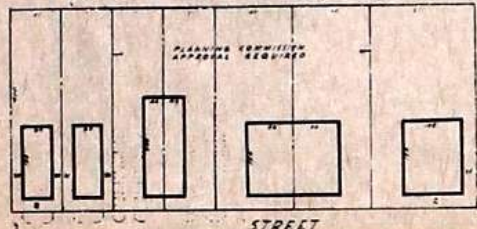

# HURON TOWNSHIP ORDINANCE NO. 10.55

AN ORDINANCE TO AMEND ORDINANCE No. 10 BY THE ADDITION OF A NEW ARTICLE XIII-A; BY AMENDING SECTION 14.10; THE ADDITION OF A NEW SECTION 14.14; BY AMENDING SECTION 15.12; BY THE ADDITION OF A NEW SECTION 15.15; AND BY AMENDING THE ZONING MAP

TYPICAL MINIMUM LOT AREA FOR M-1 INDUSTRIAL DIST. SHOWING YARD REQUIREMENTS & LOCATION OF OFF-STREET PARKING MINIMUM WIDTH LOTS 4:1 Ratio (Depth 4 x Width)

TYPICAL MINIMUM LOT AREA FOR M-2 INDUSTRIAL DIST. SHOWING YARD REQUIREMENTS & LOCATION OF OFF-STREET PARKING MINIMUM WIDTH LOTS 4:1 Ratio (Depth 4 x Width)

## THE TOWNSHIP OF HURON ORDAINS:

PART I. That Ordinance No. 10, known as the Township Zoning Ordinance, shall be and hereby is amended by the addition of a new Article, to read:

### ARTICLE XIII-A

#### C-2 HIGHWAY SERVICE DISTRICT

Section 13A.01 USES PERMITTED. In all C-2 Districts, except as otherwise provided for in this Ordinance, all buildings shall be erected and all land shall be used for one or more of the following specified uses:

- Hotels, motels, subject to approval by the Planning Commission.
- Office buildings, manufacturer's representatives and similar uses.
- Restaurants, night clubs, drive-in food sales, which are consumed on the premises, but not entirely within the principal building located thereon; provided, however, that all drive-in food sales shall not provide or permit outside music, and further provided that the site plan shall include the following which must be provided as a condition to the issuance of a zoning permit:
  - A six (6) foot solid wood, masonry wall or chain link fence with red wood pickets adjacent to residential zoned properties and along the rear and side lot lines.
  - A three (3) foot chain link fence along the front lot line, except at entrance and exit to property.
  - No entrances or exits shall be from alleys or side streets, which lead to a residential area.
  - Sheltered parking lot lights, which do not reflect towards adjacent streets or residential property.
  - Containers for collecting or depositing trash, paper cups, etc., one container for each four (4) parking spaces.
  - Retail stores and shops for sale of automobile parts, accessories, souvenirs, curios, magazines and other products and services customarily provided to supply the needs of the traveling public.
  - Gasoline service stations and garages for minor repair upon approval of the Board of Appeals.
  - Personal service shops including barber shops, beauty parlors, laundry pick-up shops, dry cleaning pick-up shops and personal valet service.
  - Billboards and advertising signs of goods or services not sold on premises, not greater than three hundred (300) square feet in area and limited to the same yard requirements as buildings and structures within C-2 Districts and such billboards and advertising signs shall be located not less than one thousand (1000) feet apart.
  - Accessory uses:

Signs appurtenant to any permitted use, not exceeding forty (40) square feet in area or one (1) square foot for each lineal foot of frontage on which said premises are located, whichever is greater.

One (1) non-illuminated sign pertaining to the sale or lease of a building or lot and not exceeding twenty-four (24) square feet in area for any one (1) building or lot.

Buildings and uses customarily accessory to any of the above permitted uses, such as incidental storage.

13A.02 REQUIRED CONDITIONS. All exterior walls which face upon a street, hereafter erected, extended or where the exterior surface is structurally altered, shall be designed, treated and finished in the uniform exterior material as the front entrance of the building, and all exterior masonry surfaces shall be painted.

13A.03 HEIGHT REGULATIONS. In C-2 Districts, no building hereafter erected or structurally altered shall exceed sixty (60) feet or four (4) stories in height.

13A.04 LOT WIDTH. In C-2 Districts, every lot shall have a minimum width of not less than one hundred (100) feet.

13A.05 FRONT YARDS. In C-2 Districts every building or structure, hereafter erected, shall have a front yard of not less than fifty (50) feet after allowance for planned width of right-of-way, in accordance with Master Thoroughfare Plan.

13A.06 SIDE YARDS. In C-2 Districts, side yards of fifty (50) feet shall be required along an adjoining street; side yards between buildings on the same lot shall be not less than twenty (20) feet; side yards along interior lot lines shall be not less than twenty (20) feet.

13A.07 REAR YARDS. In C-2 Districts, a rear yard shall be provided which is at least equal to the height of the tallest part of the principal building, but not less than thirty (30) feet; where off-street parking is to be provided within rear yard area, a rear yard of not less than fifty (50) feet shall be provided.

13A.08 GREENBELT. In C-2 Districts all non-residential uses, when located adjacent to a residential district and not separated by a street, shall provide and maintain in a healthy growing condition a greenbelt buffer strip of trees and shrubs of not less than eight (8) feet in width along the adjoining property line.

13A.09 SIZE OF BUILDING. In C-2 Districts a principal building, hereafter erected or altered, shall have a single floor area of not less than four hundred eighty (480) square feet.

13A.10 LOADING SPACE AND OFF-STREET PARKING REQUIREMENTS. Loading and off-street parking requirements shall be provided as hereinbefore specified in Sections 4.20 and 4.23.

PART II. That Ordinance No. 10, known as the Zoning Ordinance of the Township of Huron shall be and hereby is amended by adding the following to Section 14.10, SIDE YARDS, which shall read as follows:

Wherever two (2) adjacent M-1 industrial buildings are to be constructed on two (2) adjacent interior M-1 industrial lots, said buildings may be joined on the common lot line if all portions of the adjoining side of the buildings are enclosed with an unpierced wall of four (4) hour construction, are provided with a parapet wall extending not less than eighteen (18) inches above adjoining roof construction, and on approval of the Planning Commission.

PART III. That Ordinance No. 10, known as the Zoning Ordinance of the Township of Huron shall be and hereby is amended by the addition of a new section to Article XIV to be known as Section 14.14 and to read as follows:

Section 14.14 LOT AREA. In M-1 Districts, each parcel of land on which an M-1 Industrial Use is to be placed and developed, shall provide a lot width of not less than one hundred (100) feet for an interior lot and not less than two (200) feet for a corner lot; and all lots shall not exceed the 4:1 ratio (maximum depth not greater than four (4) times width of lot).

PART IV. That Ordinance No. 10, known as the Zoning Ordinance of the Township of Huron, shall be and hereby is amended by the addition to Section 15.12, YARD REQUIREMENTS, which shall read as follows:

Where two adjacent M-2 industrial buildings are to be constructed on two (2) adjacent interior lots, said buildings may be joined on the common lot line if all portions of the adjoining side of the building are enclosed with an unpierced wall of four (4) hour construction and are provided with a parapet wall extending not less than eighteen (18) inches above adjoining roof construction, on approval of the Planning Commission.

PART V. That Ordinance No. 10, known as the Zoning Ordinance of the Township of Huron, shall be and hereby is amended by the addition of a new section to Article XV, to be known as Section 15.15, and to read as follows:

Section 15.5 LOT AREA. In M-2 Districts, each parcel of land on which an M-2 industrial use is to be placed and developed, shall provide a lot width of not less than two hundred (200) feet in width for an interior lot and not less than three hundred (300) feet in width for a corner lot; and all lots shall not exceed the 4:1 ratio (maximum depth not greater than four (4) times width of lot).

PART VI. That Ordinance No. 10, known as the Township Zoning Ordinance, shall be and hereby is amended by amending the Zoning Map as indicated on the Amended Zoning Map No. 55, attached hereto and made a part of this Ordinance.

PART VII. CONFLICTING PROVISIONS REPEALED. Any Ordinance or part of an Ordinance in conflict herewith is hereby repealed.

PART VIII. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the Court to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof, other than the part declared to be invalid.

PART IX. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Huron and this Ordinance is hereby ordered to be published in the manner prescribed by law and to be in effect upon the expiration of thirty (30) days after publication.

# Educator Says Employment Bound Youth Are Neglected By Schools

BY BEVERLY McANALLY

ROMULUS—Schools that offer college preparatory curriculum to students and then send them off to business, industry, homemaking and the military services are tragically neglecting their employment bound youth, charged Professor Ralph C. Wenrich of the University of Michigan.

In an article appearing in the current issue of High School Principal's Letter, he urged that schools move speedily to render better service to the youth headed for the world of work.

The U of M educator says significant steps can be taken in every high school. Principals and faculty must make as strong a commitment to helping employment-bound youth enter the work world as they already have made to helping the college bound youth enter college.

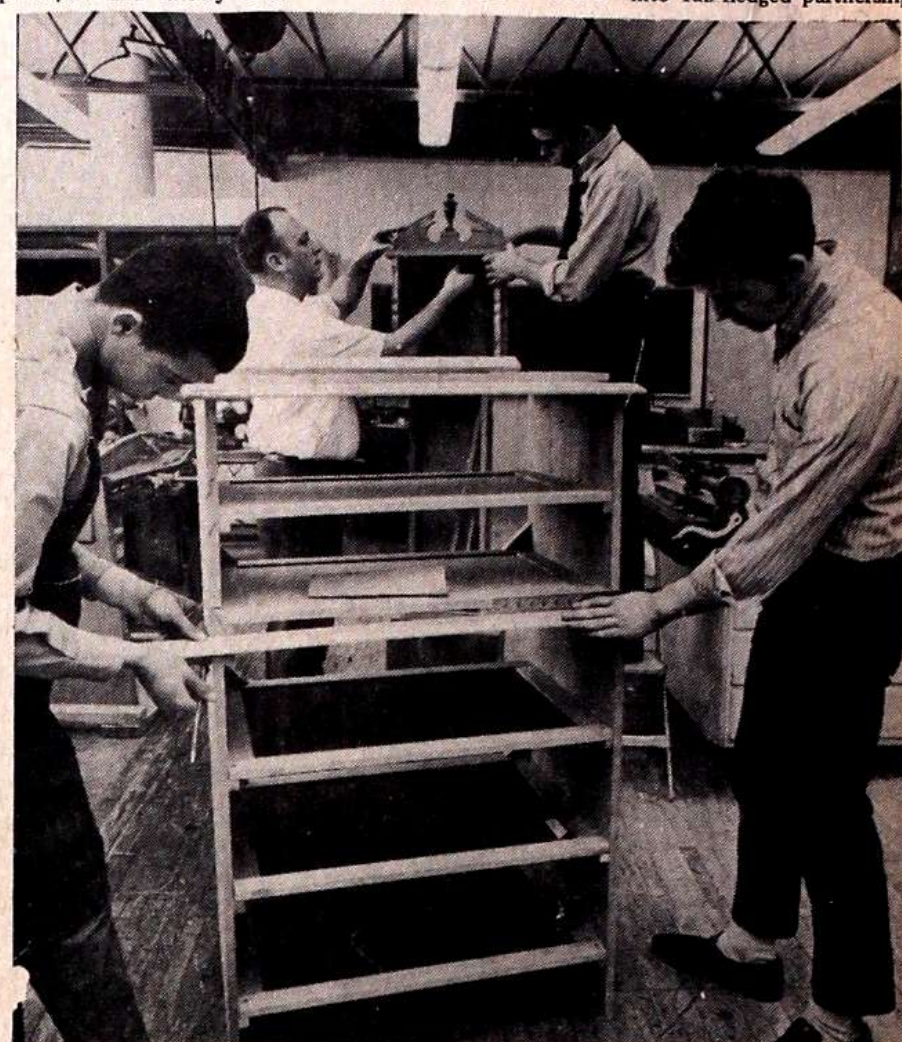

Wenrich says many teachers have little knowledge of the world of work beyond the classroom. He says they would benefit from in-service activities, such as business industry education days and staff conducted occupational surveys. "This would give these teachers a clearer idea of the job opportunities that await students who go directly into employment," said Wenrich.

Another corrective step, he believes, would be to establish clearer lines of communication between teachers of different subjects. For example, teachers of business and industrial subjects may have much to offer teachers of English, mathematics, science and social studies by way of insights into the needs of

young people entering the job market. He also urges that principals and faculty offer

working part time during the school year or full time during the summer. "At least one

training for youth. He noted that some schools have already entered into full-fledged partnerships

WOOD LAB—Some of the fine handiwork of students participating in the Vocational Program at Romulus High School is shown above. Students shown are busy in the Wood Lab. Left to right are Al Culbreath, junior; Rick Newman, (back right) sophomore; and Mike Walker, senior. Class Instructor, George Pratt is shown at (left rear) of picture.

more help to youth making career plans. He advocates exploratory experiences be provided on both junior and senior high school level.

Wenrich believes the best way for youth to learn about earning a living is by actually

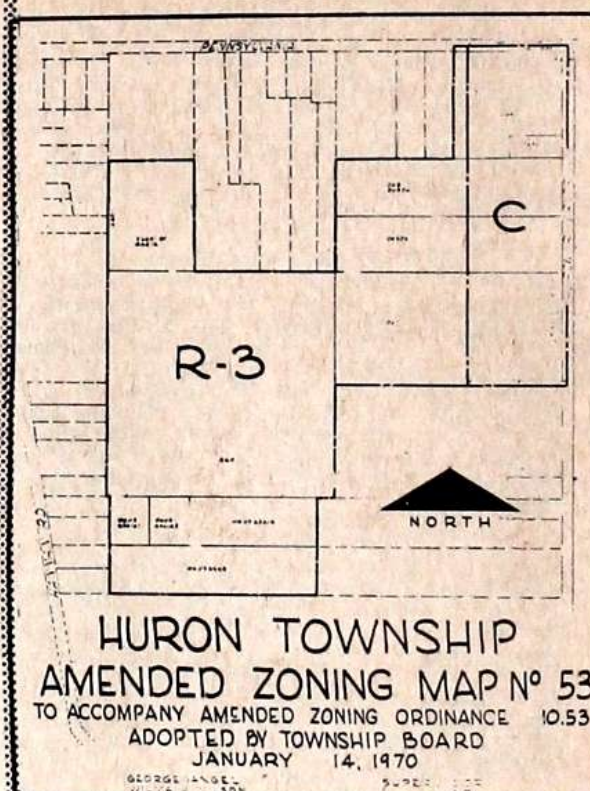

administrator in every high school should be intimately acquainted with the work-life of the community." He stressed that the barriers between school and community must be removed. School and business - industrial interests in the community must join in providing relevant and functional education and

with local industries, whereby industry lends equipment, facilities and even staff to get a program into operation.

Wenrich believes high schools should operate a job placement service, helping to find part time employment for young people still in school and full time for those ready to graduate.

# Mobile Home Bill Sought By Petitpren

LANSING — State Representative Vincent J. Petitpren (D-Westland) has introduced House Bill 3926, a "bill of rights" for persons who live in mobile homes in trailer coach parks.

The bill was one of five which Petitpren introduced as the legislature started its 1970 session. "I consider this bill particularly significant," he said, "because it gives the many thousands of Michigan residents who live in trailer parks rights which they do not have now. These people should have the same rights as

those who live in other homes."

The Petitpren bill would amend the state's Trailer Coach Park Act of 1959. It extends to the owners or renters of mobile homes in trailer coach parks the long-existing rights involved in other landlord-tenant agreements.

This legislation is long overdue, Petitpren stated. "It provides for judicial protection for tenants of trailer coach parks. They deserve these protections just

as much as any other tenants."

Petitpren said he has considerable support for his proposal, including that of the UAW.

"As it is now," Petitpren noted, "trailer coach park residents have very few actual rights. I have witnessed the families being unfairly evicted at the whim of the park owner. In many instances, they have no right to hire anyone to do plumbing, electrical and other repair and maintenance work on their

own trailer home. There are even reports of kickbacks to the park owner when this work is done."

He added, "This bill is not unduly harsh on any honest trailer park owner. Although the proposal grants the tenant rights and protections they do not have, it also imposes certain obligations on them. It clearly spells out the contractual arrangements in trailer parks."

Petitpren expects public hearing to begin in February.

## McClure Heads GOP Committee

Harold M. McClure, Jr., of Alma, Republican State Finance Chairman in 1965 and 1966, has assumed the post once more, according to an announcement made jointly today by Governor William G. Milliken and State Chairman William F. McLaughlin.

McLaughlin said today that McClure would coordinate all Republican fund-raising efforts in conjunction with his National Committeeman's duties.

McClure replaces Charles Kirsch who served from 1967 until the present.

"Mr. Kirsch's resignation was accepted with sincere regret," said McLaughlin. "Chuck has done an outstanding job for the Republican Party of Michigan in this vital area of finance and we are sorry that he has chosen to retire from this position."

Kirsch's resignation is effective immediately and McLaughlin indicated that McClure's resumption of the duties is likewise immediate.

"I think we are indeed fortunate that a man of Mr. McClure's ability and energy is willing to again undertake this responsibility," continued McLaughlin.

McClure shared McLaughlin's enthusiasm.

## HUD Assistant Talks On Migrants

DETROIT — An assistant secretary in the U.S. Department of Housing and Urban Development (HUD), Samuel J. Simmons, will speak Jan. 27 at the 25th annual meeting of the International Institute, a Torch Drive Service.

Simmons, a former resident of Detroit, will discuss the problems of in-migrants to U.S. cities.

He is responsible for HUD policies on equal opportunity, particularly relating to equal employment and fair housing.

Accompanying Simmons will be George J. Roybal, director of the job development division for HUD, who is especially experienced with manpower programs developed in the Mexican-American community.

Both men will meet with ethnic leaders while in Detroit.

In announcing Simmon's appearance, Walter T. Frontczak, executive director of the institute, pointed out that many of the problems of the foreign-born relate to finding appropriate housing.

"The Institute is deeply concerned with the housing problems of all people and especially foreign-born

GOOD CITIZENS—An object lesson in appreciation of natural-born citizenship is represented in regular classes held in Westland for immigrants who hope to become citizens of the United States. Studying under U.S. Naturalization Examiner John Midanek, foreground, are four German immigrants, from left, Margot and Guenther Briese, Werner and Ursula Briese (who are in-laws), and Erika K. Newman. Classes for the Brieses, all of Westland, and Mrs. Newman, of Belleville, are held at Wildwood School in Westland.

# AUDITORS SAY SELL!!!

## THURSDAY-FRIDAY-SATURDAY 3 DAYS ONLY 9 TO 9

We have just completed taking our annual inventory and we find ourselves overloaded with all kinds of sofas, chairs, bedroom sets, tables, lamps, bedding and accessories. Our auditors tell us to unload, and unload fast. There is only one way that we can do this, and that is to chop down prices to such a low point that you won't be able to resist buying now.

To begin with, we have 4 Tuxedo sofas in either gold or olive velvet material that will go at \$158.00. They're sold for \$249.95 originally, but now they just have to go. There are also a group of tables that blend with these sofas that were fifty bucks each, originally, but will be sold along with these sofas for \$25.00. As a matter of fact, if you want to buy the tables only, you can get them at the same \$25.00.

We have a sofa in a black and gold patterned velvet with slate tables built on, that we thought was a real winner selling at \$700.00 but it hasn't sold, so how would you like to take it off our hands for \$399.00. We'll deliver it to you at no extra cost. We rebuilt our store as you know, and the place is really beautiful, but we just didn't realize that we were buying more than we were selling, and with all the extra room we put on, we're just as cramped for space as before. You've just got to help us move this furniture out of our warehouse and store. There are 7 gold tufted sofas with wood trim that sold for \$299.95. How would you like to take one home for \$178.00. We had 12 of them and now we'd like to get rid of the last 7. There are also chairs that sold for as much as \$150.00. They're floor samples, and one's of a kind, but we're going to get rid of them all at one price of \$59.00. We took inventory of more wall pieces and pictures than we care to admit to. The truth is, we just didn't sell enough pictures at Christmas like we usually do, so we've got pictures. . . Boy, do we have pictures. We're going to put a group that sold for up to \$40.00 on sale at \$15.00 and another group that sold for \$60.00 to \$70.00 on sale at \$25.00. I even have a few you'll buy for \$5.00. The same holds true for tables and lamps. We've got them, and we hope you need them. Come in and pick out the ones you want for 10, 15, and 20 bucks. We'll have about 50 of them at these prices and you can be sure you'll save as much as you spend. You can't beat that for beating inflation.

Now, if you've read this far, then you really need furniture, and if you need furniture, then you must need bedroom and bedroom we have, by the hundreds. To begin with, a \$300.00 modern walnut set that has no business going on sale because it is such a good seller. We'll sell 6 of them for \$189.00. How about a \$550.00 oak suite for \$375.00. There's only 2 left of these. There is a \$900.00 suite in pecan with the biggest armoire you ever saw. Twin mirrors, and the smartest looking headboard. Five great big pieces at the ridiculous price of \$575.00. That suite will really make a smart buyer out of you. Pecan is the big wood today in bedroom, and we have about 9 different finishes in pecan. How about a 4 piece set with dresser, mirror, chest and bed that sold for \$650.00. Would you pay \$388.00 for it? You would if you saw it. And don't worry, you can add it to your account. There is a Mediterranean bedroom set with a large over-sized chest on chest. Lots of carving. It was supposed to sell for \$700.00. It just seems that nobody likes it except our buyer (?) Maybe you'll like it for \$299.00., there's more. But we just can't list everything. I'm sure I forgot to list something that I wanted to move, but come in and see for yourself if this isn't the biggest and savingest furniture sale you've ever seen.

And that's right I forgot something. We probably sold more color T.V.'s and stereos this season than ever before but the one thing that we didn't sell was big three way combinations. I can't list them because numbers don't mean anything to you, but if you'll come in you'll see some prices that will make your hair stand up in astonishment. See for yourself and pocket the savings. What's more, you won't have to lay out a cent. Just use your credit . . . it's always good at Kent.

## Bathrooms More Important In '70's Home Planning

Borne on the wings of change, the bathroom is sailing into the decade of the '70's as the American home's most pampered and pampering room.

And what a difference! Traditionally the Ugly Duckling of home decorating, the once-dowdy bathroom is hatching into a proud peacock. In the process, it has eclipsed the kitchen — the darling of functional and decorative house planning in the late 1950's and 1960's. As Frank J. McGrath, marketing manager of the American-Standard Plumbing and Heating Division, puts it:

"From a utilitarian assortment of plumbing fixtures, the bathroom now can be transformed into the ultimate in gracious living."

Whether you're remodeling or building from blueprints up, here are some of the American-Standard innovations available to you through your local contractor:

\*Ultra/Bath oval bathing pool, a luxury model 10 inches wider than the conventional bathtub. It's contoured to support the bather's back, console-controlled for pre-set water depth and temperature and as an extra, includes soothing, relaxing whirlpool action.

\*Spectra 70 features a fiberglass wall-surround with a fold-down tray for a book; pedicure implements, ash tray or drink; a storage cabinet for cosmetics; lotions and accessories; recessed overhead lighting and a fold-down seat.

\*For either bath model, a Shower Tower with two-level, his-and-hers shower heads for all-over or dry-coffeur

showering, plus a tuckaway hand spray for shampooing or body rinsing.

\*Whisper Flo spout, incorporating the new hydraulic principle of laminar flow which delivers a no-splash stream that gives a faster, more thorough rinse than aerated water.

Safety features include permanent slip resistant tub, safety bars for the wall and a shower control that prevents hot or cold water shocks if household water pressure changes.

As companion pieces to the bath pools, there is an assortment of fashion-crafted

lavatories, including a model with an Ultra Font trajectory spout. Mounted out of the way at the lavatory's rear, it jets water, in a controlled arc, thus solving the woman's problem of how to rinse the back of her head while shampooing.

And in the greatest toilet-design revolution since

plumbing moved indoors, there is an array of models styled for form-fitting comfort, space-saving convenience and self-ventilation. That last innovation, called the Vent-Away, automatically vacuums off odors before they spread into the bathroom.

To complete today's bathroom-of-tomorrow,

there's the Europe-inspired bidet, long endorsed by doctors as an appliance unsurpassed for promoting personal, hour-to-hour cleanliness between fullfledged baths or showers.

Eye-appeal is another breakthrough for the bathroom of the '70's. Fixtures come in seven exciting easy-to-live-with colors. A favorite is the new fashion shade, Bone. A subdued and subtle hue that you can live with permanently. Bone accentuates the more daring colors of wall coverings, shower curtains, towels and other easy-to-change accessories.

A major source of inspiration for the revolt against drab, bathroom decor was a five-year study conducted by a Cornell University research team headed by Alexander Kira, associate professor of architecture. American bathrooms, concluded the report issued in 1966, were still being built "more for the convenience of plumbers than people."

CONTEMPORARY, yet comfortable, this handsome living room setting in green, olive and white was created by Ann and Robert Gera for International Furniture. Carved-end extension sofa is covered in green and features loose pillows in olive, green and white stripes. Pieces have cantilevered base. Deer painting, in shades of green, and oval figure, of mid-Chou dynasty are used for accent. Another "America at Home" room at the American Furniture Mart.

TRADITIONAL ELEGANCE is captured in this formal living room setting designed by Alfred Niederman, NSID, for Howard-Parlor Furniture and part of the American Furniture Mart's "America at Home" collection of room settings. Seating pieces are covered in printed matelasse. Seat and back cushions are quilted as a style note. Highly-polished black tile floor is accented with an Oriental rug.

## Counting Nails Can Be Profitable

Nails used to come in kegs but they come in boxes and bags these days.

You can buy a pound of nails, most any size, for about 50 cents, or you can buy enough to build a house for about the price of a new suit of clothes.

Or, you can be \$20,000 richer if you know how to count the nails in a small plastic model house which was unveiled in the lobby of the First Federal Building at the corner of Michigan and Woodward, Detroit, recently.

This nail estimating business and the big payoff have become an institution in Detroit. For as long as most anyone can remember, the Builders Association of Metropolitan Detroit has been giving away a house worth \$20,000 or that amount in cash as the grand prize of the Home, Furniture and Flower Show at Cobo Hall.

The show this year will be from Feb. 21 through March 1 and the \$20,000 grand prize will be given to the person through March 1 and the \$20,000 grand prize will be given to the person who estimates correctly the number of nails in the plastic model which will be on display in the main concourse of the First Federal Building until the show opens.

The House of Nails will be in Cobo Hall beginning Saturday, Feb. 21, in the Idea Home display near the main

entrance. Thousands of nail counters will take a crack at the big prize there during the show dates, which run through March 1.

The nail house was filled under direction of three judges, who have served each year for a long time, in this capacity. They were Eddie McGloin, Detroit FHA director; Robert Fitzgerald, Detroit VA manager, and Frank Laurens, president of the Detroit Bureau of Credits.

## Petpourri

By Mike Murray

Congratulations to the new officers of the Livonia Kennel Club: Dr. Ellet Drake, President; George Burmeister, vice-president; Frank R. Crone, Treasurer; Ron Omar, Recording Secretary; Betty Omar, Corresponding Secretary. Elected to the club's board of directors were Don Probyn, Harold Schultz, and Norm Zuchelski.

Mark and Judy Thibodeau of Westland are awaiting AKC confirmation of the championship of their Siberian Husky Tibb's Sir Oliver Hardy, who completed his title requirements by going Best of Winners at the Western Reserve Kennel Club show in Cleveland on December 14.

Entries to the Macomb County Kennel Club's have already surpassed the limit of 700. The unbench show will be held at Warren Woods High School on Sunday, February 8. Among the panel of five judges with assignments at the show is Ray Perso of Royal Oak, who will judge toy, miniature, and standard poodles.

Send all news of recent show wins, new arrivals, etc., to Mike Murray, c/o Associated Newspapers, 2211 North Wayne Road, Westland, or call 273-7125.

CARPET  
WAREHOUSE

33468 FORD ROAD

Between Wayne and  
Venoy

OPEN DAILY 9-9 WED., 9-6 CLOSED SUNDAY

IT'S BOZO—Bozo the Clown visits Wayne Saturday and Sunday, January 24-25, with two shows at 1 p.m. each day, at the State-Wayne Theatre, Michigan Avenue west of Wayne Road. Doors open at noon for the youngsters, who will pay \$1.50 for any seat in the house. Cartoons and a stage show are provided, and tickets may be purchased from the State-Wayne box office beginning this week.

## Shakespeare Comedy Opens New Meadow Brook Season

The Studio Company of Oakland University's Academy of Dramatic Art will launch the second half of its current season with Shakespeare's romantic comedy, "Twelfth Night" in Meadow Brook Theatre February 4, 5, 6, 7. Curtain is 8:15 p.m.

This will be the first time the Studio Company has

presented a full-length Shakespearean play since it was formed in 1968. Last year the troupe staged "A Date with Shakespeare", a two-hour production of excerpted scenes from several comedies and tragedies on its tour of area public, parochial and private schools.

After its performances in Meadow Brook Theatre the

first week in February, the Studio Company will take "Twelfth Night" on a fully booked tour of area schools and playhouses. The play will be presented at Wiley Groves High School (Birmingham) February 9, Bloomfield Hills Lahser High School February 10, Cranbrook School February 11, Warren Woods High School February 12, Warren Cousino High School February 13, Clarkston High School February 16, Smith Junior High School (Troy) February 17, Hazel Park High School February 18, Bentley High School (Livonia) February 19, and at the Romeo Youth Center February 20.

All seats are unreserved for the Studio Company's "Twelfth Night" production in Meadow Brook Theatre, but special ticket handling and seating arrangements for large groups from schools or community organizations can be made by contacting Mrs. Lee M. Olson, 282 Hannah Hall, Oakland University, Rochester.

and Paul Wheatbread on both drums and vocals. Paul's credits also include stints with Paul Revere and the Raiders, The Turtles, The Mamas & The Papas, The Byrds, and the late Otis Redding.

The Union Gap attracted nationwide attention with their recording of "Woman, Woman", which followed by other hits, led to appearances with Ed Sullivan, The Smothers Brothers, Glen Campbell and Jack Benny.

The U of D Memorial Building, located on Fairfield just south of McNichols, is the scene for the concert. Tickets are available at the U of D Performing Arts Box Office in the Student Union and at J. L. Hudson and Grinnell stores. Tickets are priced at \$3, \$4 and \$5. For further information call 342-1000, extension 339.

Factories have more than doubled in numbers in Australia since the end of World War II and they employ more than a million people.

## Little Murders No Laughing Matter

By HOWARD ALLEN  
Amusement Critic

"Little Murders," Jules Feiffer's acid look at contemporary society, now at the Vest Pocket, may have seemed like a joke when it first opened a few years ago, but the rapid deterioration of the cities in a few short years prove that one year's joke is no laughing matter the next year.

Feiffer's Newquist Family lives in an apartment with locks and bolts and chains on the door because the muggers roam the corridors. Their most constant phone callers is a deep breathing masher. The snipers prowling the streets; an eldest son is already a fatality.

Far more horrible than the background, however, is the Newquist's acceptance of this state of siege as inevitable. A police lieutenant, unable to crack any of dozens of sniping cases becomes so paranoid it is almost a relief

when he falls to a sniper. An aggressive daughter, the play's protagonist and most vital character, is dropped on stage; her passing serves to charge up a passive fiancée.

There is only one ultimate release for such a family. They take to sniping themselves. And the Newquist world is rapidly becoming our world -- where do we go from here, Feiffer asks mockingly. "Little Murders" is a funny play, but "Little Murders" is no laughing matter.

The production was seen, unfortunately on New Year's Eve, at the second of two consecutive performances. It suffered badly from what may have been back stage celebration or may have been the exhaustion of a second performance. Carole Shelley, the daughter, in particular fared poorly, breaking up, mugging, shaking her head and quivering to donate frustration as act two disintegrated into long, poorly timed stretches. Other cast members were similarly off.

But one suspects it was just a bad night. The potential power of the play was there.

Language is important to any Shavian play, but particularly so in "Pygmalion" which, of course, is all about language -- about Eliza Doolittle and Henry Higgins and the effort to turn a flower girl into a duchess.

It is therefore doubly unfortunate that most of the accents in the Meadow Brook Theatre production fail to come off. Henry Higgins is vaguely some rustic Uncle Caleb, such as one might find in the American Drama Festival, ponderous, with little of the light spirit so necessary to making the not especially sympathetic character of Higgins presentable. Jeremy Rowe has done much better in the past.

Karin Fernald, is better as Eliza, especially in the transitional scenes. In the cockney scene she is much too cowed; Eliza must have more

spunk and grit. Probably the most amateur accent was that of Elisabeth Orion, as Mrs. Eynsford Hill.

Colin Pinney fared much better as Pickering and Leslie

Yeo was delightful as Alfred Doolittle.

The Meadow Brook production does serve as a reminder-- in case anyone has

forgotten -- that George Bernard can be as much of a delight without a Lerner and Loewe score as with one. His acid tongue was sharp and his pen deadly.

## Ebersole Appears In Concert At Mercy

Joel Ebersole, a Lyrico Spinto Tenor who brings exuberance to life as well as to music, will appear in concert as part of the On-Campus Concert Series at Mercy College of Detroit on Sunday, Jan. 25 at 8 p.m.

Beginning his musical training early in life, Ebersole studies the violin from the age of eight and voice from age 15. Educational institutions where he has earned degrees include the College of Music of Cincinnati, the University of Cincinnati, and Indiana University. He began singing professionally at age 16.

He has performed most of the major oratorio repertoire as well as performing in leading roles with the

Kentucky Opera Association, equity professional summer musical stock theater, and as

Resident Tenor for the Brevard Music Festival in North Carolina.

## Union Gap Featured At U-D On Friday

The University of Detroit opens its Spring 1970 Town & Gown Series on Friday, January 23 at 8:30 p.m. with the popular group, Gary Puckett and the Union Gap.

The group's successful soft-rock sound is responsible for such recent hits as "Woman, Woman", "Young Girl", "Lady Willpower", and "Over You." Their popularity with all ages is attributed to their innovative sound and obvious musical ability.

Another reason for the group's success is the distinctive mellow voice of lead singer, Gary Puckett. He can perform both the basic rock repertoire and the contemporary ballad with equal finesse. Gary is also credited with bringing the group together for the first time in San Diego almost two years ago.

With Puckett at its head on vocals and guitar, the group is comprised of Dwight Bement at the organ, Kerry Chater on bass guitar and vocals, Gary Withem on piano and vocals,

### MAGIC PUPPETS

Michigan's own Bixby Marionettes retell the story of Jack and the Beanstalk in two performances for young people at the Detroit Institute of Arts, Saturday, Jan. 24.

The Magic Stalk is part of the Detroit Youth Theatre's "Something Every Saturday" series which presents puppet shows on the fourth Saturday of each month.

Performances are in the museum's 1,200-seat theatre (John R Street entrance) at 11 a.m. and 2 p.m. Tickets are \$1.25 (75 cents for groups of 20 or more) at the Art Institute Ticket Office (832-2730) and all J. L. Hudson ticket centers.

### INSTITUTE TOURS

A special telephone number has now been set up by the Detroit Institute of Arts to help school and other organized groups arrange in advance tours of the big Rembrandt show Feb. 25 through April 5.

The Rembrandt Group Booking number is 831-5966. Detroit and Suburban schools, elementary through university level, and organized club and church groups of 20 or more persons may phone to confirm reservations and obtain group rates.

Students from all but Detroit schools will have a group rate of 25 cents per student, and all adults may arrange the rate of 75 cents per person in groups of 20 or more. General admission is \$1 otherwise.

### HEDDA AT MEADOWBROOK

William Needles, a 12-year veteran of the Stratford Festival, Canada, has joined the John Fernald Company of the Meadow Brook Theatre to play the role of Judge Brack in Ibsen's Hedda Gabler which will open Thursday, Jan. 15 at 8:15 p.m. on the Oakland University campus.

Tickets for the Meadow Brook production of Hedda Gabler are available now at Hudson's, the Meadow Brook Theatre box

office or call 962-0353, 377-2700. Hedda Gabler will play a seven performance run at the Detroit Institute of Arts beginning on Wednesday, Feb. 4. Tickets for these performances are available at the Institute, Hudson's or call 832-2730.

### AUTORAMA SPECTACULAR

The 18th annual Autorama, world's biggest custom car and hot rod show, opens in Cobo Hall on Friday, Jan. 23, for a three-day Stand.

More than 450 exotic one-of-a-kind show cars and other creations will be on display along with some of the top personalities of auto racing. Top bands, beauty queens, model contests and audience participation events will be added attractions.

Autorama, co-sponsored by the Michigan Hot Rod Association and Promotions, Inc., is expected to draw in excess of 100,000 fans. It opens at 5 p.m. on Friday and noon on Saturday and Sunday, closing at 11 p.m. each night. Admission is \$2.50 for adults on Friday night and Saturday afternoon, \$3 on Saturday night and Sunday. Children, 6 to 12, \$1 at all times.

### MUSEUM DISPLAY

An exceptionally fine exhibit of color photography is currently being shown at the Dossin Great Lakes Museum. This collection of 70 large color prints of the Great Lakes include some of the most spectacular views of scenes and ships ever collected for a single showing, and all are the work of marine photographer, Harry Wolf.

Wolf was for thirty years, ship's photographer on first, the S.S. North American and later on the S.S. South American, positions which afforded him the rare opportunity to photograph scenes denied the average photographer. This showing presents the finest of his efforts.

The exhibition is open Wednesday through Sunday from 10 a.m. to 5:45 p.m.

### SHREW AT BONSTELLE

Shakespeare's perennially favorite farce, "The Taming of the Shrew," is the first production of the new year at Wayne State University's Bonstelle Theatre. It opened Friday, Jan. 16 at 8:30 p.m. and continued Saturday, Jan. 17, and the following two week-ends, Jan. 23-24 and 30-31, at 8:30 p.m. Two matinees are scheduled on Thursday, Jan. 22, and Sunday, Feb. 1, both at 2:30 p.m.

The cast is headed by Lucille Williams of Westland as Kate.

Reserved seat tickets at \$2. are on sale at the Theatre Box Office in the Hilberry Theatre lobby, Cass and Hancock. Reduced rates are available for groups. Telephone reservations may be made by calling 577-2960. Tickets at the regular box office price are also available at J. L. Hudson's.

Famous Early Movies are shown in the Henry Ford Museum Theatre each Sunday at 2 and 4 p.m. There is no additional charge for the films beyond the regular Museum admission.

## Guest Conductor Begins Tour

Thomas Schippers, a native Michigander, will begin a four-week guest conducting engagement with the Detroit Symphony Orchestra this Thursday, January 22, in Ford Auditorium.

The Thursday program, consisting of the Brahms Symphony No. 3 in F major and the Prokofiev Symphony No. 5, will be repeated on Saturday evening, January 24.

Both performances will begin at 8:30 p.m.

During his guest tenure, Schippers also will conduct Thursday-Saturday Symphony performances on January 29, February 5, 7, 12 and 14 as well as an open rehearsal on Wednesday afternoon, January 28.

Pianist Gina Bachauer will be featured as soloist on February 5 and 7.

The Rackham Symphony Choir and a quartet of guest vocal soloists will participate in a performance of the Rossini "Stabat Mater" at Schippers' last pair of concerts, February 12 and 14.

Schippers conducted the Detroit Symphony in a total of 14 concerts during several visits between 1956 and 1963.

He was appointed music director of the Cincinnati Symphony Orchestra last year, to become effective this coming fall.

For the past eleven summers, Schippers has been conductor and artistic director of the Spoleto Festival in Italy. It was at Spoleto that he added a new dimension to his career by directing the staging of Verdi's "Otello" as well as conducting it.

### MURDER MYSTERY

"Macbeth" officially opened at the Hilberry Theatre Jan. 14, with beating drums and unnatural omens forecasting the events of Shakespeare's most sinister murder story.

"Macbeth" will appear weekly, with a heavy schedule of week-day matinees designed primarily for high school students. It also will have a limited number of evening performances for the general public.

Information about tickets and schedules is available from the Theatre Box Office at Cass and Hancock. The telephone number is 577-2972. Tickets also are available at Hudson's.

### TOCCO AT PIANO

Pianist James Tocco will be the featured soloist for the second Scandinavian Symphony Orchestra concert of the current season, to be given on Saturday, Jan. 24 at Henry Ford High School, 20000 Evergreen, two blocks south of Eight Mile Road.

Following the performance there will be available refreshments at a nominal charge in the high school cafeteria.

Concert time is 8:20 p.m. Ticket prices are \$2. with students at \$1.25. The public is cordially invited.

### WHERE ART THOU MISS AUTORAMA?

record-breaking number of girls between 18 and 25 have entered the 1970 Miss Autorama Contest. With the deadline for entering this weekend, more than 75 have already filed.

The winner will be chosen through a process of elimination during the three-day run of the 18th annual Autorama in Cobo Hall which starts Friday, Jan. 23 at 5 p.m.

The large entry list will be voted down to 25 on Friday night. Another 15 will be eliminated on Saturday night. The final judging will be at 3 p.m. after they have a victory dinner.

The top five winners will present trophies to class winners among those having exotic cars and other creations in competition.

## Dance For 'Dimes Is Announced

ROMULUS—The Romulus March of Dimes Committee asks the support of local residents for its January campaign to raise funds to aid in the program of research and curing of birth defects.

The local campaign will solicit your support during the Mothers' March, through canisters placed in local business establishments, through children's donations at the schools and attendance at the March of Dimes Dance, which will be held Saturday, Jan. 31, at the Romulus Progressive Club Hall, located on Ozga Road.

Dance tickets are now on sale from Romulus Jaycees or they may be purchased at the door the night of the dance.

In 1911 the winning car in the Indianapolis Speedway made 74.59 miles per hour; in 1967 the winner reached a speed of 151.207 miles per hour.

Open Daily 8-7 Sat. 9-3

**WOODSIDE SQUARE TOWNHOUSES**

**FOR AS LITTLE AS \$87 PER MONTH\***

The Woodside Square Townhouses are built for those who want better housing at less cost. Your monthly payment on your one, two or three bedroom townhouse includes everything: principal, interest, taxes and insurance, as well as heat, water and gas, but not electricity. And life at Woodside Square is completely maintenance free.

\*Your monthly payment could be this low because under a special government program (FHA Section 236) your interest rate could be as low as 1%, depending on your family income.

Take I-94 to the Wayne Road exit and go north on Wayne Road to just past Ecorse Road. The sales office is open from Noon to 6 PM (closed on Wednesdays). Or call 721-7060.

Cooperative Representative  
H.F.M., Inc. of Michigan

47-3-P-B

## 48-In Memoriam

In loving memory and many a tear shed for our dear husband, father and grandfather, Luther J. Vaughn, who was taken away 6 years ago January 16, 1964. It's a hard road without you. Memories will always be treasured, there is still a heartache, no one can ever heal. Some may forget you are gone but we will never forget you. No matter how long loving memories never die as years roll on and days pass by in our hearts a memory is kept. Of one we loved and will never forget. Sadly missed by your wife Eliza, sons, daughters, and grandchildren.

48-3-P

WE MISS Jerry so much. Howard Watkins, 34966 Richard, Wayne.

48-3-P

IN MEMORY of our brave mother, Viridia L. Cawthon. We grieve only because we miss you so much. But we know you are happy and safe, at last in the arms of Jesus, and home with those you love. Mary, Gwen, Bill, Zel and Betsy.

48-3-P-B

IN LOVING MEMORY of our beloved husband, father and grandfather, C. L. "Peck" Hershey, whom God called home ten years ago, January 24, 1960. Often a heartache, many silent tears, but always a beautiful memory of the one we loved so dear. Sadly missed by his wife, Pearl, the Larry Hershey family, and Glenn Hershey family.

## at SPECIAL PRICING!

### RCA Computer Crafted Color

This 1970 RCA Color TV was designed, engineered and tested through the use of computers. This means higher standards of quality and reliability. This assures more consistent performance. THIS MEANS LESS LIKELIHOOD OF REPAIRS!

**BIG SCREEN  
ALL-WOOD CONSOLE**

Model EL-412

Super Bright Hi-Lite Color picture tube. Transistorized New Vista VHF, Solid State UHF tuners. Balanced color demodulator system. One-set VHF fine tuning: stay-set volume control. Five all-wood walnut-green cabinetry. Model GM-521.

20" diagonal 227 square-inch viewable picture. Tilt-out control panel for easy stand-up tuning. Advanced 25,000-volt New Vista Color TV chassis.

### The Trouper

New Vista Sportabout Color TV  
Model EL-412  
14" diagonal, 102 square-inch picture

From room to room or from town to town, The Trouper is Color TV that's always ready to go. Compact, lightweight and with a luggage-type handle, it's as handy to carry as a suitcase. Modern styling in a choice of vinyl colors makes The Trouper a decided decorator asset, while traditional RCA quality assures brilliant, true-to-life color pictures. This one puts you front-row-center in viewing pleasure, but its price is like standing room in the balcony.

Plastic cabinet in finishes of:  
Moonmist Gold vinyl/Desert Beige (EL-412H)  
Charcoal Green vinyl/Desert Beige (EL-412G)  
H-14 1/4", W-20", D-17"
